National Food Safety Research Conference

AGENCY: Cooperative State Research, Education, and Extension Service; and Agricultural Research Service, USDA.

ACTION: Notice of National Food Safety Research Conference.

SUMMARY: Section 615 of the Agricultural Research, Extension, and Education Reform Act of 1998, specifies that "the Secretary shall sponsor a conference to be known as the National Conference on Food Safety Research, for the purpose of beginning the task of prioritization of food safety research. The Secretary shall sponsor annual workshops in each of the subsequent 4 years after the conference so that priorities can be updated or adjusted to reflect changing food safety concerns." By this notice the Cooperative State Research, Education, and Extension Service (CSREES) and the Agricultural Research Service (ARS) announce a National Food Safety Research Conference which is planned to solicit comment for setting priorities of USDA food safety research programs. The goal of the conference will be to identify the gaps in the knowledge base of safe food production, processing, handling, storage and preparation.

All food products which are considered to be significant sources of food-borne illness will be addressed at the conference—meat, poultry, eggs, milk, fresh fruits, vegetables, and other plant-based foods.

The agencies seek broad input from producers, processors, food handlers, consumers, and regulatory agencies who are users of food safety research information.

Day 1 will consist of presentations from the public research community profiling current food safety research programs throughout the pre- and post-harvest, transport, handling and storage, and retail/consumer components of the food chain.

Day 2 will be devoted to receiving individual commentary and input from stakeholders on research needs and priorities for future food safety research. Input is sought primarily from organizations which represent broad constituencies and can speak to the national priorities.

DATES: The meeting will be held on Thursday, November 12, and Friday, November 13, 1998, from 8:00 a.m. to 6 p.m. each day.

ADDRESSES: The conference will be held at the Ramada Plaza Hotel Old Town, 901 N. Fairfax Street, Alexandria, Virginia 22314.

FOR FURTHER INFORMATION CONTACT: Individuals or organizations who wish to make oral presentations during the comment session on November 13, 1998, are asked to pre-register by contacting Dr. Jennifer Kuzma in writing indicating the organization and area(s) of food safety issues which you wish to address. Please send your written request to Dr. Jennifer Kuzma, USDA-CSREES, STOP 2220, 1400 Independence Avenue, SW, Washington, DC 20250-2220, e-mail to jkuzma@reeusda.gov, phone: 202/401-6223, or fax: 202-401-4888.

It is anticipated that individual oral comments will not exceed five minutes. Written comments are welcome and should be sent to Dr. Kuzma at the above address either prior to the meeting or to be received no later than December 1, 1998.
