#### SUMMARY

**Background.** Notice is hereby given of the final approval of proposed information collections by the Board of Governors of the Federal Reserve System (Board) under OMB delegated authority, as per 5 CFR 1320.16 (OMB Regulations on Controlling Paperwork Burdens on the Public). Board-approved collections of information are incorporated into the official OMB inventory of currently approved collections of information. Copies of the OMB 83-Is and supporting statements and approved collection of information instruments are placed into OMB's public docket files. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

### Health Resources and Services Administration

#### Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Health Resources and Services Administration (HRSA) publishes abstracts of information collection requests under review by the Office of Management and Budget, in compliance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35). To request a copy of the clearance requests submitted to OMB for review, call the HRSA Reports Clearance Office on (301)-443-1129.

The following request has been submitted to the Office of Management and Budget for review under the Paperwork Reduction Act of 1995.

#### Proposed Project: Ryan White CARE Act Dental Reimbursement Program—0915-0151—Revision

This is a request for approval of a revision of the application and instructions used by accredited dental schools and post-doctoral dental programs requesting reimbursement for documented uncompensated costs for providing oral health care for HIV infected individuals. Awards are authorized under section 776(b) of the PHS Act (42 U.S.C. 294n).

The HIV/AIDS Bureau needs to collect this information to determine the amount of the reimbursement award that is made to each institution. The information will also assist the Health Resources and Services Administration in understanding: (1) the extent to which dental programs are involved in the treatment of HIV infected individuals; (2) the type of individuals seeking care; (3) the scope and extent of HIV oral health services provided; (4) the time and costs involved in providing these services; and (5) how the funds used by the institutions are allocated.

The hourly burden estimate has increased substantially based upon the experience of the grantees in completing the information required. The burden estimate is as follows:

Type of information	Number of respondents	Responses per respondent	Hours per response	Total burden hours
Application .....	105	1	17.5	1838
