Organizations which have not previously been certified that are interested in submitting nominations must complete and submit an official application form to AMS. Previously certified organizations do not need to reapply. Notice is also given that vacancies will occur on the Board and that during a period to be established, nominations will be accepted from eligible organizations and individual importers.

DATES: Applications for certification must be received by close of business March 9, 1998.

ADDRESSES: Certification forms as well as copies of the certification and nomination procedures may be requested from Ralph L. Tapp, Chief; Marketing Programs Branch-STOP 0251; Livestock and Seed Program; AMS, USDA, Room 2606-S; P.O. Box 96456; Washington, D.C. 20090-6456.

FOR FURTHER INFORMATION CONTACT: Ralph L. Tapp, Chief, Marketing Programs Branch on 202/720-1115.

SUPPLEMENTARY INFORMATION: The Beef Promotion and Research Act of 1985 (Act) (7 U.S.C. 2901 *et seq.*), enacted December 23, 1985, authorizes the implementation of a Beef Promotion and Research Order (Order). The Order, as published in the July 18, 1986, **Federal Register** (51 FR 26132), provides for the establishment of a Board. The current Board consists of 104 cattle producers and 7 importers appointed by the

Secretary. The duties and responsibilities of the Board are specified in the Order.

The Act and the Order provide that the Secretary shall either certify or otherwise determine the eligibility of State or importer organizations or associations to nominate members to the Board to ensure that nominees represent the interests of cattle producers and importers. Nominations for importer representatives may also be made by individuals who import cattle, beef, or beef products. Individual importers do not need to be certified as eligible to submit nominations. When individual importers submit nominations, they must establish to the satisfaction of the Secretary that they are in fact importers of cattle, beef, or beef products, pursuant to § 1260.143(b)(2) of the Order (7 CFR 1260.143(b)(2)). Individual importers are encouraged to contact AMS at the above address to obtain further information concerning the nomination process including the beginning and ending dates of the established nomination period and required nomination forms and background information sheets. Certification and nomination procedures were promulgated in the final rule, published in the April 4, 1986, **Federal Register** (51 FR 11557) and currently appear at 7 CFR § 1260.500 through § 1260.640. Organizations which have previously been certified to nominate members to the Board do not need to reapply for certification to nominate producers and importers for the existing vacancies.

The Act and the Order provide that the members of the Board shall serve for terms of 3 years. The Order also requires USDA to announce when a Board vacancy does or will exist. The following States have one or more members whose terms will expire in early 1999:

State or unit	Number of vacancies
North Dakota	1
Ohio	1
Oklahoma	2
Pennsylvania	1
South Dakota	1
Tennessee	1
Texas	5
Virginia	1
Wisconsin	1
Northwest Unit	1
Western Unit (Oregon-Nevada Region)	1
Importer Unit	1

Since there are no anticipated vacancies on the Board for the remaining States' positions, or for the positions of the Northeast and Mid-Atlantic units, nominations will not be solicited from certified organizations or associations in those States or units.

Uncertified eligible producer organizations in all States that are interested in being certified as eligible to nominate cattle producers for appointment to the listed producer positions, must complete and submit an official "Application for Certification of Organization or Association," which must be received by March 20, 1998. Uncertified eligible importer organizations that are interested in being certified as eligible to nominate importers for appointment to the listed importer positions must apply by the same date. Importers should not use the application form but should provide the requested information by letter as provided for in 7 CFR § 1260.540(b). Applications from States or units without vacant positions on the Board and other applications not received within the 30-day period after publication of this notice in the **Federal Register** will be considered for eligibility to nominate producers or importers for subsequent vacancies on the Board.

Only those organizations or associations which meet the criteria for certification of eligibility promulgated at 7 CFR § 1260.530 are eligible for certification. Those criteria are:

- (a) For State organizations or associations:
 - (1) Total paid membership must be comprised of at least a majority of cattle producers or represent at least a majority of cattle producers in a State or unit.
 - (2) Membership must represent a substantial number of producers who produce a substantial number of cattle in such State or unit.
 - (3) There must be a history of stability and permanency.

(4) There must be a primary or overriding purpose of promoting the economic welfare of cattle producers.

(b) For organizations or associations representing importers, the determination by the Secretary as to the eligibility of importer organizations or associations to nominate members to the Board shall be based on applications containing the following information:

(1) The number and type of members represented (i.e., beef or cattle importers, etc.).

(2) Annual import volume in pounds of beef and beef products and/or the number of head of cattle.

(3) The stability and permanency of the importer organization or association.

(4) The number of years in existence.

(5) The names of the countries of origin for cattle, beef, or beef products imported.

All certified organizations and associations, including those which were previously certified in the States or units having vacant positions on the Board, will be notified simultaneously in writing of the beginning and ending dates of the established nomination period and will be provided with required nomination forms and background information sheets.

The names of qualified nominees received by the established due date will be submitted to the Secretary of Agriculture for consideration as appointees to the Board.

The information collection requirements referenced in this notice have been previously approved by the Office of Management and Budget (OMB) under the provisions of 44 U.S.C., Chapter 35 and have been assigned OMB No. 0581-0093, except Board member nominee information sheets are assigned OMB No. 0505-0001.
