#### SUPPLEMENTARY INFORMATION:

##### Background

On December 4, 1998, the Commission determined to expedite the subject five-year review because respondent interested party responses to its notice of institution (63 FR 46475, September 1, 1998) were inadequate. One U.S. producer, Minnesota Mining & Manufacturing Co. (3M), responded to the notice of institution. 3M is also an importer of pressure sensitive tape from Italy and owns an Italian producer of such tape. In its response, 3M submitted some information regarding its U.S. importation and its foreign subsidiary's production of plastic tape. However, 3M submitted its response in its capacity as a domestic producer and the Commission considered that response only for purposes of its domestic group adequacy determination. Since no other respondent interested party submitted a response, the Commission concluded that respondent interested party responses were inadequate.

Vice Chairman Miller and Commissioners Hillman and Koplan, after considering relevant information about the domestic industry, including the share of domestic plastic tape production represented by 3M, concluded that 3M's response constituted an adequate domestic interested party group response. Chairman Bragg and Commissioners Crawford and Askey concluded that 3M's response does not constitute an adequate domestic interested party group response given the relevant information about this domestic industry. As will be explained in the Commission's opinion in this review, the domestic interested party response was not the basis for the Commission's determination to expedite the review.

The Commission did not find any other circumstances that would warrant conducting a full review. Accordingly, the Commission determined that it would conduct an expedited review pursuant to section 751(c)(3) of the Act. A record of the Commissioners' votes are available from the Office of the Secretary and at the Commission's web site.

#### Staff Report

A staff report containing information concerning the subject matter of the review will be placed in the nonpublic record on January 8, 1999, and made available to persons on the Administrative Protective Order service list for this review. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

#### Written Submissions

As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the review and that have provided adequate responses to the notice of institution,<sup>1</sup> and any party other than an interested party to the review may file written comments with the Secretary on what determination the Commission should reach in the review. Comments are due on or before January 13, 1999, and may not contain new factual information. Any person that is neither a party to the five-year review nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the review by January 13, 1999. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the review must be served on all other parties to the review (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

#### Determination

The Commission has determined to extend the period of time for making its expedited determination in this review by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

**Authority:** This review is being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

## DEPARTMENT OF JUSTICE

[AAG/A Order No. 158-98]

### Privacy Act; Notice of Modified System of Records

Pursuant to the provisions of the Privacy Act of 1974 (5 U.S.C. 552a), notice is given that the Department of Justice proposes to modify a system of records. Specifically:

The "Bond Accounting and Control System (BACS), Justice/INS-008"—last published October 5, 1993 (58 FR 51854)—has been retitled:

"Bond Management Information System (BMIS), Justice/INS-008."

In addition, the system description has been revised to reflect a change in equipment configuration. An outdated and failing system had provided limited direct access to personnel at the Immigration and Naturalization (INS) offices located in Burlington, Vermont and Twin Cities, Minnesota. The revised and updated system will no longer provide direct access to Twin Cities; but will permit direct access to authorized personnel at INS Headquarters and at other INS offices—when such personnel have been identified as those who need direct access in order to perform INS operations more effectively. Also, two routine uses (routine uses A. and B.) have been added; one has been removed; and a change has been made in the System Manager. Finally, as also indicated in the system description, a new retention and disposal schedule for these records is pending approval of the National Archives and Records Administration.

Title 5 U.S.C. 552a(e)(4) and (11) provide that the public be given a 30-day period in which to comment on the new routine uses of a system of records. The Office of Management and Budget (OMB), which has oversight responsibilities under the Privacy Act, requires a 40-day period in which to conclude its review of the proposed modifications.

Therefore, please submit any comments by January 19, 1999. The public, OMB, and the Congress are invited to send written comments to Patricia E. Neely, Program Analyst, Information Management and Security Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 850, WCTR Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress on the proposed modification.

Dated: December 2, 1998.

**Stephen R. Colgate,**

Assistant Attorney General for Administration.
