

lands. A study made of each area indicates little potential for mineral exploration. There are no active mining claims recorded with the Bureau of Land Management for these lands, nor was any evidence of mining activity found on the land. An issued oil and gas lease on the lands in T. 11 S., R. 75 W., will remain in effect. A right-of-way on sections 3 and 10, T. 18 S., R. 68 W., will transfer with the land to the State.

If and when the selection is approved and certified to the State, the clearlist will contain the following reservations to the United States:

1. A right-of-way thereon for ditches and canals constructed by the authority of the United States, Act of August 30, 1890, 26 Stat. 391 (codified at 43 U.S.C. 945).

2. All the oil and gas in the described lands in T. 11 S., R. 75 W., and T. 7 N., R. 88 W. so clearlisted; and to it, or persons authorized by it, the right to prospect for, mine, and remove such deposits from the same upon compliance with the conditions and subject to the provisions and limitations of the Act of July 17, 1914, 38 Stat. 509, as supplemented (codified at 30 U.S.C. 121-124).

The clearlist will also be subject to those rights for reservoir and ditch purposes as have been granted to Beaver Water and Irrigation Company, its successors or assigns, by right-of-way Pueblo 07902 under the Act of March 3, 1891, as amended (formerly 43 U.S.C. 946-949).

The public lands classified by this notice are shown on maps on file and available for inspection in the Colorado State Office of the Bureau of Land Management.

For a period of 30 days from the date of publication in the **Federal Register**, this classification shall be subject to exercise of administrative review and modification by the Secretary of the Interior as provided for in 43 CFR 2461.3 and 2462.3. Interested parties may submit comments to the Secretary of the Interior, through the Bureau of Land Management, Assistant Director, Minerals Realty & Resource Protection, AD-350, 1000 L Street, Washington, D.C. 20240.

Dated: August 28, 1998.

Jenny L. Saunders,

Realty Officer.

Bureau of Land Management

Applications for Recordable Disclaimers of Interest; Colorado

[C0-935-5420-CO20; COC-61867, COC-39277]

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of proposed issuance of recordable disclaimers of interest.

SUMMARY: The United States of America, pursuant to the provisions of Section 315 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1745), proposes to disclaim all interest in nine patented mining claims in Pitkin County, Colorado, and two patented parcels totaling 20 acres in Montrose County.

DATES: Comments or objections should be received on or before December 10, 1998.

ADDRESSES: Comments or objections should be sent to the Colorado State Director, BLM, 2850 Youngfield Street, Lakewood, Colorado 80215-7093.

FOR FURTHER INFORMATION CONTACT: Andrew J. Senti, BLM Colorado State Office, 303-239-3713.

SUPPLEMENTARY INFORMATION: A deed dated April 21, 1941, from Amos, M.E., and William Bourquin, purported to convey to the United States of America, by donation, the surface only of the following mining claims in Pitkin County: the Baltimore claim in Mineral Survey (M.S.) 3337; the Climax, Idlewilde, Howard Russell, Picnic, and Wilmington claims, constituting all of M.S. 4338; the Robert Lincoln claim in M.S. 6844; the Hayden claim in M.S. 6803; and the Jewell claim in M.S. 4786; all of which are lode claims in section 6, T. 11 S., R. 84 W., and/or section 1, T. 11 S., R. 85 W., of the Sixth Principal Meridian, Colorado, within the White River National Forest. Title to these patented mining claims was not accepted by the United States. However, the deed has created a cloud on the title to the claims, which have since been the subject of numerous conveyances among private landowners.

The two parcels in Montrose County, described as the E $\frac{1}{2}$ NE $\frac{1}{4}$ NE $\frac{1}{4}$ NW $\frac{1}{4}$, N $\frac{1}{2}$ NW $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$, and the SE $\frac{1}{4}$ SW $\frac{1}{4}$ NE $\frac{1}{4}$ of section 31, T. 49 N., R. 8 W., New Mexico Principal Meridian, Colorado, are affected by a scrivener's error in a patent dated July 25, 1925. The statute of limitations within which to correct the error has long since passed, and full title has therefore vested in the patentee and

successors in interest. The present landowner has requested issuance of a recordable disclaimer of interest to further substantiate an unclouded title to his property.

The Bureau of Land Management has determined that the United States has no claim to or interest in the lands in either situation described above and that issuance of the proposed recordable disclaimers of interest will help to remove a cloud on title on the respective claims and lands.

Authority: 43 CFR Part 1864.

Dated: August 28, 1998.

Jenny L. Saunders,

Realty Officer.

Amendment of the Monument Resource Management Plan and Notice of Realty Action: Sale of Public Land in Minidoka County, ID

AGENCY: Bureau of Land Management, Interior.

ACTION: Amendment of the Monument Resource Management Plan and Sale of Public Land in Minidoka County, Idaho.

NOTICE: Notice is hereby given that the Bureau of Land Management has amended the Monument Resource Management Plan to change the land use plan designation of Lots 1 and 2 (34.89 acres) of Section 25, Township 8 South, Range 24 East from the current Management Area (retention) designation to an Adjustment Area (disposal) designation. Notice is also hereby given that the amendment allows only for the sale of lot 2 (2.87 acres) of Section 25, Township 8 South, Range 24 East, at this time.

SUMMARY: The following described public land has been examined and through the public supported land use planning process has been determined to be suitable for disposal by direct sale pursuant to Section 203 of the Federal Land Policy and Management Act of 1976, as amended. The land will not be offered for sale until at least 60 days after the date of publication of this notice in the **Federal Register**.

Boise Meridian, Idaho

T. 8 S., R. 24 E.

Sec. 25: Lot 2.

Comprising 2.87 acres of public land, more or less.

The patent, when issued, will contain a reservation to the United States for ditches and canals and will be subject to existing rights-of-way for a buried telephone cable, a power line, and a county road. Lot 1 of Section 25, Township 8 South, Range 24 East (32.02 acres) will remain in public ownership until such time as it is no longer needed as a sheep trail rest area.

DATES: Upon publication of this notice in the **Federal Register**, the land described above will be segregated from appropriation under the public land laws, including the mining laws, except the sale provisions of the Federal Land Policy and Management Act. The segregative effect will end upon issuance of patent or 270 days from the date of publication, whichever occurs first.

PLANNING PROTEST: Any party that participated in the plan amendment and is adversely affected by the amendment may protest this action only as it affects issues submitted for the record during the planning process. Any protest must be filed within 30 days of the publication of this notice and sent to the following address: Director, Bureau of Land Management, Attention: Ms. Brenda Williams, Protests Coordinator, WO-210/LS-1075, Department of the Interior, Washington D.C. 20240. The Overnight Mail address is: Director, Bureau of Land Management, Attention: Ms. Brenda Williams, Protests Coordinator, (WO-210), 1620 L Street, N.W., Rm. 1075, Washington, D.C. 20036 [Phone: 202-452-5110]. To expedite consideration, in addition to the original sent by mail or overnight mail, a copy of the protest may be sent by FAX to 202-452-5112 or E-mail to bhudgens@wo.blm.gov. The protest shall contain:

1. The mailing address, telephone number, and interest of the person filing the protest.
2. A statement of the issue or issues being protested.
3. A statement of the part or parts of the amendment being protested.
4. A copy of all documents addressing the issue or issues that were submitted during the planning process by the protesting party or an indication of the date the issues were discussed for the record.
5. A concise statement explaining why the decision is believed to be wrong.

DIRECT SALE COMMENTS: For a period of 45 days from the date of publication of this notice in the **Federal Register**, interested parties may submit comments on this notice to the District Manager, Bureau of Land Management, 1405

Hollipark Drive, Idaho Falls, ID, 83401-2100. Objections will be reviewed by the State Director who may sustain, vacate, or modify this realty action. In the absence of any planning protests or objections regarding the land sale, this realty action will become the final determination of the Department of the Interior and the planning amendment will be in effect.

FOR FURTHER INFORMATION CONTACT: Contact Karl Simonson, Realty Specialist, at the Burley Field Office, 15 East 200 South, Burley, ID 83318 or telephone (208)677-6640.

Dated: August 28, 1998.

Tom Dyer,

Snake River Area Manager.

Recreation Regulations Temporarily in Effect on Public Land Adjacent to the North Fork of the Kaweah River

AGENCY: Bureau of Land Management (BLM).

ACTION: Regulations addressing recreational use of BLM land along the North Fork of the Kaweah River under the management of the BLM are established.

SUMMARY: To protect natural resources, prevent wildfires, maintain public health and sanitation, and address occupancy and recreational use of BLM land along the North Fork of the Kaweah River the below regulations are established. These regulations are applicable to BLM land in Township 16 South, Range 28 East, Section 13, 23, 24 and 26, MDM under the management of the BLM, Bakersfield Field Office, California.

RULE: Effective September 1, 1998 and pursuant to 43 CFR 8365.1-6 (Supplementary Rules) the following regulations are in effect on BLM land within Township 16 South, Range 28 East, Sections 13, 23, 24, 26 and 34, MDM under the management of the BLM, Bakersfield Field Office.

1. Camping, parking of vehicles, occupancy or placing private property on BLM land within 500 feet of the North Fork of the Kaweah River or within 200 feet of the North Fork Drive is prohibited between the hours of 10:00 PM to 5:00 AM. However, the Authorized Officer and authorized representatives of the BLM may grant

organized groups use of the area consistent with the regulations listed below.

2. Only portable stoves using gas, jellied petroleum or pressurized liquid fuel or charcoal grills may be used for cooking. Used charcoal may not be dumped or discarded onto the ground or into the river. Campfires, warming or cooking fires using wood, vegetation or any other substance, except as described above, are prohibited. Building, maintaining, attending or using any fire other than the above described stove or grill is prohibited. Any emergency fire restriction established by the authorized officer or any government agency of proper jurisdiction will supersede the above upon appropriate signature or required publication.

3. All papers, plastic and paper bags or wrappers must be controlled to prevent their being blown away from the immediate control of their owner. All garbage or food residue such as egg shells, peelings, pits or other waste must be placed in an appropriate container pending proper disposal. Picnic sites must be kept free of refuse. All refuse must be placed into an appropriate container or litter bag pending proper disposal. Refuse means trash, garbage, rubbish, waste papers, empty bottles or cans, debris, litter, oil, solvents, liquid waste, diapers or other items of personal hygiene, or any other discarded materials.

4. The spilling, placing, pumping or other discharge of contaminants, pollutants or other wastes, including human waste, on the ground or into the Kaweah River is prohibited. Used diapers must be placed into an appropriate receptacle as soon as practical and may not be stored or placed within 40 feet of the North Fork of the Kaweah River.

5. The consumption or possession of alcoholic beverages is prohibited on the above defined BLM land. This does not apply to unopened containers in vehicles traveling through BLM land on roads maintained by Tulare County or the State of California.

SUPPLEMENTARY INFORMATION: These regulations have been effected to curtail the considerable accumulation of refuse and waste on public land adjacent to the North Fork of the Kaweah River. The area receives considerable recreational use in limited accessible locations. Public health and safety, sanitation and the pollution of water resources are of concern.

Nothing herein is intended to in any way restrict or prevent access to or use of private property within the designated area. Public officers or
