RIN 3090-AG80

**Donation of Certain Federal Surplus  
Firearms to State or Local Law  
Enforcement Activities**

**AGENCY:** Office of Governmentwide  
Policy, GSA.

**ACTION:** Proposed rule.

**SUMMARY:** The General Services Administration (GSA) is proposing to amend the Federal Property Management Regulations (FPMR) to remove the prohibition on donation of surplus Federal firearms to allow donations to State and local law enforcement activities. This change, the result of interagency meetings with Federal law enforcement agencies in conjunction with the Department of Justice, will enable certain usable firearms acquired for Federal law enforcement purposes to continue serving a law enforcement role. This proposed rule establishes a centralized activity within GSA to coordinate all firearms transfers under the FPMR and specifies that donated firearms are restricted in perpetuity and may not be transferred except in accordance with this rule.

**DATES:** Comments must be submitted by January 8, 1999 to be considered in the formulation of a final rule.

**ADDRESSES:** Written comments should be sent to: Ms. Sharon Kiser, Regulatory Secretariat (MVR), Office of Governmentwide Policy, General Services Administration 1800 F Street, NW., Washington, DC 20405.

E-mail comments may be sent to RIN.3090-AG80@gsa.gov.

**FOR FURTHER INFORMATION CONTACT:** Ms. Martha Caswell, Director, Personal Property Management Policy Division (MTP), telephone (202) 501-3846.

**SUPPLEMENTARY INFORMATION:**

**A. Executive Order 12866**

GSA has determined that this proposed rule is not a significant regulatory action for the purposes of Executive Order 12866 of September 30, 1993.

**B. Regulatory Flexibility Act**

The proposed rule is not expected to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*

**C. Paperwork Reduction Act**

The Paperwork Reduction Act does not apply because the regulation does not impose recordkeeping or information collection requirements, or the collection of information from offerors, contractors, or members of the public which require the approval of the Office of Management and Budget (OMB) under 44 U.S.C. 501, *et seq.*

**D. Small Business Reform Act**

This rule is exempt from congressional review prescribed under 5 U.S.C. 801 since it relates solely to agency management and personnel.

8 .....	Repairs required—fair .....	Required repairs are considerable and are estimated to range from 16 percent to 40 percent of original acquisition cost.
9 .....	Repairs required—poor .....	Required repairs are major because property is badly damaged, worn, or deteriorated, and are estimated to range from 41 percent to 65 percent of original acquisition cost.
X .....	Salvage .....	Property has some value in excess of its basic material content, but repair or rehabilitation to use for the originally intended purpose is clearly impractical. Repair for any use would exceed 65 percent of the original acquisition cost.
