DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4341-N-39]

Federal Property Suitable as Facilities To Assist the Homeless

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice.

SUMMARY: This Notice identifies unutilized, underutilized, excess, and surplus Federal property reviewed by HUD for suitability for possible use to assist the homeless.

FOR FURTHER INFORMATION CONTACT:

Mark Johnston, room 7256, department of Housing and Urban Development, 451 Seventh Street SW, Washington, DC 20410; telephone (202) 708-1226; TTY number for the hearing- and speech-impaired (202) 708-2565 (these telephone numbers are not toll-free), or call the toll-free Title V information line at 1-800-927-7588.

SUPPLEMENTARY INFORMATION: In accordance with 24 CFR part 581 and section 501 of the Stewart B. McKinney Homeless Assistance Act (42 U.S.C. 11411), as amended, HUD is publishing this Notice to identify Federal buildings and other real property that HUD has reviewed for suitability for use to assist the homeless. The properties were reviewed using information provided to HUD by Federal landholding agencies regarding unutilized and underutilized buildings and real property controlled by such agencies or by GSA regarding its inventory of excess or surplus Federal property. This Notice is also published in order to comply with the December 12, 1988 Court Order in *National Coalition for the Homeless v. Veterans Administration*, No. 88-2503-OG (D.C.C.).

Properties reviewed are listed in this notice according to the following categories: Suitable/available, suitable/unavailable, suitable/to be excess, and unsuitable. The properties listed in the three suitable categories have been reviewed by the landholding agencies, and each agency has transmitted to HUD: (1) Its intention to make the property available for use to assist the homeless, (2) its intention to declare the property excess to the agency's needs, or (3) a statement of the reasons that the property cannot be declared excess or made available for use as facilities to assist the homeless.

Properties listed as suitable/available will be available exclusively for homeless use for a period of 60 days from the date of this Notice. Homeless assistance providers interested in any such property should send a written expression of interest to HHS, addressed to Brian Rooney, Division of Property Management, Program Support Center, HHS, room 5B-41, 5600 Fishers Lane, Rockville, MD 20857; (301) 443-2265. (This is not a toll-free number.) HHS will mail to the interested provider an application packet, which will include instructions for completing the application. In order to maximize the opportunity to utilize a suitable property, providers should submit their written expressions of interest as soon as possible. For complete details concerning the processing of

applications, the reader is encouraged to refer to the interim rule governing this program, 24 CFR part 581.

For properties listed as suitable/to be excess, that property may, if subsequently accepted as excess by GSA, be made available for use by the homeless in accordance with applicable law, subject to screening for other Federal use. At the appropriate time, HUD will publish the property in a Notice showing it as either suitable/available or suitable/unavailable.

For properties listed as suitable/unavailable, the landholding agency has decided that the property cannot be declared excess or made available for use to assist the homeless, and the property will not be available.

Properties listed as unsuitable will not be made available for any other purpose for 20 days from the date of this Notice. Homeless assistance providers interested in a review by HUD of the determination of unsuitability should call the toll free information line at 1-800-927-7588 for detailed instructions or write a letter to Mark Johnston at the address listed at the beginning of this Notice. Included in the request for review should be the property address (including zip code), the date of publication in the **Federal Register**, the landholding agency, and the property number.

For more information regarding particular properties identified in this Notice (*i.e.*, acreage, floor plan, existing sanitary facilities, exact street address), providers should contact the appropriate landholding agencies at the following addresses:
ENERGY: Ms. Marsha Penhaker, Department of Energy, Facilities Planning and Acquisition Branch, FM-20, Room 6G-058, Washington, DC 20585; (202) 586-0426;

Availability of an Environmental Assessment and Receipt of an Application for an Incidental Take Permit for the City of Seattle Habitat Conservation Plan, King County, Washington

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of application and availability for public comment.

SUMMARY: This notice advises the public that the City of Seattle has applied to the Fish and Wildlife Service and the National Marine Fisheries Service (together, the Services) for an Incidental Take Permit (Permit) pursuant to section 10(a)(1)(B) of the Endangered Species Act of 1973, as amended (Act). The proposed permit would authorize the take of the following endangered or threatened species incidental to otherwise lawful management activities in the Cedar River Municipal Watershed and within the Cedar River in King County, Washington: northern spotted owl (*Strix occidentalis caurina*), marbled murrelet (*Brachyramphus marmoratus marmoratus*), bald eagle (*Haliaeetus leucocephalus*), grizzly bear (*Ursus arctos*), gray wolf (*Canis lupus*), and peregrine falcon (*Falco peregrinus*). The proposed permit also would authorize future incidental take of 77 currently unlisted fish (anadromous and resident) and wildlife species, including the chinook salmon (*Oncorhynchus tshawytscha*) and the Coastal Puget Sound distinct population segment of the bull trout (*Salvelinus confluentus*), which are proposed for listing under the Act, should they become listed in the future. The permit would be in effect for 50 years.

The application includes: (1) the proposed Habitat Conservation Plan (Plan), which fully describes the proposed projects and mitigation, and details a strategy for minimizing and mitigating all anticipated incidental take, as required in Section 10(a)(2)(B) of the Act; and (2) the proposed Implementing Agreement. Activities covered by the requested Permit and addressed by the proposed Plan include: (1) drinking water supply operations; (2) management of land and forest resources (timber and other forest resources); (3) hydroelectric power generation; and, (4) fishery mitigation. The Services also announce the availability of an Environmental Assessment for the Permit application.

This notice is provided pursuant to section 10(a) of the Act and National

Environmental Policy Act regulations. The Services are furnishing this notice in order to announce the availability of these documents and allow other agencies and the public an opportunity to review and comment upon these documents.
