Energizer Power Systems, Eveready Battery Company, Gainesville, FL; Amended Certification Regarding Eligibility To Apply For Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the U.S. Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 28, 1998 applicable to all workers of Energizer Power Systems located in Gainesville, Florida. The notice was published in the **Federal**

Register on September 28, 1998 (63 FR 51605).

At the request of the State agency, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of rechargeable batteries. The intent of the Department's certification is to include all workers of Energizer Power Systems who were adversely affected by increased imports of rechargeable batteries.
