EXECUTIVE OFFICE OF THE PRESIDENT

Office of National Drug Control Policy

AGENCY: Executive Office of the President, Office of National Drug Control Policy.

ACTION: Notice.

SUMMARY: This notice lists one (1) new High Intensity Drug Trafficking Area designated by the Director of National Drug Control Policy.

FOR FURTHER INFORMATION CONTACT: Comments and questions regarding this notice should be directed to Mr. Richard Y. Yamamoto, Director, HIDTA, Office of National Drug Control Policy, Executive Office of the President, Washington, D.C. 20503; 202-395-6755.

SUPPLEMENTARY INFORMATION: In 1990, the Director of ONDCP designated the first five HIDTAs. These original HIDTAs, areas through which most illegal drugs enter the United States, are the Southwest Border, Houston, Los Angeles, New York/New Jersey, and South Florida. In 1994, the Director designated the Washington/Baltimore HIDTA to address the extensive drug distribution networks serving hardcore drug users. Also in 1994, the Director designated Puerto Rico/U.S. Virgin Islands as a HIDTA based on the significant amount of drugs entering the United States through this region. In 1995, the Director designated three more HIDTAs in Atlanta, Chicago, and Philadelphia/Camden to target drug abuse and drug trafficking in those areas.

HIDTAs are domestic regions identified as having the most critical

drug trafficking problems that adversely affect the United States. These new counties are designated pursuant to 21 U.S.C. 1504(c), as amended, to promote more effective coordination of drug control efforts. This action will support local, state and federal law enforcement officers in assessing regional drug threats, designing strategies to combat the threats, developing initiatives to implement the strategies, and evaluation of the effectiveness of these coordinated efforts.

HIDTAs support over 250 co-located officer/agent task forces in twenty regions of the country, including the entire Southwest Border. The HIDTA program strengthens mutually supporting local, state, and federal drug trafficking and money laundering task forces, bolsters information analysis and sharing networks and, improves integration of law enforcement, drug treatment and drug abuse prevention programs.

Seven new HIDTAs were designated in 1997. They are: the Detroit, Michigan HIDTA, the Gulf Coast HIDTA (includes parts of Alabama, Louisiana, and Mississippi); the Lake County, Indiana HIDTA, the Midwest HIDTA (includes parts of Iowa, Kansas, Missouri, Nebraska, and South Dakota, with focus on methamphetamine); the Northwest HIDTA (includes seven counties of Washington State); the Rocky Mountain HIDTA (includes parts of Colorado, Utah, and Wyoming) and the San Francisco Bay Area HIDTA. Earlier this year, the Director designated the Milwaukee, Wisconsin HIDTA, Appalachia HIDTA (includes 26 counties in Kentucky, 11 counties in West Virginia and 28 counties in Tennessee) and Central Florida HIDTA (includes six counties in Florida) as the three latest HIDTAs.

The new North Texas HIDTA encompasses the cities of Dallas and Fort Worth, the surrounding counties of Collin, Dallas, Denton, Ellis, Henderson, Hood, Hunt, Johnson, Lubbock, Kaufman, Parker, Rockwall and Tarrant, Texas and all the municipalities therein.

Signed at Washington, DC this 31st day of August, 1998.

Barry R. McCaffrey,

Director.
