**Needs and Uses:** Section 76.946 states that cable operators that advertise rates for basic service and cable programming service tiers shall be required to advertise rates that include all costs and fees. Cable systems that cover multiple franchise areas having differing franchise fees or other franchise costs, different channel line-ups, or different rate structures may advertise a complete

range of fees without specific identification of the rate for each individual area. In such circumstances, the operator may advertise a "fee plus" rate that indicates the core rate plus the range of possible additions, depending on the particular location of the subscriber. The Commission has set forth this disclosure requirement to ensure consumer awareness of all costs and fees associated with basic service and cable programming service tier rates.

This notification is to include the following information: (a) That basic tier service is available; (b) The cost per month for basic tier service; and (c) A list of all services included in the basic service tier. Section 76.932 states that a cable operator shall provide written notice to subscribers of any increase in the price to be charged for the basic service tier or associated equipment at least 30 days before any proposed increase is effective. ## FEDERAL MARITIME COMMISSION

[Docket No. 98-24]

**Go/Dan Industries, Inc. and Atlantic Customs Brokers, Inc. v. Eastern Mediterranean Shipping Corp. dba Atlantic Ocean Lines, ANIL (aka "ANDY") K. Sharma, Individually, and Atlantic Ocean Line Corp.; Notice of Filing of Complaint and Assignment**

Notice is given that a complaint filed by Go/Dan Industries, Inc. and Atlantic Customs Brokers, Inc. ("Complainants") against Eastern Mediterranean Shipping Corp. dba Atlantic Ocean Lines, Anil (aka "Andy") K. Sharma, individually, and Atlantic Ocean Line Corp. ("Respondents") was served November 27, 1998. Complainants allege that Respondents violated section 10(d)(1) of the Shipping Act of 1984, 46 U.S.C. app. secs. 1709(d)(1), by failing to pay the freight charges to the underlying carrier, resulting in the shipper and its agent having to pay freight charges twice, by failing to provide information about the shipment and causing delay, detention and demurrage charges, and by failing to properly deliver cargo.

This proceeding has been assigned to the office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. The hearing shall include oral testimony and cross-examination in the discretion of the presiding officer only upon proper showing that there are genuine issues of material fact that cannot be resolved on the basis of sworn statements, affidavits, depositions, or other documents or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record.
