*Agency Information Collection Activities: Submission for OMB Review; Comment Request*

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a list of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these

documents, call the SAMHSA Reports Clearance Officer on (301) 443-7978.

**Proposed Project**

Survey of the Single State Authority (SSA) for Substance Abuse on the Availability of HIV/AIDS Services for Substance Abusers—New. With the converging twin epidemics of HIV and substance abuse, and the rising number of injecting drug users and other substance abusers who are at high risk of becoming HIV infected, the Division of State and Community Assistance (DSCA), Center for Substance Abuse Treatment (CSAT), intends to survey all Single State Authorities (SSAs) for Substance Abuse and other designated entities to receive Substance Abuse Prevention and Treatment (SAPT) Block Grant awards concerning the availability of HIV/AIDS services and their efforts to provide comprehensive substance abuse treatment to HIV+ and individuals at high risk of contracting HIV.

The SAPT Block Grant requires that all entities receiving grants, who have an AIDS case rate equal to or greater than 10 per 100,000, expend between 2-5% of the award on HIV Early

Intervention Services (EIS) projects. All SSAs who are or have been required to set aside funds for HIV EIS projects will be surveyed as to their ability to monitor the set aside expenditure, to collect meaningful data concerning these projects, and, in consultation with other entities concerned with the welfare of HIV+ substance abusers, provide direction to these projects.

The data collected from this survey will primarily be used to evaluate what changes are necessary in the annual SAPT Block Grant application. Secondary uses for this data will be for CSAT to better target technical assistance activities to/for the SSAs to more appropriately and more efficiently offer comprehensive treatment systems for HIV+ clients in substance abuse treatment. Results will be shared with CDC-funded HIV prevention grantees and HRSA-funded Ryan White CARE Act grantees so as to better coordinate and collaborate between substance abuse treatment programs and HIV prevention and treatment programs. The estimated annualized burden for this project is summarized below.

	Number of respondents	Number of responses/ respondent	Hours/re-sponse	Total burden hours
SSAs and other designated entities to receive SAPT block grant funds:				
Part I—completed by all entities .....	60	1	.5	30
Part II—completed only by entities designated as the HIV Set-aside entities .....	45	1	2.5	113
Total .....				143

Written comments and recommendations concerning the proposed information collection should be sent within 30 days of this notice to: Daniel Chenok, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503.

Dated: August 24, 1998.

**DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT**

[Docket No. FR-4341-N- 24]

**Federal Property Suitable as Facilities to Assist the Homeless**

**AGENCY:** Office of the Assistant Secretary for Community Planning and Development, HUD.

**ACTION:** Notice.

**SUMMARY:** This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

**FOR FURTHER INFORMATION CONTACT:** Mark Johnston, room 7256, Department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

**SUPPLEMENTARY INFORMATION:** In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies

regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.D.C.).

Properties reviewed are listed in this Notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for

homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses: GSA: Mr. Brian K. Polly, Assistant Commissioner, General Services Administration, Office of Property Disposal, 18th and F Streets, NW, Washington, DC 20405; (202) 501-2059; NAVY: Mr. Charles C. Cocks, Department of the Navy, Director, Real Estate Policy Division, Naval Facilities Engineering Command, Code 241A, 200

Stovall Street, Alexandria, VA 22332-2300; (703) 325-7342; (These are not toll-free numbers).

Dated: August 20, 1998.
