##### Authority

This action is authorized under the Omnibus Crime Control and Safe Streets Act of 1968, §§ 201-03, as amended, 42 U.S.C. 3721-23 (1994).

## Background

The National Institute of Justice solicits proposals to perform local process and outcome evaluations for the Residential Substance Abuse Treatment (RSAT) for State Prisoners Program.

An anticipated 10 grants of up to \$60,000 lasting up to 15 months will be awarded for local process evaluations of RSAT programs in individual States, in each of two cycles. Local process evaluations may focus on all participating programs in a State or a subset of those programs. These evaluations should be designed to examine the programs in more detail that the scope of the national evaluation or the standard State annual reports. They should also be designed to allow and prepare for subsequent outcome evaluation.

An anticipated five grants of up to \$100,000 for a 24 month period will be awarded for local outcome evaluations, in each of three cycles. Only applicants who have previously been awarded RSAT local process evaluation grants are eligible for awards in this phase. It is expected that outcome evaluations will address the same programs included in the local process evaluations, and build upon those evaluations.
