Notice of Lodging of Consent Decree Pursuant to the Clean Water Act

In accordance with Departmental Policy, 28 CFR 50.7, notice is hereby given that a proposed Final Consent Decree in *United States v. William J. Hall, et al.*, Civil No. 2:97-0169-12 (D.S.C.), was lodged with the United States District Court for the District of South Carolina on July 20, 1998. The proposed Decree concerns alleged violations of sanctions 301(a) and 404 of the Clean Water Act, 33 U.S.C. §§ 1311(a) and 1344, resulting from Defendants' unauthorized excavation, mechanized land-clearing and filling activities in approximately 30.7 acres of wetlands. The violations occurred primarily in connection with Defendants' construction of a private, dirt airstrip for personal use and a hanger/equipment storage facility in palustrine-forested wetlands near the Town of Ravenel, in Charleston County, South Carolina.

The proposed Final Consent Decree would require the payment of a \$120,000 civil penalty and implementation of a Corps-approved restoration and mitigation plan. The plan would provide for the restoration, enhancement and preservation of all the impacted wetlands except for approximately 6.0 acres near the hanger building. Additional acreage would be preserved in mitigation for the unrestored area.

The U.S. Department of Justice will receive written comments relating to the proposed Consent Decree for a period of thirty (30) days from the date of publication of this notice. Comments should be addressed to R. Emery Clark, Assistant United States Attorney, District of South Carolina, 1441 Main Street, Suite 500, Columbia, SC 29201, and should refer to *United States v. BILLING CODE 4410-15-M

DEPARTMENT OF JUSTICE

Notice of Lodging of Consent Decree Pursuant to the Comprehensive Environmental Response, Compensation and Liability Act

In accordance with 28 CFR 50.7 and Section 122 of the Comprehensive Response, Compensation and Liability Act ("CERCLA"), 42 U.S.C. § 9622, the Department of Justice gives notice that a proposed consent decree in *United States v. Harold Shane, et al.*, Civil No. 90-0102-C (S.D. Ohio), was lodged with the United States District Court for the Southern District of Ohio on August 28, 1998, pertaining to the Arcanum Iron & Metal Superfund Site (the "Site"), Arcanum, Twin Township, Darke County, Ohio. The proposed consent decree would resolve the United States' civil claims against four third-party and fourth-party defendants named in this action.

Under the proposed consent decree, three settling defendants, alleged generators who were not named in the original United States' 1990 cost recovery complaint, will be obligated to perform and finance a \$5.8 million remedy at the Site, pay up to \$150,000 in U.S. EPA's future response costs, and reimburse the Superfund for \$201,832 of the United States' past costs of approximately \$3 million. In addition, a fourth de minimis settling defendant, also an alleged generator not named in the United States' complaint, will be obligated to pay \$53,842 to the Superfund in reimbursement of the United States' past costs at the Site.

The Arcanum Iron & Metal Site is a 4.5 acre parcel of land that operated as a battery salvaging and reprocessing facility from approximately 1964 to 1982. Site activities resulted in contamination of soil, surface waters, structures and sediments with high levels of lead and other hazardous substances. In addition, large volumes of contaminated plastic and rubber battery casing chips accumulated at the Site. The Site will be remediated under the proposed consent decree. The remedy to be implemented by the three settling defendants consists of the following actions: (1) Demolition and decontamination of on-Site structures; (2) Excavation and treatment of approximately 44,000 cubic yards of lead-contaminated soil and 4,000 cubic yards of battery casing chips; (3) Excavation and treatment of contaminated sediment on-Site; (4) Backfilling of excavated areas with clean soil and revegetation; and (5) Extensive groundwater monitoring.

The Department of Justice will receive, for a period of thirty (30) days from the date of this publication, comments relating to the proposed consent decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resource Division, United States Department of Justice, Washington, DC 20530, and should refer to *United States v. Harold Shane et al.*, Civil No. 90-0102-C (S.D. Ohio), and DOJ Reference No. 90-11-3-504. Commenters may request an opportunity for a public meeting in the affected area, in accordance with Section 7003(d) of RCRA, 42 U.S.C. § 6973(d).

The proposed consent decree may be examined at: (1) the Office of the United States Attorney for the Southern District of Ohio, Federal Building, Room 602, 200 W. Second St., Dayton, Ohio 45400 (937-225-2910); (2) the United States Environmental Protection Agency (Region 5), 77 West Jackson Boulevard, Chicago, Illinois 60604-3590 (contact Richard Murawski (312-886-6721)); and (3) the U.S. Department of Justice, Environment and Natural Resources Division Consent Decree Library, 1120 G Street, NW, 4th Floor, Washington, DC 20005 (202-624-0892). A copy of the proposed consent decree may be obtained in person or by mail from the Consent Decree Library, 1120 G Street, NW, 4th Floor, Washington, DC 20005. In requesting a copy, please refer to the referenced case and DOJ Reference Number and enclose a check in the amount of \$26.75 for the consent decree only (107 pages at 25 cents per page reproduction costs), or \$72.25 for the consent decree and all appendices (289 pages), made payable to the Consent Decree Library.
