### International Trade Administration,

#### North American Free-Trade Agreement (NAFTA), Article 1904 Binational Panel Reviews

**AGENCY:** NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Decision of Panel.

**SUMMARY:** On December 4, 1998 the binational panel issued its decision in the review of the final antidumping determination made by the U.S.

International Trade Administration, in the matter of Gray Portland Cement and Clinker from Mexico, NAFTA Secretariat File Number USA-97-1904-02. The panel affirmed the final determination in all respects with one panelist concurring in part and dissenting in part. Copies of the panel decision are available from the U.S. Section of the NAFTA Secretariat.

**FOR FURTHER INFORMATION CONTACT:** James R. Holbein, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, D.C. 20230, (202) 482-5438.

**SUPPLEMENTARY INFORMATION:** Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules").

These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686). The panel review in this matter has been conducted in accordance with these Rules.

**BACKGROUND:** On May 8, 1997, Cemex, S.A. de C.V. filed a First Request for Panel Review with the U.S. Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. The panel reviewed the complaints, briefs and other documents and heard oral argument in this matter.

**PANEL DECISION:** The panel affirmed the final determination of the International Trade Administration on all issues raised by the complainants in their briefs. One panelist wrote a separate opinion concurring in part and dissenting in part in the panel's final decision.

Dated: December 11, 1998.
