

records which were previously approved for disposal.

6. Department of Health and Human Services, National Institutes of Health (N1-443-98-2, 4 items, 4 temporary items). Forms and attendance records relating to radiation safety training. This schedule also increases the retention period for records relating to the handling of radioactive material which were previously approved for disposal.

7. Department of Justice, Executive Office of the United States Attorneys (N1-60-99-1, 5 items, 2 temporary items). Input documents and ad hoc reports associated with automated case management systems used to record case status and compile statistical reports. The annual compiled national data set, with documentation, and annual statistical reports are proposed for permanent retention.

8. Department of Justice, United States Attorney District Offices (N1-118-99-1, 6 items, 6 temporary items). Automated case management systems used to record case status and compile statistical reports. Annual compilations of data accumulated by the Executive Office of the United States Attorneys are proposed for permanent retention in schedule number N1-60-99-1 (item 7 of this notice).

9. Department of Justice, Office of the Solicitor General (N1-60-98-11, 2 items, 2 temporary items). Docket cards dating between 1927 and 1992, and a subsequent electronic tracking system, which serve as an index to cases referred to the Solicitor General. The OSG returns case files to the originating litigation division upon completion of OSG action so the cards and tracking system do not serve as an index to OSG records.

10. Department of Justice, Immigration and Naturalization Service (N1-85-99-1, 2 items, 2 temporary items). Reduction in retention period of clinical records of illegal aliens detained at INS Servicing and Processing Centers, which were previously approved for disposal. The request also includes electronic copies of records created using electronic mail and word processing.

11. Department of the Treasury, United States Secret Service (N1-87-98-1, 1 item, 1 temporary item). Investigative case files of the Inspection Division where the investigation reveals that the office having jurisdiction is the Office of Investigations. Procedurally or historically significant case files of the Office of Investigations are permanent in a previously approved schedule.

12. Department of Veterans Affairs, Veterans Health Administration (N1-15-98-4, 6 items, 6 temporary items).

Files relating to applications for grants to providers of services for the homeless, including funds for acquisition of facilities, purchase of vans, and per diem expenses. Also included are electronic copies of documents created using electronic mail and word processing.

13. Environmental Protection Agency, Office of Pesticide Programs (N1-412-95-2, 48 items, 43 temporary items). Electronic and textual records that document review and approval processes relating to the registration of pesticides, including electronic copies of documents created using electronic mail and word processing. Temporary records include Pesticide Registration Documents and Reregistration Case Files, Notice of Supplemental Distribution of Registered Product, Novel Microbial Pesticide Files, Child-Resistant Packaging Files, Pesticide Chemical Inert Ingredient Master Files, Reregistration Fees Case Files, Pesticide Registration Maintenance Fee Records, Company Name and Address Correspondence Files, Requests for EPA Company Number, Laboratory Test Reports, and the Pesticide Product Label System. Series proposed for permanent retention include the Endangered Species Map Files, Label Use Information System Files, Established Tolerances Files, State Plans for Applicator Certification Files, and Preliminary Qualitative Biological Usage Analysis of Pesticide Active Ingredients Files.

14. Export-Import Bank (N1-275-98-1, 1 item, 1 temporary item). Draft loan agreements reflecting technical changes. Records relating to policy issues, minutes of meetings, and final loan cases are permanent in a previously approved schedule.

15. National Aeronautics and Space Administration (N1-255-97-1, 22 items, 22 temporary items). Magnetic tapes pertaining to the Pioneer 10, Pioneer 11, and Pioneer 12 spacecraft projects. The records consist of master data record tapes containing real-time telemetry data and electronic information concerning spacecraft location during orbit (trajectory and engineering data).

16. National Science Foundation, Agency-wide (N1-307-98-1, 2 items, 2 temporary items). Reduction in retention period for Congressional Correspondence Files and Congressional Correspondence Routing Sheet Files, which were previously approved for disposal. Records consist of correspondence from the Congress with replies from NSF and a reference card file to incoming correspondence from the Congress.

17. President's Advisory Board on Race (N1-220-99-1, 17 items, 6 temporary items). Audio and video tapes of meetings for which written transcripts were created, routine administrative correspondence, calendars and invitations, and web site and related design and management records. Also proposed for disposal are electronic copies of records created using electronic mail and word processing. Transcripts of meetings, reports, general correspondence, and other program records are proposed for permanent retention.

18. Securities and Exchange Commission, Office of International Affairs and Office of Investor Education and Assistance (N1-266-98-1, 10 items, 10 temporary items). Routine correspondence, such as public inquiries and complaints and SEC requests for information from foreign governments, including electronic copies of documents created using electronic mail and word processing; requests for technical assistance from the United States Agency for International Development; paper working copies of foreign utility company reports filed electronically; commercial and financial information submitted in confidence; and duplicate copies of records relating to treaty negotiations with Switzerland (originals are held as permanent by the Department of State).

## NUCLEAR REGULATORY COMMISSION

### Agency Information Collection Activities: Proposed Collection; Comment Request

**AGENCY:** U.S. Nuclear Regulatory Commission (NRC).

**ACTION:** Notice of pending NRC action to submit an information collection request to OMB and solicitation of public comment.

**SUMMARY:** The NRC is preparing a submittal to OMB for review of continued approval of information collections under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. *The title of the information collection:* 10 CFR Part 36—Licenses and Radiation Safety Requirements for Irradiators.

2. *Current OMB Approval Number:* 3150-0158.

3. *How often the collection is required:* There is a one-time submittal of information to receive a license. Once a specific license has been issued, there is a 10-year resubmittal of the information for renewal of the license. In addition, recordkeeping must be performed on an on-going basis, and reports of accidents and other abnormal events must be reported on an as-necessary basis.

4. *Who is required or asked to report:* Irradiators licensed by NRC or an Agreement State.

5. *The number of annual respondents:* 32 NRC licensees and 64 Agreement State licensees.

6. *The number of hours needed annually to complete the requirement or request:* 44,768 (approximately 466 per licensee).

7. *Abstract:* 10 CFR Part 36 contains requirements for the issuance of a license authorizing the use of sealed sources containing radioactive materials in irradiators used to irradiate objects or materials for a variety of purposes in research, industry, and other fields. The subparts cover specific requirements for obtaining a license or license exemption; design and performance criteria for irradiators; and radiation safety requirements for operating irradiators, including requirements for operator training, written operating and emergency procedures, personnel monitoring, radiation surveys, inspection, and maintenance. Part 36 also contains the recordkeeping and reporting requirements that are necessary to ensure that the irradiator is
