SUPPLEMENTARY INFORMATION:

Proposed Project

"Voluntary Customer Satisfaction Survey Generic Clearance for the

Agency for Health Care Policy and Research."

In response to Executive Order 12862, the Agency for Health Care Policy and Research (AHCPR) plans to conduct voluntary customer satisfaction surveys to assess strengths and weaknesses in program services. Customer satisfaction surveys to be conducted by AHCPR may include readership surveys from individuals using AHCPR automated and electronic technology data bases to determine satisfaction with the information provided or surveys to assess effects of the grants streamlining efforts. Results of these surveys will be used in future program planning initiatives and to redirect resources and efforts, as needed, to improve AHCPR program services. A generic approval will be requested from OMB to conduct customer satisfaction surveys over the next three years.

Method of Collection

The data will be collected using a combination of preferred methodologies appropriate to each survey. These methodologies are:

- Evaluation forms;
- Mail surveys;
- Automated and electronic technology (e.g., instant fax, AHCPR Clearinghouse publications); and
- Telephone surveys

The estimated annual hour burden is as follows:

Type of survey	Number of respondents	Average burden/re-sponse	Total hours of burden
Mail/Telephone Surveys	23,100	0.25	5,755
Focus Groups	72	2.0	144
Totals	23,172	.255	5,919

Request for Comments

Comments are invited on: (a) the necessity of the proposed collection; (b) the accuracy of the Agency's estimate of burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information upon the respondents, including the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or

included in the request for OMB approval of this information collection.

Copies of these proposed collection plans and instruments can be obtained from the AHCPR Reports Clearance Officer (see above).
