Atlanta Gas Light Company; Notice of Compliance Filing

September 16, 1998.

Take notice that on August 31, 1998, Atlanta Gas Light Company (Atlanta) hereby notifies the Commission that it accepts the limited-term, limited-jurisdiction blanket certificate of public convenience and necessity issued by the Commission in the above-referenced proceeding by order dated July 31, 1998, which authorizes Atlanta to provide Rate Schedule IBSS service when it unbundles its retail natural gas services on November 1, 1998, or the Rate Schedule IBSS commences.

Atlanta states that pursuant to ordering Paragraph (C) of the July 31 order, Atlanta encloses Rate Schedule IBSS and the related terms of service that are part of Atlanta's tariff approved by the Georgia Public Service Commission (GPSC) on June 30, 1998.

Equitrans, L.P.; Notice of Proposed Changes in FERC Gas Tariff

September 16, 1998.

Take notice that on September 11, 1998, Equitrans, L.P. (Equitrans) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following revised tariff sheet to become effective August 1, 1998:

Fifth Revised Sheet No. 10

Equitrans states that the filing implements a reduction in retainage factors to .65% for storage services and 3.25% for transportation services effective August 1, 1998. Equitrans states that the retainage factors proposed in this filing have been agreed to by Equitrans and its customers as part of a comprehensive rate case settlement in Docket No. RP97-346.

Equitrans states that it filed tariff sheets herein on July 31, 1998 proposing to implement the retainage levels agreed upon in the settlement effective September 1, 1998, claiming that it would achieve the agreed-upon retainage levels for the month of August through a discount and waiver of its currently-effective retainage levels applicable to all shippers on a non-discriminatory basis. The Commission approved the tariff filing on August 31, but instructed Equitrans to file a tariff sheet effective August 1, 1998 providing for those lower retainage factors. Equitrans states that this filing is made in compliance with the Commission's order.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Copies of this filing are on file with the Commission and are available for public

inspection in the Public Reference Room.

Florida Gas Transmission Company; Notice of Compliance Filing

September 16, 1998.

Take notice that on September 10, 1998, Florida Gas Transmission Company (FGT) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, effective September 17, 1998, the following tariff sheet:

Fourth Revised Sheet No. 129

FGT states that on September 3, 1998, it made a filing in Docket No. RP98-396-000 (September 3 Filing) to modify Section 13.D of the General Terms and Conditions of its Tariff to provide that each time FGT invokes an Alert Day, it will post the Tolerance Percentage which would apply prior to recording volumes in the Alert Day Account. The September 3 Filing also requested expedited approval to make the tariff changes effective September 17, 1998 because FGT believes the proposed changes will benefit all shippers on the system during a time of reduced flexibility due to a force majeure event at FGT's Compressor Station 15 on August 14, 1998.

FGT further states that on September 9, 1998, the Commission issued a Letter Order (September 9 Order) indicating the September 3 Filing contained a duplicately numbered tariff sheet, Third Revised Sheet No. 129, already on file. Revisions to Sheet No. 129 were previously submitted and paginated as Third Revised Sheet No. 129 on August 30, 1996 in Docket No. RP96-366-000. However, this tariff sheet was subsequently withdrawn pursuant to the Stipulation and Agreement in Docket No. RP96-366-002 approved by Commission Order issued January 16, 1997. The September 9 Order states that the Commission's Pagination Guidelines prohibit such duplication and requires FGT to formally resubmit Sheet No. 129 within one work day. FGT is making the instant filing in compliance with the September 9 Order.

Any person desiring to protest this filing should file a protest with the
