

routinely given to most of the data in this report. However, confidential treatment for the reporting information, in whole or in part, can be requested in accordance with the instructions to the form. FR Y-11Q, memorandum item 7.a, "loans and leases past due 30 through 89 days" and FR Y-11Q, memorandum item 7.d, "loans and leases restructured and included in past due and nonaccrual loans" are confidential pursuant to Section (b)(8) of the Freedom of Information Act 5 U.S.C. 552(b)(8).

Abstract: The FR Y-11Q is filed quarterly by the top tier bank holding companies for each nonbank subsidiary of a bank holding company with total consolidated assets of \$150 million or more in which the nonbank subsidiary has total assets of 5 percent or more of the top-tier bank holding company's consolidated Tier 1 capital, or where the nonbank subsidiary's total operating revenue equals 5 percent or more of the top-tier bank holding company's consolidated total operating revenue. The report consists of a balance sheet, income statement, off-balance-sheet items, information on changes in equity capital, and a memoranda section.

Current actions: The Federal Reserve proposes minor revisions to the FR Y-11Q effective with the March 31, 1998, reporting date.

Balance Sheet

Add an item on the balance sheet for accumulated net gains (losses) on cash flow hedges. As part of the disclosure requirements for FAS 133, the Federal Reserve proposes to add the item "Accumulated net gains (losses) on cash flow hedges," as of the report date, as new item 20.f in the equity capital section of the balance sheet. Current items 20.f through 20.h would be renumbered as items 20.g through 20.i.

Notes to the Financial Statements

Add a section for "Notes to the Financial Statements." The Federal Reserve proposes to add this section to allow respondents the opportunity to provide, at their option, any material information included in specific line items on the financial statements that the bank holding company wishes to explain. The section would have space for up to ten comments.

Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Rodino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(2) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the **Federal Register**.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.
