### Federal Energy Regulatory Commission

[Docket No. CP98-725-000]

#### Panhandle Eastern Pipe Line Company; Notice of Application

August 24, 1998.

Take notice that on August 12, 1998, Panhandle Eastern Pipe Line Company (Panhandle), P.O. Box 1642, Houston, Texas 77251-1642, filed in Docket No. CP98-725-000 an application pursuant to Sections 7(b) and 7(c) of the Natural Gas Act for authorization to abandon certain pipeline facilities and to construct and operate other pipeline facilities to replace those being abandoned in Livingston County, Michigan, all as more fully set forth in the application on file with the Commission and open to public inspection.

Panhandle proposes to abandon facilities in its Howell Storage Field, abandoning approximately 372 feet of 8-inch storage pipeline (250 feet to be abandoned in place and the remaining 122 feet by removal). Panhandle proposes to replace the storage lines by constructing 40 feet of 6-inch pipe and 80 feet of 4-inch pipe and to reconfigure an existing 6-inch line and two 4-inch lines, and to install two new hot taps and relocate an existing valve. It is asserted that the replacement is required to bring the storage lines into compliance with United States Department of Transportation Minimum Federal Safety Standards and to ensure that the lines can be safely operated at their maximum allowable operating pressure. It is further asserted that the proposal will not result in any change in capacity. The cost of the proposed

construction is estimated at \$89,075, to be financed from funds on hand.

Any person desiring to be heard or to make any protest with reference to said application should on or before September 14, 1998, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Panhandle to appear or be represented at the hearing.

**Linwood A. Watson, Jr.,**

### Federal Energy Regulatory Commission

[Docket No. RP98-375-001]

#### PG&E Gas Transmission, Northwest Corporation; Notice of Compliance Filing

August 25, 1998.

Take notice that on August 20, 1998, PG&E Gas Transmission, Northwest Corporation (PG&E GT-NW) tendered for filing as part of its FERC Gas Tariff,

First Revised Volume No. 1-A, Fourth Revised Sheet No. 3 and Fifth Revised Sheet No. 92, to be effective September 15, 1998.

PG&E GT-NW asserts the purpose of this filing is to comply with the Commission's August 18, 1998 Letter Order in this Docket.

PG&E GT-NW further states a copy of this filing has been served upon its jurisdictional customers and interested state regulatory agencies.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

### Federal Energy Regulatory Commission

[Docket No. RP98-351-001]

#### Tennessee Gas Pipeline Company; Notice of Compliance Filing

August 25, 1998.

Take Notice that on August 20, 1998, Tennessee Gas Pipeline Company (Tennessee), tendered for filing Sub Seventh Revised Sheet No. 412 for inclusion in Tennessee's FERC Gas Tariff, Fifth Revised Volume No. 1. Tennessee requests that this revised tariff sheet be deemed effective August 1, 1998.

Tennessee states that Sub Seventh Revised Sheet No. 412 is filed in compliance with the Commission's August 5, 1998 Letter Order issued in the above-referenced docket and incorporates by reference the Gas Industry Standards Board Dataset 2.4.6 into Tennessee's tariff.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be

filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

[Docket No. RP93-109-013]

#### Williams Gas Pipelines Central, Inc.; Notice of Proposed Changes in FERC Gas Tariff

August 25, 1998.

Take notice that on August 18, 1998, Williams Natural Gas Company, now known as Williams Gas Pipelines Central, Inc. (Williams) tendered for filing to become part of its FERC Gas Tariff, Second Revised Volume No. 1, the following tariff sheets:

Substitute First Revised Sixth Revised Sheet No. 6  
 Substitute First Revised Sixth Revised Sheet No. 6A  
 Substitute Sixth Revised Sheet No. 6  
 Substitute Sixth Revised Sheet No. 6A  
 First Revised Fifth Revised Sheet No. 6  
 First Revised Fifth Revised Sheet No. 6A  
 Substitute Fifth Revised Sheet No. 6  
 Substitute Fifth Revised Sheet No. 6A  
 Substitute Fourth Revised Sheet No. 6  
 Substitute Fourth Revised Sheet No. 6A  
 Substitute First Revised Third Revised Sheet No. 6  
 Substitute First Revised Third Revised Sheet No. 6A  
 Substitute Third Revised Sheet No. 6  
 Substitute Third Revised Sheet No. 6A  
 Second Substitute Second Revised Sheet No. 6  
 Third Substitute Second Revised Sheet No. 6A  
 Third Substitute First Revised Sheet No. 6  
 Second Substitute First Revised Sheet No. 6A

Williams states that this filing is being made pursuant to the Order Granting Rehearing in Part dated July 29, 1998 in Docket No. RP93-109-012.

Williams states that a copy of its filing was served on all participants listed on the service lists maintained by the Commission in the docket referenced above and on all of Williams' jurisdictional customers and interested state commissions.

Any person desiring to protest this filing should file a protest with the

Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with § 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in § 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.

### Federal Energy Regulatory Commission

[Docket Nos. CP97-168-000 and CP97-169-000]

#### Alliance Pipeline L.P.; Notice of Availability of the Final Environmental Impact Statement for the Proposed Alliance Pipeline Project

August 24, 1998.

The staff of the Federal Energy Regulatory Commission (FERC or Commission) has prepared this final environmental impact statement (EIS) on natural gas pipeline facilities proposed by Alliance Pipeline L.P. (Alliance) in the above-referenced dockets.

The final EIS was prepared to satisfy the requirements of the National Environmental Policy Act. The staff concludes that approval of the proposed project, with appropriate mitigating measures as recommended, would have limited adverse environmental impact. The final EIS evaluates alternatives to the proposal, including system alternatives.

The final EIS assesses the potential environmental effects of the construction and operation of the following facilities in North Dakota, Minnesota, Iowa, and Illinois:

- About 890 miles of 36-inch diameter natural gas pipeline;
- Seven compressor stations totaling 249,600 horsepower;
- Five meter stations;
- A total of 0.9 mile of 36-inch-diameter lateral pipeline connecting the proposed meter stations to the mainline pipeline;
- A measurement and pressure control station;
- Fifty block valves installed along the pipeline and at each compressor station; and
- Four new internal tool or "pig" launchers and five pig receivers.

In addition, the final EIS addresses the potential environmental impact associated with construction and operation of a natural gas liquids extraction plant planned by Aux Sable Liquid Products L.P. in connection with Alliance's pipeline.

The purpose of Alliance's proposed facilities is to transport up to 1.325
