Title, Associated Form, and OMB Number: "Report of Medical History," DD Form X376, OMB Control Number 0704-[To be Determined].

Needs and Uses: Title 10, USC Chapter 31: Section 504 and 505, and Chapter 33: Section 532, requires applicants to meet accession medical standards prior to enlistment into the Armed Forces (including the Coast Guard). If applicants' medical history reveals a medical condition that does not meet the accession medical standards, they are medically disqualified for military entrance. This form also will be used by all Service members not only in their initial medical examination but also for required periodic medical examinations.

Affected Public: Individuals or households

Annual Burden Hours: 256,659

Number of Respondents: 330,000

Responses Per Respondent: 1

Average Burden Per Response: .66 hours per respondent.

Frequency: One time.

SUPPLEMENTAL INFORMATION:

Summary of Information Collection

The new form associated with this information collection will replace the form currently used by the Department, "SF 93—Report of Medical History." This new form is needed in order to obtain the medical information which affects entrance physical examinations, routine in-service physical examinations, separation physical examinations, and other medical examinations, as required.

The respondents are all applicants for enlistment, induction or

commissioning. The applicant(s) completes the medical history information recorded on the form. This information collected provides the Armed Services with the medical history of applicants. The DD Form X376 is the method of collecting and verifying medical data on applicants applying for entrance. This DD Form X376 will be the official DoD medical document used by the Services through which historical medical information is collected, reviewed, and maintained.

Priority

Under section 121(b)(4) of the Rehabilitation Act of 1973, as amended, the Secretary gives preference to applications that meet the following competitive priority. Under 34 CFR 75.105(c)(2)(i) the Secretary awards 10 points to an application that meets this competitive priority. These points are in addition to any points the application earns under the selection criteria for the program:

Competitive Preference Priority—Continuation of Previously Funded Tribal Programs

Section 121(b)(4) of the Rehabilitation Act of 1973, as amended, provides that in making new awards under this program the Secretary gives priority consideration to applications for the continuation of tribal programs that

have been funded under this program. For this competition in fiscal year 1999, the Secretary implements this priority by giving a competitive preference of 10 bonus points, in accordance with 34 CFR 75.105(c)(2)(i), to applications that meet this priority.

Selection Criteria: In evaluating an application for a new grant under this competition, the Secretary uses selection criteria chosen from the general selection criteria in 34 CFR 75.210 of EDGAR. The selection criteria to be used for this competition will be provided in the application package for this competition. DEPARTMENT OF ENERGY

Great Lakes Regional Biomass Energy Program Management Project; Notice of Solicitation for Financial Assistance Applications

AGENCY: Department of Energy.

ACTION: Notice of Solicitation for financial assistance applications number DE-PS45-99R530403.

SUMMARY: The U.S. Department of Energy (DOE), pursuant to the DOE Financial Assistance Rules, 10 CFR 600.8, is announcing its intention to solicit applications for the Great Lakes Regional Biomass Energy Program (GLRBEP) Management Project. The selected applicant will receive financial assistance to manage GLRBEP under a financial assistance agreement with DOE.

DATES: The solicitation will be issued on or about December 7, 1998.

AVAILABILITY: To obtain a copy of the Solicitation once it is issued, interested parties must access the Golden Field Office Application, Award and Solicitation page at <http://www.eren.doe.gov/golden/solicit.htm>, click on "solicitations" and then locate the solicitation number identified above. DOE does not intend to issue written copies of the solicitation.

SUPPLEMENTARY INFORMATION: The major goals of the DOE GLRBEP are: to promote biomass energy by creating awareness, a positive image, and confidence in biomass energy technologies within the region; to develop a climate supportive of biomass energy among the general public and

relevant government agencies; to assist both the public and private sectors in the responsible development, commercialization, and utilization of biomass energy technologies so that the region achieves full realization of associated energy, economic, and environmental benefits; and to select and perform activities that provide for responsible development of biomass energy within the region. The Great Lakes Region includes the following states: Illinois, Indiana, Iowa, Michigan, Minnesota, Ohio and Wisconsin.

Applications must address each of the following activities in order to be considered for award. The activities are (1) management and planning, (2) information and outreach, and (3) project oversight and evaluation.

1. Management and Planning includes a plan for the overall management of the project at the state level, including coordination with the DOE Chicago Regional Support Office (CRSO) and GLRBEP ad hoc steering committees. The responsibility also includes development of resource plans and the provision of technical input to DOE for development of annual operating plans for the GLRBEP.

The GLRBEP Annual Operating Plan (AOP) is a document which will be prepared each year by the CRSO, with appropriate committee input, which provides guidance and direction to the program for the following Fiscal Year.

The draft FY '99 AOP will be made an attachment to the solicitation. It will be the responsibility of the recipient to guide the Program in meeting AOP objectives, recommend and implement changes to the AOP as necessary, and assist the CRSO in the preparation and completion of future AOP's.

2. Information and Outreach includes responding to inquiries about the program from interested parties, developing biotech briefs, collecting and contributing articles to support biomass publications, and preparing regional biomass energy program reports. The recipient also will coordinate and publish a regional newsletter at least quarterly and will establish and maintain a GLRBEP Internet site which provides relevant biomass program information and project summaries.

3. Project Oversight and Evaluation includes the award and administration of subgrants to organizations in the region. The recipient will solicit applications for projects in support of program objectives through a competitive solicitation. Administration of the individual subgrants, including financial commitments, performance tracking, and the provision of periodic reports to DOE, will be the
