### International Trade Administration

#### Oil Country Tubular Goods From Korea; Extension of Time Limit for Antidumping Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Extension of time limit for antidumping duty administrative review of oil country tubular goods from Korea.

**SUMMARY:** The Department of Commerce ("the Department") is extending the time limit for the preliminary results of the ongoing antidumping duty administrative review of the antidumping order on oil country tubular goods from Korea. This review covers one manufacturer and exporter of the subject merchandise: SeAH Steel Corporation, Ltd. The period of review is August 1, 1996 through July 31, 1997.  
**EFFECTIVE DATE:** January 30, 1998.

**FOR FURTHER INFORMATION CONTACT:** Steve Bezirganian or Steven Presing, AD/CVD Enforcement Group III—Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington D.C. 20230, telephone (202) 482-0162 or 482-0194, respectively.

**SUPPLEMENTARY INFORMATION:** The Department initiated this review in the **Federal Register** on September 25, 1997

(62 FR 50292). Currently, the preliminary results for this review are due May 3, 1998. However, due to the complexity of the issues involved in this case, including further manufacturing, multiple layers in the U.S. sales process, and the need to use third country market sales as the basis for normal value and for the Department's recently initiated cost investigation, the Department has determined that it is not practicable to complete this review within the time limits set forth by section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act. Therefore, the Department is extending the time limit for the preliminary results of the aforementioned review to August 31, 1998. This extension is in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended by the Uruguay Round Agreements Act of 1994 (19 U.S.C. 1675(a)(3)(A)). See memorandum from Joseph A. Spetrini to Robert S. LaRussa, which is on file in Room B-099 at the Department's headquarters.

Dated: January 23, 1998.

#### Magnuson Act Provisions; Effects of Fishing on Essential Fish Habitat; Public Meeting

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Public meeting.

**SUMMARY:** NMFS will hold a public meeting to brief the Pacific Fishery Management Council's (PFMC) Groundfish Management Team and interested parties on the results of a synthesis of available scientific information on fishing gear impacts on habitat entitled: *The Indirect Effects of Fishing* by Peter J. Auster and Richard W. Langton. Following a presentation there will be an opportunity for questions and comments. NMFS requests that comments be limited to those concerning the adequacy of the synthesis, i.e., what scientific studies are missing, and any disagreements with the scientific conclusions.

**DATES:** The meeting will be held February 9, 1998. See **SUPPLEMENTARY INFORMATION** for specific location, and time.

**ADDRESSES:** Requests for copies of the draft report and additional information should be addressed to Office of Habitat Conservation, Attention: Gear Impacts, NMFS, 1315 East-West Highway, Silver Spring, MD 20910-3282; telephone: 301/713-2325.

**FOR FURTHER INFORMATION CONTACT:** Jim Thomas, NMFS, 301/713-2325.

#### SUPPLEMENTARY INFORMATION:

##### Background

The Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), as amended by the Sustainable Fisheries Act of 1996, requires that the Councils minimize, to the extent practicable, adverse effects of fishing on habitat. The Magnuson-Stevens Act further stipulates that fishers and other interested parties be involved in this process. This process begins with a synthesis that surveys and assesses all available information through the scientific literature concerning adverse effects of fishing. The draft synthesis is being presented and discussed at this public meeting. The final synthesis document will be available to all of the Councils and to other interested parties for use in addressing adverse impacts from fishing gear within fishery management plans. NMFS is hosting a series of meetings to inform the Councils and to involve interested parties early in the process of addressing the effects of fishing on habitat. Information on the locations of the other meetings was provided in an earlier notice (63 FR 2217, January 14, 1998) and will not be repeated here. The meeting announced in this notice will provide an opportunity for members of the PFMC's Groundfish Management Team, West Coast fishers, and the public an opportunity to comment on the draft synthesis document.

##### Public Meeting

Monday, February 9, 1998, from 7:00 p.m. to 10:00 p.m. PST at the Doubletree Downtown Hotel, Multnomah Falls Room, 310 SW Lincoln, Portland, OR 97201; telephone 503/221-0450.
