Equitrans, L.P.; Notice of Application

November 25, 1998.

Take notice that on November 18, 1998, Equitrans, L.P. (Equitrans), 3500 Park Lane, Pittsburgh, PA 15275, filed an application pursuant to Section 7(b) of the Natural Gas Act (NGA) and the Commission's Regulations thereunder, for an order approving pre-granted blanket abandonment of Equitable Gas Company's (Equitable) FERC Rate Schedule SS-3 storage as requested by Equitable in the future. Equitrans states that upon approval of this application, Equitrans will convert on an as-necessary basis in the future Equitable's Rate Schedule SS-3 storage entitlements to equivalent firm storage entitlements under Equitrans' open-access Rate Schedule 115SS. Equitrans application is on file with the Commission and open to public inspection.

Equitrans states that future storage conversions will permit Equitable to release its storage entitlements to its own customers as part of its retail customer choice program in the State of Pennsylvania. Equitrans states the pre-granted abandonment will allow Equitable to comply with the short notification requirements for customer choice. Equitrans states that the certificate level of service entitlements to all other customers will remain unchanged, and that no modification of Equitrans' rates is required by this application. Equitrans states that blanket pre-granted abandonment authorization will facilitate the elimination of anticipated Section 7(c) services on the Equitrans system and a fuller conversion to uniform open-access services.

Any person desiring to be heard or to make any protest with reference to said application should on or before December 16, 1998, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a petition to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a petition to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in an subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no petition to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that a grant of the certificate is required by the public convenience and necessity. If a petition for leave is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure provided for, unless otherwise advised, it will be unnecessary for Equitrans to appear or be represented at the hearing.

Secretary.
