General Electric Company, Power Systems Plant, Fitchburg, Massachusetts; Notice of Affirmative Determination Regarding Application for Reconsideration

By letter of October 30, 1998, the company requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance for workers of the subject firm. The determination was signed on September 17, 1998, and published in the **Federal Register** on October 9, 1998 (63 FR 54494).

Subsequent to the issuance of the determination the company provided additional information with respect to company imports and lost bids that merits the Department's reinvestigation of the initial determination.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of

Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC this 12th day of November 1998.
