

of small business entities affected are due by the deadlines contained in the NPRM.

17. In this NPRM, we seek comment on proposals to revise the Commission's rate-of-return prescription regulations, the methodologies used for calculating cash working capital, the detariffing of certain telecommunications services, streamlining cost allocation manual filing procedures, and consolidating the Commission's wireless radio rules. These proposals are specifically designed to streamline regulations that apply to incumbent local exchange carriers (LECs), including the Bell operating companies (BOCs) and GTE, and to wireless telecommunications providers. We therefore expect that the potential impact of the proposals, if adopted, is beneficial and does not amount to a possible significant economic impact on affected entities. If commenters believe that the proposals discussed in the Notice require additional RFA analysis, they should include a discussion of these issues in their comments.

18. We therefore certify, pursuant to section 605(b) of the RFA, that the rules proposed in this NPRM will not have a significant economic impact on a substantial number of small entities. The Commission will publish this certification in the **Federal Register** and will provide a copy of the certification to the Chief Counsel for Advocacy of the SBA. The Commission will also include this certification in the report to Congress pursuant to the Small Business Regulatory Enforcement Fairness Act. (See 5 U.S.C. 801(a)(1)(A)).

19. Pursuant to applicable procedures set forth in section 1.415 and 1.419 of the Commission's Rules, 47 C.F.R. 1.415, 1.419, interested parties may file comments on or before January 11, 1999 and reply comments on or before January 25, 1999. To file formally in this proceeding, you must file an original and four copies of all comments, reply comments, and supporting comments. 20. Written comments by the public on the proposed and/or modified information collections are due January 11, 1999 and reply comments on or before January 25, 1999. Written comments must be submitted by the Office of Management and Budget (OMB) on the proposed and/or modified information collections on or before 60 days after date of publication in the **Federal Register**.
