

light of the President's June 1998 withdrawal of all Marine Sanctuaries from oil and gas leasing. The proposed action includes existing regulations and proposed lease stipulations designed to reduce environmental risks. The EA will also analyze alternatives to exclude blocks near biologically sensitive topographic features, as well as the no action alternative. The MMS may also consider deferring blocks beyond the U.S. Exclusive Economic Zone, in the area referred to as the northern portion of the Western Gap, as talks between the U.S. and Mexico are currently underway regarding the establishment of a continental shelf boundary in this area. The analysis in the EA will reexamine the potential environmental effects of the proposal and alternatives based on any new information regarding potential impacts and issues that was not available at the time the Final EIS was prepared.

The MMS requests interested parties to submit comments regarding any such new information or issues that should be addressed in the EA to Minerals Management Service, Gulf of Mexico OCS Region, Office of Leasing and Environment, Attention: Regional Supervisor (MS 5400), 1201 Elmwood Park Boulevard, New Orleans, Louisiana 70123-2394 by December 7, 1998. After completion of the EA, MMS will determine whether to prepare a Finding of No New Significant Impact (FONNSI) or a supplemental EIS. The MMS will then prepare and send consistency determinations to the affected States to determine whether the proposed sale is consistent with federally-approved State coastal zone management programs, and will send a proposed Notice of Sale to the Governors for their comments on the size, timing, and location of the proposed sale. The tentative schedule for the steps in the prelease decision process for Sale 174 are listed below:

Comments due to MMS, December 7, 1998;

EA/FONNSI or Supplemental EIS, March 1999;

Proposed Notice of Sale sent to Governors, March 1999;

Consistency Determinations sent to States, March 1999;

Final Notice of Sale in **Federal Register**, July 1999;

Sale, August 1999.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-380 Enforcement Proceeding]

Certain Agricultural Tractors Under 50 Power Take-Off Horsepower; Notice of Referral of Formal Enforcement Proceeding to an Administrative Law Judge for Issuance of an Initial Determination

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has referred the formal enforcement proceeding instituted on September 28, 1998, in the above-captioned investigation to an administrative law judge for appropriate proceedings and the issuance of an initial determination.

FOR FURTHER INFORMATION CONTACT: Shara L. Aranoff, Esq., Office of the General Counsel, U.S. International Trade Commission, telephone 202-205-3090.

SUPPLEMENTARY INFORMATION: On February 25, 1997, at the conclusion of the original investigation, the Commission issued, inter alia, cease and desist orders directed to respondents Gamut Trading Co., Inc. and Gamut Imports. The cease and desist orders prohibit Gamut Trading Co., Inc. and Gamut Imports, as well as their "principals, stockholders, officers, directors, employees, agents, licensees, distributors, controlled (whether by stock ownership or otherwise) and/or majority-owned business entities, successors and assigns," from importing or selling for importation into the United States, or selling, marketing, distributing, offering for sale, or otherwise transferring (except for exportation) in the United States agricultural tractors under 50 power take-off horsepower manufactured by Kubota Corporation of Japan that infringe the KUBOTA trademark.

On July 16, 1998, Kubota Corporation, Kubota Tractor Corporation, and Kubota Manufacturing of America Corporation (collectively "Kubota"), complainants in the original investigation, filed a complaint seeking institution of a formal enforcement proceeding against Gamut Trading Co., Inc., Gamut Imports, Ronald A. DePue (Chief Executive Officer and Chairman of the Board of Directors of Gamut Trading), and Darrel J. Du Puy (Chief Financial Officer, President, and member of the Board of Directors of Gamut Trading) (collectively "the Gamut respondents"), alleging that they are violating the cease and desist orders. Kubota supplemented its complaint on August 26, 1998. On September 28, 1998, the Commission issued an order instituting a formal enforcement proceeding and instructing the Secretary to transmit the enforcement proceeding complaint to the Gamut respondents and their counsel for a response. On October 19, 1998, the Gamut respondents filed a joint response to the enforcement complaint denying violation of any of

the Commission's remedial orders and infringement of the KUBOTA trademark, asserting that the Commission lacks jurisdiction to address the enforcement complaint, and requesting that the Commission strike the complaint as "meritless" and order Kubota to pay the Gamut respondents \$100,000.

Having examined the Gamut respondents' response to the formal enforcement proceeding complaint filed by Kubota, and having found that issues concerning possible violation of the Commission's cease and desist orders remain, the Commission determined to refer the enforcement proceeding to Judge Paul J. Luckern for issuance, no later than six (6) months from the date of the Commission Order referring this matter, of an initial determination concerning whether Gamut Trading Co., Inc., Gamut Imports, Ronald A. DePue, and/or Darrel J. Du Puy are in violation of one or more of the Commission's cease and desist orders.

This action is taken under the authority of section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and section 210.75 of the Commission's Rules of Practice and Procedure (19 CFR 210.75).

Copies of the Commission's Order and all other nonconfidential documents filed in connection with this enforcement proceeding are or will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street, S.W., Washington, D.C. 20436, telephone 202-205-2000. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on 202-205-1810. General information concerning the Commission may also be obtained by accessing its Internet server (<http://www.usitc.gov>).

Issued: October 28, 1998.

By order of the Commission.

Donna R. Koehnke,

Secretary.
