**Justification:** The President is authorized by the Arms Export Control Act to sell or finance by credit, loan guarantees, or grants, articles and defense services to friendly countries to facilitate the common defense. Under section 2 of the Act, the Secretary of State, under the direction of the President, is responsible for sales made under this Act. Executive Order 11958 further requires the Secretary of State to obtain prior concurrence of the Secretaries of Defense and Treasury, respectively, regarding consistency of transactions with national security and financial policies.

As required by the Federal Credit Reform Act of 1990, this account records the subsidy costs associated with the direct loans obligated and loan guarantees for foreign military financing committed in FY 1992 and beyond. The foreign military financing credit program provides loans that finance sales of defense articles, defense services, and design and construction services to foreign countries and international organizations. The subsidy amounts are estimated on a present value basis.

These funds have been deferred pending the review of specific grants to eligible countries by the Departments of State, Treasury, and Defense. The review process will ensure that in each proposed program the proposed recipients are qualified and that the limits of available funds are not exceeded. This deferral action is taken under the provisions of the Antideficiency Act (31 U.S.C. 1512).

**Justification:** Section 501(a) of the Foreign Relations Authorization Act of 1976 (Public Law 94-141) and section 414(b)(1) of the Refugee Act of 1980 (Public Law 96-212) amended section 2(c) of the Migration and Refugee Assistance Act of 1962 (22 U.S.C. 2601) by authorizing a fund to enable the President to provide emergency assistance for unexpected urgent refugee and migration needs.

Executive Order No. 11922 of June 16, 1976, allocated all funds appropriated to the President for the Emergency Fund to the Secretary of State, but reserved for the President the determination of assistance to be furnished and the designation of refugees to be assisted by the Fund.

These funds have been deferred pending Presidential decisions required by Executive Order No. 11922. Funds will be released as the President determines assistance to be furnished and designates refugees to be assisted by the Fund. **Justification:** This account includes funding for construction and/or renovation of Social Security trust Fund-owned headquarters and field office buildings. In addition, funds remain available for costs associated with acquisition of land in Colonial Park Estates adjacent to the Social Security Administration complex in Baltimore, Maryland. In FY 1998, the Social Security Administration has received an apportionment for \$50,000 to cover potential upward adjustments of prior year costs related to field office roof repair and replacement projects. Deferred funds may be made available for two purposes: (1) purchase of 9.8 acres of privately-owned land consisting of fourteen scattered lots within the Social Security Administration complex that the Federal Government made a commitment to the original owners to purchase and to pay relocation costs contingent upon the owner's desire to sell at some future date; and (2) construction, renovation, and expansion projects when a need for such projects is identified and determined to be necessary for the efficient operation of the Social Security Administration. This action is taken pursuant to the Antideficiency Act (31 U.S.C. 1512).
