the Uruguay Round Agreement on Textiles and Clothing (ATC).

Effective on January 1, 1999, a visa will no longer be required for products integrated in the second stage of the integration of textiles and clothing into GATT 1994 from WTO member countries (see 63 FR 53881, published on October 7, 1998). A visa will continue to be required for nonintegrated products. For quota purposes only, products remaining in categories partially integrated will continue to be designated by the designator "pt."

In the letter published below, the Chairman of CITA directs the Commissioner of Customs to establish the 1999 limits.

A description of the textile and apparel categories in terms of HTS numbers is available in the CORRELATION: Textile and Apparel Categories with the Harmonized Tariff Schedule of the United States (see Federal Register notice 62 FR 66057, published on December 17, 1997). Information regarding the 1999 CORRELATION will be published in the Federal Register at a later date.
