

SUMMARY: EPA is proposing to approve revisions to the California State Implementation Plan (SIP) which concerns the control of oxides of nitrogen (NO_x) emissions from stationary gas turbines within the Yolo-Solano Air Quality Management District.

The intended effect of proposing approval of this rule is to regulate emissions of NO_x in accordance with the requirements of the Clean Air Act, as amended in 1990 (CAA or the Act). In the Final Rules Section of this **Federal Register**, the EPA is approving the state's SIP revision as a direct final rule without prior proposal because the Agency views this as a noncontroversial revision amendment and anticipates no adverse comments. A detailed rationale for this approval is set forth in the direct final rule. If no adverse comments are received, no further activity is contemplated in relation to this rule. If EPA receives adverse comments, the direct final rule will not take effect and all public comments received will be addressed in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this rule. Any parties interested in commenting on this rule should do so at this time.

DATES: Written comments must be received by October 5, 1998.

ADDRESSES: Written comments should be addressed to: Andrew Steckel, Rulemaking Office (AIR-4), Air Division, U.S. Environmental Protection Agency, Region IX, 75 Hawthorne Street, San Francisco, CA 94105-3901.

CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

45 CFR Parts 1207 and 2551

RIN 3045-AA17

Senior Companion Program

AGENCY: Corporation for National and Community Service.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation") proposes to amend the regulations governing the administration of the Senior Companion Program (SCP). These amendments will: implement changes in the program's authorizing legislation; establish minimum program requirements with greater clarity; update program operations to make them responsive to changes that have occurred since the regulations were last published; consolidate requirements from outdated sources into one user friendly document; balance increased flexibility with increased responsibility and accountability at the local level; and incorporate new concepts of programming to highlight the accomplishments and impact of senior service.

The format used is designed to make the requirements easy for local sponsors and project managers to understand. It integrates related topics under one heading for easy reference.

Upon adoption, the proposed amendments will supersede the old ACTION regulations and the SCP Operations Handbook.

DATES: Comments must be submitted on or before November 2, 1998.

ADDRESSES: Comments should be sent to the Corporation for National Service, Director, National Senior Service Corps, 1201 New York Avenue, NW, Washington, DC 20525.

FOR FURTHER INFORMATION CONTACT: Rey Tejada at 202-606-5000, ext. 197.

SUPPLEMENTARY INFORMATION: The requirements governing the administration of SCP projects are currently embodied in two documents: 45 CFR Part 1207 which was last published in the **Federal Register** on June 10, 1983, and the SCP Operations Handbook. The proposed amendments will combine all minimum program requirements in just one document to make it easier for interested parties to secure basic program information.

The proposed amendments include modifications to current program requirements including those applicable to: the responsibilities of a SCP sponsor, community participation in local project operations, full-time project director, volunteer income eligibility, volunteer service schedule, volunteer leave, client care plan, authority to approve grants, waiver of non-federal support, ratio of volunteer cost reimbursement, and compensation for service.

The proposed amendments also reflect changes in the program's administrative structure resulting from the merger of the former ACTION agency into the Corporation in April 1994.

Regulatory Flexibility Act and Unfunded Mandate Reform Act

The General Counsel, in accordance with the Regulatory Flexibility Act (5 U.S.C. 606(b)), has reviewed this regulation and by approving certifies that this proposed rule will not have a significant impact on small business entities.

Under the Unfunded Mandates Reform Act of 1995, the Corporation certifies that this proposed rule does not include any Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more (adjusted annually for inflation) in any one year.

Paperwork Reduction Act of 1995

These proposed regulations have been examined under the Paperwork Reduction Act of 1995 and have been found to contain no information collection requirements.

Intergovernmental Review

This program is subject to the requirements of Executive Order 12372. The objective of the Executive order is to foster an intergovernmental partnership and strengthened federalism by relying on processes developed by State and local governments for coordination and review of proposed Federal financial assistance.

In accordance with the order, this document is intended to provide early notification of the Corporation's specific plans and actions for this program.

Executive Order 12866

This regulation has been drafted and reviewed in accordance with Executive Order 12866. The Office of Management and Budget has reviewed this rule and has determined that this rule is not a "significant regulatory action" under Executive Order 12866, section 3(f), Regulatory Planning and Review.

Participation in the Rulemaking

The SCP Program Council, a group established to provide advice to the Corporation on program related issues, was consulted, reviewed and gave recommendations on initial drafts of the proposed regulations. Council membership is comprised of SCP project staff and sponsor representatives, as well as selected staff from Corporation field offices. A similar opportunity was given to all Corporation field staff, a group that plays an important role in the implementation of program regulations.

§ 2551.23 What are a sponsor's program responsibilities?

A sponsor shall:

(a) Focus Senior Companion resources on critical problems affecting the frail elderly and other adults with special needs within the project's service area.

(b) Assess on an ongoing basis or collaborate with other community organizations in the assessment of the needs of the client population in the community and develop strategies to respond to those needs using the resources of Senior Companions.

Foster Grandparent Program

AGENCY: Corporation for National and Community Service.

ACTION: Notice of proposed rulemaking.

SUMMARY: The Corporation for National and Community Service, (hereinafter the "Corporation"), proposes to amend the regulations governing the administration of the Foster Grandparent Program (FGP). These amendments will: implement changes in the program's authorizing legislation; establish minimum program requirements with greater clarity; update program operations to make them responsive to changes that have occurred since the regulations were last published; consolidate requirements from outdated sources into one user friendly document; balance increased flexibility with increased responsibility and accountability at the local level; and incorporate new concepts of programming to highlight the accomplishments and impact of senior service.

The format used is designed to make the requirements easy for local sponsors and project managers to understand. It integrates related topics under one heading for easy reference.

Upon adoption, the proposed amendments will supersede the old

ACTION regulation and FGP Operations Handbook 4405.90 dated January 1989.

DATES: Comments must be submitted on or before November 2, 1998.

ADDRESSES: Comments should be sent to the Corporation for National Service, Director, National Senior Service Corps, 1201 New York Avenue, N.W., Washington, D.C., 20525.

FOR FURTHER INFORMATION CONTACT: Rey Tejada at 202-606-5000 ext. 197.

SUPPLEMENTARY INFORMATION: The requirements governing the administration of FGP projects are currently embodied in two documents: 45 CFR Part 1208 which was last published in the **Federal Register** on June 10, 1983, and the FGP Operations Handbook. The proposed amendments will combine all minimum program requirements in one document to make it easier for interested parties to secure basic program information.

The proposed amendments include modifications to current program requirements including those applicable to: the responsibilities of a FGP sponsor, community participation in local project operations, full-time project director, volunteer income eligibility, volunteer service schedule, volunteer leave, client care plans, authority to approve grants, waiver of non-federal support, ratio of volunteer cost reimbursement, and compensation for service.

The proposed amendments also reflect changes in the program's administrative structure resulting from the merger of the former ACTION agency into the Corporation in April 1994.

Regulatory Flexibility Act and Unfunded Mandate Reform Act

The General Counsel, in accordance with the Regulatory Flexibility Act (5 U.S.C. 606(b)), has reviewed this regulation and by approving certifies that this proposed rule will not have a significant impact on small business entities.

Under the Unfunded Mandates Reform Act of 1995, the Corporation certifies that this proposed rule does not include any Federal mandate that may result in the expenditure by State, local, and tribal governments, in the aggregate, or by the private sector, of \$100,000,000 or more (adjusted annually for inflation) in any one year.

Paperwork Reduction Act of 1995

These proposed regulations have been examined under the Paperwork Reduction Act of 1995 and have been found to contain no information collection requirements.
