

p.m., the meeting is open to the public. Interested persons may present data, information, or views, orally or in writing, on issues pending before the committee. Written submissions may be made to the contact person by February 4, 1998. Oral presentations from the public will be scheduled between approximately 10 a.m. and 11:15 a.m. on February 12, 1998, and between approximately 10:15 a.m. and 10:45 a.m. on February 13, 1998. Time allotted for each presentation may be limited. Those desiring to make formal oral presentations should notify the contact person before February 4, 1998, and submit a brief statement of the general nature of the evidence or arguments they wish to present, the names and addresses of proposed participants, and an indication of the approximate time requested to make their presentation.

**Closed Committee Deliberations:** On February 13, 1998, from 9:30 a.m. to 10 a.m., the meeting will be closed to permit discussion and review of trade secret and/or confidential information (5 U.S.C. 552b(c)(4)). FDA staff will present to the committee trade secret and/or confidential commercial information regarding pending and future device submissions.

FDA regrets that it was unable to publish this notice 15 days prior to the February 12 and 13, 1998, Microbiology Devices Panel of the Medical Devices meeting. Because the agency believes there is some urgency to bring these issues to public discussion and qualified members of the Microbiology Devices Panel of the Medical Devices were available at this time, the Commissioner concluded that it was in the public interest to hold this meeting even if there was not sufficient time for the customary 15-day public notice.

Notice of this meeting is given under the Federal Advisory Committee Act (5 U.S.C. app. 2).

Dated: January 26, 1998.

*Deputy Commissioner for Operations.*

## DEPARTMENT OF HEALTH AND HUMAN SERVICES

### Substance Abuse and Mental Health Services Administration

#### Current List of Laboratories Which Meet Minimum Standards To Engage in Urine Drug Testing for Federal Agencies, and Laboratories That Have Withdrawn From the Program

**AGENCY:** Substance Abuse and Mental Health Services Administration, HHS

**ACTION:** Notice.

**SUMMARY:** The Department of Health and Human Services notifies Federal agencies of the laboratories currently certified to meet standards of Subpart C of Mandatory Guidelines for Federal Workplace Drug Testing Programs (59 FR 29916, 29925). A similar notice listing all currently certified laboratories will be published during the first week of each month, and updated to include laboratories which subsequently apply for and complete the certification process. If any listed laboratory's certification is totally suspended or revoked, the laboratory will be omitted from updated lists until such time as it is restored to full certification under the Guidelines.

If any laboratory has withdrawn from the National Laboratory Certification Program during the past month, it will be identified as such at the end of the current list of certified laboratories, and will be omitted from the monthly listing thereafter.

This Notice is now available on the internet at the following website: <http://www.health.org>

**FOR FURTHER INFORMATION CONTACT:** Mrs. Giselle Hersh or Dr. Walter Vogl, Division of Workplace Programs, Room 13A-54, 5600 Fishers Lane, Rockville, Maryland 20857; Tel.: (301) 443-6014.

**SUPPLEMENTARY INFORMATION:** Mandatory Guidelines for Federal Workplace Drug Testing were developed in accordance with Executive Order 12564 and section 503 of Pub. L. 100-71. Subpart C of the Guidelines, "Certification of Laboratories Engaged in Urine Drug Testing for Federal Agencies," sets strict standards which laboratories must meet in order to conduct urine drug testing for Federal agencies. To become certified an applicant laboratory must undergo three rounds of performance testing plus an on-site inspection. To maintain that certification a laboratory must participate in a quarterly performance testing program plus periodic, on-site inspections.

Laboratories which claim to be in the applicant stage of certification are not to be considered as meeting the minimum requirements expressed in the HHS Guidelines. A laboratory must have its letter of certification from SAMHSA, HHS (formerly: HHS/NIDA) which attests that it has met minimum standards.

In accordance with Subpart C of the Guidelines, the following laboratories meet the minimum standards set forth in the Guidelines:

**SUPPLEMENTARY INFORMATION:** The Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act 1997 (Pub. L. 104-204, 110 Stat. 2874; approved September 26, 1996) (FY 1997 Appropriations) set aside sixty

(\$60) million for the FY 1997 ED/SS program.

Five (\$5) million of the sixty (\$60) million available under the ED/SS set-aside was further allocated to the Tenant Opportunities Program (TOP) for FY 1997. Of the remaining fifty-five (\$55) million available for the ED/SS program, the following was set-aside: —\$5 million for the Moving to Work Demonstration; —\$250,000 to the community of St. Petersburg, Florida for a self-sufficiency program for public housing residents (as part of a package of assistance in response to the civil disturbances in St. Petersburg); —\$2.5 million to be used in conjunction with funding from the Department of Health and Human Services for a Resident Uplift and Economic Development Program; and —\$5 million for service coordinators, administered by the Office of Housing.

The remaining \$42.25 was made available for the purposes of providing grants to Public Housing Agencies and Indian Housing Authorities to enable them to establish and implement programs that increase resident self-sufficiency and support continued independent living for elderly and disabled residents.

On June 6, 1997 (62 FR 31272), HUD published a Notice of Funding Availability (NOFA) that announced \$42.25 million in ED/SS funds. The NOFA was amended as follows.

—July 17, 1997 (62 FR 38318). Corrected the maximum grant amounts for Elderly and Disabled Supportive Services; clarified the ineligible activities and cost items; and announced a \$1,000,000 set-aside to the Seminole Tribe of Florida (which was not funded in the FY 1996 funding cycle because of a technical computation error).

Accordingly, this document announces the recipients that were reviewed and evaluated in accordance with ranking factors set forth in the NOFA published June 6, 1997, and that funding to the Seminole Tribe of Florida was made in accordance with the amendment notice published July 17, 1997.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545) the Department is publishing details regarding recipients of funding awards. This information is provided in Appendix A to this document. The list of recipients may also be found on the internet site
