November 9, 1998.

Take notice that on November 2, 1998, Southern Natural Gas Company (Southern), Post Office Box 2563, Birmingham, Alabama 35202-2563, filed in Docket No. CP99-48-000, a request pursuant to §§ 157.205 and 157.212 of the Commission's regulations under the Natural Gas Act (18 CFR 157.205 and 157.212) for authorization to construct and operate a delivery point, including measurement and appurtenant facilities, for service to the city of Calera (Calera) in Shelby County, Alabama, under Southern's blanket certificate issued in Docket No. CP82-406-000, pursuant to section 7(c) of the Natural Gas Act, all as more fully set forth in the request which is on file with the Commission and open to public inspection.

Southern proposes to construct and operate a new delivery point at or near Mile Post 31.2 on its 6-inch Bessemer-Calera Line and 8-inch Bessemer-Calera Loop Line in Shelby County, Alabama so it can provide transportation service to Calera, so that Calera may provide natural gas service to commercial and residential customers in Shelby County, Alabama.

Southern states that it will transport gas on behalf of Calera under its existing service agreements pursuant to Southern's Rate Schedules FT and FT-NN and Rate Schedule IT. Southern relates that Calera does not propose to

add any transportation demand to its firm service as a result of the addition of the delivery point. Southern states that the installation of the proposed facilities will have no adverse effect on its ability to provide its firm deliveries.
