SUPPLEMENTARY INFORMATION:

Background

On October 16, 1980, the Department of Commerce issued a countervailing duty order on imports of iron metal castings from India (45 F.R. 68650). The Department of Commerce issued antidumping duty orders on imports of iron construction castings from Canada on March 5, 1986 (51 F.R. 7600) and from Brazil and China on May 9, 1986 (51 F.R. 17220). On May 15, 1986, the Department of Commerce issued a countervailing duty order on imports of heavy iron construction castings from Brazil (51 F.R. 17786). The Commission is conducting reviews to determine whether revocation of the orders would be likely to lead to continuation or recurrence of material injury to the domestic industry within a reasonably foreseeable time.

Definitions

The following definitions apply to these reviews:

(1) Subject Merchandise is the class or kind of merchandise that is within the scope of the five-year reviews, as defined by the Department of Commerce.

(2) The Subject Countries in these reviews are Brazil, Canada, China, and India.

(3) The Domestic Like Product is the domestically produced product or products which are like, or in the absence of like, most similar in characteristics and uses with, the Subject Merchandise. In its original determination concerning iron metal castings from India, the Commission found one Domestic Like Product consisting of manhole covers and frames, catch-basin grates and frames, and cleanout covers and frames. In its original determinations concerning iron construction castings from Brazil, Canada, and China, the Commission found two separate Domestic Like Products: "heavy" and "light" iron construction castings. One Commissioner defined the Domestic Like Products differently.

(4) The Domestic Industry is the U.S. producers as a whole of the Domestic Like Product, or those producers whose collective output of the Domestic Like

Product constitutes a major proportion of the total domestic production of the product. In its original determination concerning iron metal castings from India, the Commission found one Domestic Industry consisting of producers of manhole covers and frames, catch-basin grates and frames, and cleanout covers and frames with two out of the four Commissioners in the majority finding a regional market located in the Western United States. One Commissioner defined the Domestic Industry differently. In its original determinations concerning iron construction castings from Brazil, Canada, and China, the Commission found two separate Domestic Industries, one producing "heavy" and one producing "light" iron construction castings. One Commissioner defined the Domestic Industries differently.

(5) The Order Dates are the dates that the countervailing and antidumping duty orders under review became effective. In the review concerning iron metal castings from India, the Order Date is October 16, 1980. In the review concerning iron construction castings from Canada the Order Date is March 5, 1986. In the reviews of the antidumping duty orders concerning iron construction castings from Brazil and China the Order Date is May 9, 1986. In the review of the countervailing duty order concerning heavy iron construction castings from Brazil the Order Date is May 15, 1986.

(6) An Importer is any person or firm engaged, either directly or through a parent company or subsidiary, in importing the Subject Merchandise into the United States from a foreign manufacturer or through its selling agent.

Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI submitted in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made no later than 21 days after publication of this notice in the **Federal Register**. Authorized applicants must represent interested parties, as defined in 19 U.S.C. § 1677(9), who are parties to the reviews. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Certification

Pursuant to section 207.3 of the Commission's rules, any person submitting information to the Commission in connection with these reviews must certify that the information is accurate and complete to the best of the submitter's knowledge. In making the certification, the submitter will be deemed to consent, unless otherwise specified, for the Commission, its employees, and contract personnel to use the information provided in any other reviews or investigations of the same or comparable products which the Commission conducts under Title VII of the Act, or in internal audits and investigations relating to the programs and operations of the Commission pursuant to 5 U.S.C. Appendix 3.

Pursuant to section 207.62(b) of the Commission's rules, eligible parties (as specified in Commission rule 207.62(b)(1)) may also file comments concerning the adequacy of responses to the notice of institution and whether the Commission should conduct expedited or full reviews. The deadline for filing such comments is January 14, 1999. All written submissions must conform with the provisions of sections 201.8 and 207.3 of the Commission's rules and any submissions that contain BPI must also conform with the requirements of sections 201.6 and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means. Also, in

accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or APO service list as appropriate), and a certificate of service must accompany the document (if you are not a party to the reviews you do not need to serve your response).

If an interested party does not provide this notification (or the Commission finds the explanation provided in the notification inadequate) and fails to provide a complete response to this notice, the Commission may take an adverse inference against the party pursuant to section 776(b) of the Act in making its determinations in the reviews.
