CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Notice of availability of funds to support AmeriCorps Promise Fellowships in support of the goals of the Presidents' Summit in North Dakota and South Dakota

AGENCY: Corporation for National and Community Service.

ACTION: Notice of availability of funds.

SUMMARY: Earlier this year, the Corporation for National and Community Service (the Corporation) selected organizations to sponsor AmeriCorps Promise Fellows in support of the five goals for children and youth set at the Presidents' Summit for America's Future. We do not expect that process to result in Fellows being placed in North Dakota and South Dakota. By this announcement, the Corporation announces its intent to use up to approximately \$130,000 to award grants to nonprofit organizations local governments, or state governments to sponsor AmeriCorps Promise Fellows in North Dakota and South Dakota. These Fellows will spend one year serving with organizations that are committed to helping to meet one or more of the five goals of the Presidents' Summit. Each Fellow will receive a living allowance of \$13,000 for a 12-month term of service and, upon successful completion of a term, will receive a \$4,725 AmeriCorps education award.

Last year at Philadelphia, President Clinton, former Presidents Bush, Carter, and Ford, Mrs. Nancy Reagan, and General Colin Powell, with the endorsement of many governors, mayors and leaders of the independent sector, declared: "We have a special obligation to America's children to see that all young Americans have:

1. Caring adults in their lives, as parents, mentors, tutors, coaches;
2. Safe places with structured activities in which to learn and grow;
3. A health start and healthy future;
4. An effective education that equips them with marketable skills; and
5. An opportunity to give back to their communities through their own service."

These five goals are now the five fundamental resources sought by America's Promise—The Alliance for Youth, the organization following up on the goals of the Presidents' Summit.

As a major partner in this effort, the Corporation devotes a substantial part of its activities to help meet these goals, including the work of AmeriCorps, Learn and Serve America, and the National Senior Service Corps. This new Fellowship program will provide States and local communities with additional and unique support to help carry out their plans to provide States and local communities with additional and unique support to help carry out their plans to provide America's children with these five fundamental resources.

DATES: All sponsor proposals must be submitted by January 19, 1999. The
