

listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11035; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Federal Old-Age, Survivors, and Disability Insurance; Employer Identification Numbers for State and Local Government Employment

AGENCY: Social Security Administration (SSA).

ACTION: Proposed rules.

SUMMARY: We propose to amend our current rules dealing with the special identification numbers we issue to States that submit modifications to their voluntary social security coverage group agreements. Under the proposed revision, we would issue special identification numbers only in cases where a modification extends coverage to periods prior to 1987. This revision will permit SSA to divert scarce SSA resources to other priority workloads without adversely affecting State recordkeeping operations.

DATES: To be sure that your comments are considered, we must receive them no later than February 22, 1999.

ADDRESSES: Comments should be submitted in writing to the Commissioner of Social Security, P.O. Box 1585, Baltimore, MD 21235, sent by telefax to (410) 966–2830, sent by e-mail to regulations@ssa.gov, or delivered to the Social Security Administration, 2109 West Low Rise Building, 6401 Security Boulevard, Baltimore, MD 21235, between 8:00 a.m. and 4:30 p.m. on regular business days. SUPPLEMENTARY INFORMATION: Section 205(c)(2)(A) of the Social Security Act (the Act) requires SSA to maintain a record of the wages and self-employment income of each individual. The record is identified by the individual's social security number. Wages posted to an individual's record are based on wage reports submitted to SSA and the Internal Revenue Service (IRS) by employers. IRS regulations at 26 CFR 31.6011(a)–1 require an employer to file returns required under the Federal Insurance Contributions Act (FICA) with IRS each year and IRS regulations at 26 CFR 31.6051–2 and 31.6091–1(d) require an employer to file wage reports with SSA each year. These requirements are also explained on wage reporting forms and in related instructions issued by SSA and IRS. To help account for these returns and reports, IRS assigns an employer identification number (EIN) to most employers. Additionally, SSA assigns a special identification number to each political subdivision of a State which is included in a modification to the State's coverage agreement under section 218 of the Act. These special identification numbers must currently be issued to any State that requests a modification of its coverage agreement, and to interstate instrumentalities if pre-1987 coverage is obtained. However, for SSA program purposes, such numbers are necessary only if the modification covers wages for years prior to 1987. In cases where the modification does not cover pre-1987 wages, the number is assigned solely for State bookkeeping purposes.

Explanation of Proposed Changes

We propose to modify paragraph (a) of § 404.1220 and paragraph (b) of § 422.112 of our regulations to indicate that we will issue a special identification number to each political subdivision of a State included in a modification to the State's voluntary coverage agreement under section 218 of the Act only if the modification extends coverage to periods prior to 1987. States will be free to assign their own identification numbers to employers covered under modifications that do not cover pre-1987 earnings, so that these proposed rules will have no adverse impact on State recordkeeping operations. This proposal will permit SSA to divert scarce resources to other priority workloads.

Regulatory Procedures*Executive Order 12866*

We have consulted with the Office of Management and Budget (OMB) and have determined that these proposed rules do not meet the criteria for a significant regulatory action under Executive Order 12866. Thus, they are not subject to OMB review.

Regulatory Flexibility Act

We certify that these proposed regulations will not have a significant economic impact on a substantial number of small entities. Thus, a regulatory flexibility analysis as provided in the Regulatory Flexibility Act, as amended, is not required.

Paperwork Reduction Act

These proposed regulations will impose no additional reporting or recordkeeping requirements requiring OMB clearance.
