II. Amount Allocated

(A) Available Funds

Approximately \$27 million in Fiscal Year (FY) 1998 and 1999 funding is being made available through this NOFA for the Rural Housing and

Economic Development program. The breakdown for this funding is discussed below.

(B) The FY 1999 HUD Appropriations Act

The Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act, 1999 (Pub. L. 105-276, approved October 21, 1998; 112 Stat. 2461, 2475) (the "FY 1999 HUD Appropriations Act") made \$24 million in FY 1999 funds available for competitive funding under the Rural Housing and Economic Development program. The FY 1999 HUD Appropriations Act also specifies that certain unobligated funds authorized by the FY 1998 HUD Appropriations Act (Pub. L. 105-65, approved October 27, 1997; 111 Stat. 1344, 1357) shall be also made available under the Rural Housing and Economic Development program. The amount of unobligated funds from this source is \$3 million. Therefore, the total amount of funding made available under this NOFA is \$27 million.

(C) Funding Categories/Expected Average Award Amounts

HUD will award up to \$27 million (\$24 million in FY 1999 funds and \$3 million in unobligated FY 1998 funds, as discussed above) on a competitive basis in the following three funding categories. HUD reserves the right to modify the size of a grant award to meet the objectives of the Rural Housing and Economic Development program.

(1) Capacity Building

HUD will award up to \$4 million (\$3 million in FY 1999 funds and \$1 million in FY 1998 funds) to build capacity at the State, tribal, and local level for rural housing and economic development. This amount will go directly to local rural nonprofits, community development corporations (CDCs) and Indian tribes to support capacity building and technical assistance. HUD expects the average award amount under this funding category to be \$150,000.

(2) Support for Innovative Activities

HUD will award up to \$17 million (\$16 million in FY 1999 funds and \$1 million in FY 1998 funds) to Indian tribes, State Housing Finance Agencies (HFA)s, state community and/or economic development agencies, local rural non-profits and CDCs to support innovative housing and economic development activities in rural areas. HUD expects the average award amount under this funding category to be \$500,000.

(3) Seed Support

HUD will award up to \$6 million (\$5 million in FY 1999 funds and \$1 million in FY 1998 funds) in seed support for Indian tribes, local rural non-profits and CDCs that are located in areas that have limited capacity for the development of rural housing and economic development activities. HUD expects the average award amount under this funding category to be \$200,000.

(D) Innovative Strategies Clearinghouse

In addition to the three funding categories described above, \$1 million in FY 1999 Rural Housing and Economic Development program funds will be used to create a clearinghouse of ideas for innovative strategies for rural housing and economic development and revitalization.

III. Program Description; Eligible Applicants; Eligible Activities

(A) Program Description

(1) Background

There is a great need for expanding the supply of housing in rural America, particularly affordable housing for low income families and individuals. There are a number of rural areas which have experienced rapid in-migration as a result of a growth in employment opportunities, but which have a shortage of affordable housing. In addition, because of out-migration from rural areas, and other factors causing economic dislocation, many rural areas suffer from severe economic distress. There has been a growing national recognition of the need to enhance the capacity of local and State governments, Indian tribes, local rural nonprofits, and CDCs to expand the supply of affordable housing and to engage in economic development activities in rural areas.

A number of resources are available from the Federal government to address these problems, including programs of the United States Department of Agriculture (USDA), the Economic Development Administration (EDA), the Appalachian Regional Commission (ARC), the Department of Interior (for Indian Tribes) and HUD. The Rural Housing and Economic Development program has been developed to supplement these resources and to focus specifically on capacity building and innovative approaches to both housing and economic development in rural areas. In administering these funds, HUD will encourage coordination between all Federal agencies in support of the program objectives.

(2) Definitions

Areas that have limited capacity for the development of rural housing and economic development means areas in which very few or no institutions or organizations exist which have the capacity to develop housing or economic development activities of the sort proposed in the application.

Colonia means any identifiable community that:

- (i) Is located in the State of Arizona, California, New Mexico, or Texas;
- (ii) Is located in the U.S.-Mexico border region (that is, within 150 miles of the border between the U.S. and Mexico); and
- (iii) Meets objective criteria, including lack of potable water supply, lack of adequate sewage systems, and lack of decent, safe, sanitary, and accessible housing.

Although section 916(e)(4) of the Cranston-Gonzalez National Affordable Housing Act (42 U.S.C. 5306(e)(4)) included the notation that a colonia must have been in existence and generally recognized as such prior to its enactment, HUD recognizes that additional identifiable colonias have come into existence, in the near-decade since the enactment, and are in need of assistance to the same extent as older colonias.

Farmworker means a farm employee of an owner, tenant, labor contractor, or other operator raising or harvesting agricultural or aquacultural commodities; or a worker in the employ of a farm operator, handling planting, drying, packing, grading, storing, delivering to storage or market, or carrying to market agricultural or aquacultural commodities produced by the operator. Seasonal farmworkers are those farm employees who typically do not have a constant year round salary. Migrant farmworkers are those farm employees whose work requires travel that prevents the employee from returning to his or her permanent place of residence within the same day.

Firm commitment means the agreement by which an applicant's partner agrees to perform an activity specified in the application and demonstrates the financial capacity to deliver the resources necessary to carry out the activity, and commits the resources to the activity. Although a firm commitment need not be legally binding, or enforceable, at the time the grant is awarded, it must be legally binding before grant funds may be expended. In documenting a firm commitment, the applicant's partner must:

- (i) Specify the authority by which the commitment is made, the amount of the

commitment and the use of funds. If the committed activity is to be self-financed, the applicant's partner must evidence its financial capability through a corporate or personal financial statement or other appropriate means. If any portion of it is to be financed through a lending institution, the participant must evidence the institution's commitment to fund the loan;

- (ii) State the amount and use of the grant, and the relationship of the grant to the proposed investment; and

(iii) Affirm that its investment is contingent upon receipt of the total grant or other public money (or a specified portion thereof), and state a willingness on the part of the signatory to sign a legally binding commitment upon award of the grant.

Indian tribe means any entity eligible to apply for funding under the Indian Community Development Block Grant (ICDBG) program (see 24 CFR 1003.5(a)).

Innovative housing and economic development activities means tools, techniques, methods, combinations of assistance, construction methods materials, and financing institutions or sources new to the area, region or population served. The innovative activities can also build upon and enhance a model that already exists.

Local rural non-profit or community development corporation means either:

- (i) Any private entity with tax exempt status recognized by the Internal Revenue Service (IRS) which serves the rural area involved in the application (including local affiliates of national organizations that provide technical and capacity building assistance in rural areas); or

(ii) Any public non-profit such as a Council of Governments that serves the rural area.

Rural area may be defined in one of five ways:

- (i) A place having fewer than 2,500 inhabitants (within or outside of metropolitan areas).

(ii) A county with no urban population (i.e., city) of 20,000 inhabitants or more.

(iii) Territory, persons, and housing units in the rural portions of "extended cities." The U.S. Census Bureau identifies the rural portions of extended cities in the United States.

(iv) Open country which is not part of or associated with an urban area. The United States Department of Agriculture (USDA) determines what constitutes "open country."

(v) Any place with a population not in excess of 20,000 which is not located in a Metropolitan Statistical Area.

State economic development or community development agency means any state agency which has promotion of statewide or local community/economic development as its primary purpose.

State Housing Finance Agency means any state agency created to assist local communities and housing providers with financing assistance for development of housing, particularly for low and moderate income people.

(3) Eligible Applicants

Eligible applicants for each of the funding categories are as follows:

(a) *For capacity building funding.* If you are a local rural non-profit, CDC, or Indian tribe, you are eligible for capacity building assistance. If you are a local rural nonprofit/CDC applying for capacity building funds (and are not a local affiliate of a national organization), you must either:

(i) Have experience in providing technical assistance and capacity building assistance in rural areas; or

(ii) Partner with another organization that has such experience.

(b) *For support for innovative activities funding.* If you are a local rural non-profit, CDC, Indian tribe, State HFA, or State economic development or community development agency, you may apply for funding to support innovative housing or economic development activities in rural areas.

(c) *For seed support funding.* If you are a local rural non-profit, CDC, or Indian tribe, you may apply for seed support funding.

(4) Eligible Activities

The following are examples of eligible activities under the Rural Housing and Economic Development program. The examples are illustrative and are not meant to limit the activities that you may propose in your application. Any activity that meets the objective of the Rural Housing and Economic Development program will be considered eligible.

(a) *For capacity building funding.* Capacity building for rural housing and economic development involves the enhancement of existing organizations to carry out new functions and/or perform more effectively existing functions; and the creation of new organizations or institutions to carry out specific functions.

(i) Activities in connection with strengthening existing organizations include hiring qualified staff, supporting and training existing staff, providing software and other tools to provide networking and research capability, and obtaining expertise from

outside sources. They also include hiring staff and training to improve management capability, including development of accounting systems, MIS support and related activities. Eligible activities also include arranging for technical assistance to conduct need assessments, conduct asset inventories, develop strategic plans, assist businesses to prepare pro formas, conduct market research. These activities also include the promotion of fair housing by training local organizations and residents in fair housing issues, and by helping them to file fair housing complaints with HUD, when warranted.

(ii) With regard to new organizations, the Rural Housing and Economic Development program is intended to create new funding sources and financing mechanisms and improve access to existing resources. Eligible activities include technical assistance for and the costs of establishing (but not capitalizing) private community development financial institutions (CDFIs) using Federal funds, lines of credit, revolving loan funds, microenterprises, small business incubators etc. The legal costs of establishing an organization or creating a subsidiary of an existing one are also eligible.

(b) *For support of innovative rural housing and economic development funding.* (i) This category is intended to support, but not be limited to, "hard costs" for both housing and economic development. Eligible activities include preparation of plans, architectural and engineering drawings and reports, financial assistance for acquisition of land and buildings, demolition, purchase of materials, construction costs, the use of local labor markets, and provision of infrastructure.

(ii) With regards to housing, eligible activities include homeownership counseling, application of innovative construction methods, encouraging building design which reflects terrain, weather, and availability of indigenous materials. The latter would include construction training, remedial education and social service support. Building design is subject to the requirements of the Americans with Disabilities Act and section 504 of the Rehabilitation Act of 1973.

(iii) For both housing and economic development, eligible activities include establishing CDFIs, lines of credit, revolving loan funds, microenterprises, small business incubators, provision of direct financial assistance to homeowners/businesses/developers, etc. This can be in the form of establishing default reserves, pooling/

securitization mechanisms, loans, grants, etc.

(c) *For seed support funding.* This category is intended to provide funds for start up costs, either for new organizations/institutions, or for specific projects that will support innovative housing and economic development activities. For organizations, this could include "up front" money for acquiring space and support facilities, as well as hiring staff and other appropriate activities discussed under capacity building. For both housing and economic development projects, eligible activities include purchase of land, options, purchase of inventory and other business "start up" costs as well as all other types of administrative expenses cited in 24 CFR 570.206(g) of the Community Development Block Grant entitlement regulations.

IV. Program Requirements

(A) Statutory Requirements

To be eligible for funding under this NOFA, you, the applicant, must meet all applicable statutory and regulatory requirements. If you need copies of the HUD regulations referenced in this NOFA, they are available at the HUD web site located at <http://www.HUD.gov>. HUD may reject an application from further funding consideration if the activities or projects proposed in the application are not eligible activities and projects, or HUD may eliminate the ineligible activities from funding consideration and reduce the grant amount accordingly.

(B) Threshold Requirements—Compliance With Fair Housing and Civil Rights Laws.

With the exception of Federally recognized Indian tribes, all applicants and their subrecipients must comply with all Fair Housing and civil rights laws, statutes, regulations and executive orders as enumerated in 24 CFR 5.105(a). If you are a Federally recognized Indian tribe, you must comply with the Age Discrimination Act of 1975, section 504 of the Rehabilitation Act of 1973, and the Indian Civil Rights Act.

If you, the applicant, or any of your partners or affiliates—

(1) Have been charged with a systemic violation of the Fair Housing Act by the Secretary alleging ongoing discrimination;

(2) Are a defendant in a Fair Housing Act lawsuit filed by the Department of Justice alleging an ongoing pattern or practice of discrimination; or

(3) Have received a letter of noncompliance findings under Title VI,

Section 504 of the Rehabilitation Act of 1973, or Section 109 of the Housing and Community Development Act of 1974—

HUD will not rank and rate your application under this NOFA if the charge, lawsuit, or letter of findings has not been resolved to the satisfaction of the Department before the application deadline stated in this NOFA. HUD's decision regarding whether a charge, lawsuit, or a letter of findings has been satisfactorily resolved will be based upon whether appropriate actions have been taken to address allegations of ongoing discrimination in the policies or practices involved in the charge, lawsuit, or letter of findings.

(C) Additional Nondiscrimination Requirements

You, the applicant, must comply with the Americans with Disabilities Act, and Title IX of the Education Amendments Act of 1972.

(D) Affirmatively Furthering Fair Housing

With the exception of Indian tribes, if you are a successful applicant, you will have a duty to affirmatively further fair housing. You, the applicant, should include in your work plan the specific steps that you will take to promote and ensure fair housing rights and fair housing choice.

(E) Economic Opportunities for Low and Very Low-Income Persons (Section 3)

You must comply with section 3 of the Housing and Urban Development Act of 1968, 12 U.S.C. 1701u (Economic Opportunities for Low and Very Low-Income Persons) and the HUD regulations at 24 CFR part 135, including the reporting requirements in subpart E, if:

- (1) The amount of your grant exceeds \$20,000; and
- (2) Your funded project involves the construction, reconstruction, conversion or rehabilitation of housing (including the reduction and abatement of lead-based paint hazards), or other public construction which involves buildings and improvements (regardless of ownership).

Section 3 requires recipients to ensure that, to the greatest extent feasible, training, employment and other economic opportunities will be directed to low and very low income persons, particularly those who are recipients of government assistance for housing; and business concerns which provide economic opportunities to low and very low income persons.

(F) Relocation

Any person (including individuals, partnerships, firms, corporations or associations) who moves from real property or moves personal property from real property directly (1) because of a written notice to acquire real property in whole or in part, or (2) because of the acquisition of the real property, in whole or in part, for a HUD-assisted activity is covered by the Federal relocation statute and regulations. Specifically, this type of move is covered by the acquisition policies and procedures and the relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), and the implementing governmentwide regulation at 49 CFR part 24. The relocation requirements of the URA and the governmentwide regulations also cover any person who moves permanently from real property or moves personal property from real property directly because of rehabilitation or demolition for an activity undertaken with HUD assistance.

(G) Forms, Certifications and Assurances

You, the applicant, are required to submit signed copies of the standard forms, certifications, and assurances included in the Appendix to this NOFA.

(H) OMB Circulars

The policies, guidance, and requirements of OMB Circular No. A-87 (Cost Principles Applicable to Grants, Contracts and Other Agreements with State and Local Governments), OMB Circular No. A-122 (Cost Principles for Nonprofit Organizations), OMB Circular No. A-133 (Audits of States, Local Governments, and Non-Profit Organizations), 24 CFR part 84 (Grants and Agreements with Institutions of Higher Education, Hospitals, and other Non-Profit Organizations) and 24 CFR part 85 (Administrative Requirements for Grants and Cooperative Agreements to State, Local, and Federally recognized Indian tribal governments) apply to the award, acceptance and use of assistance under the Rural Housing and Economic Development program NOFA, and to the remedies for noncompliance, except when inconsistent with the provisions of the FY 1999 HUD Appropriations Act, other Federal statutes or the provisions of this NOFA. Copies of the OMB Circulars may be obtained from EOP Publications, Room 2200, New Executive Office Building, Washington, DC 10503, telephone (202) 395-7332 (this is not a toll free number).

(I) Environmental Review

Selection for award does not constitute approval of any proposed sites. Following selection for award, HUD will perform an environmental review of activities proposed for assistance under this part, in accordance with 24 CFR part 50. The results of the environmental review may require that proposed activities be modified or that proposed sites be rejected. Applicants are particularly cautioned not to undertake or commit funds for acquisition or development of proposed properties prior to HUD approval of specific properties or areas. Each application shall contain an assurance that you, the applicant, will assist HUD to comply with part 50; will supply HUD with all available, relevant information to perform an environmental review for each proposed property; will carry out mitigating measures required by HUD or select alternate property; and will not acquire, rehabilitate, convert, lease, repair or construct property, not commit HUD or local funds for these program activities with respect to any eligible property, until HUD approval of the property is received. In supplying HUD with environmental information, grantees are to use the same guidance as provided in the HUD Handbook entitled "Field Environmental Review Processing for HUD Colonias Initiative (HCI) grants" issued January 27, 1998.

(J) Grant Amounts

In the event you, the applicant, are awarded a grant that has been reduced (e.g. the application contained some activities that were ineligible or budget information did not support the request), you will be required to modify your project plans and application to conform to the terms of HUD's approval before execution of a grant agreement. HUD reserves the right to reduce or de-obligate the award if approvable modifications to the proposed project are not submitted by the awardee in the required amounts in a timely manner. Any modifications must be within the scope of the original application. HUD reserves the right not to make awards under this NOFA.

(K) Grant Period

Recipients will have 36 months from the date of funding award to complete all project activities except the final evaluation and reporting, fulfillment and audit requirements and final project close-out.

(L) Negotiations

After all applications have been rated and ranked and a selection has been

made, HUD may require that grantees participate in negotiations to determine the specific tasks and grant budget. Where a specific area or one or more specific sites for project activities are identified in an application or during negotiations, HUD may undertake and complete its environmental review during negotiations. In cases where HUD cannot successfully conclude negotiations or a selected applicant fails to provide HUD with requested information, or if the reduced amount of funding makes the project infeasible, awards will not be made. In such instances, HUD will offer an award to the next highest ranking applicant and proceed with negotiations with that next highest ranking applicant.

(M) Adjustments to Funding

(1) HUD reserves the right to fund less than the full amount requested in your application to ensure the purpose of the program is met. HUD may not fund portions of the applications that are ineligible for funding under applicable program statutory or regulatory requirements, or which do not meet the requirements of this NOFA, but may fund eligible portions of the applications.

(2) If funds remain after funding the highest ranking applications in each funding category, HUD may fund part of the next highest ranking application in the same category (i.e., capacity-building). If the applicant turns down the award offer, or if the project is not feasible at the proposed funding level, HUD will make the same determination for the next highest ranking applications in each category.

(N) All property assisted under the Rural Housing and Economic Development program is covered by the Lead-Based paint Poisoning Prevention Act (42 U.S.C. 4821–4846) and HUD's implementing regulations at 24 CFR part 35.

V. Application Selection Process

(A) Rating and Ranking

(1) General

To review and rate applications, HUD may establish panels including outside experts or consultants to obtain certain expertise and outside points of view, including views from other Federal agencies. A total of 100 points is possible.

(2) Rating

All applicants for funding will be evaluated against the criteria below.

(3) Ranking

Applicants will be ranked separately within each of the three funding categories. Applicants will be selected for funding in accordance with their rank order in each category. If two or more applications are rated fundable and have the same score, but there are insufficient funds to fund all of them, the application(s) with the highest score for Rating Factor 3 (Soundness of Approach) shall be selected.

(B) Initial Screening

During the period immediately following the application deadline, HUD will screen each application to determine eligibility. Applications will be rejected if they:

(1) Are submitted by ineligible applicants (including applicants that do not meet the fair housing and civil rights threshold requirement described in section IV(B) of this NOFA);

(2) Do not serve an eligible rural area; or

(3) Propose a program for which significant activities are ineligible.

HUD will notify you if your application failed to pass the initial screening review.

(C) Rating Factors for Award

Rating Factor 1—Capacity of the Applicant and Relevant Organizational Experience (up to 25 points).

This rating factor addresses the qualifications and experience of the applicant and participating parties to carry out the objectives of the proposed activities within a reasonable time period. HUD will review and evaluate the information provided documenting capacity.

(a) *Rating standard applicable to all funding categories.* For all three funding categories, you must submit evidence of the experience of you and your partners (if any) in leveraging other Federal, local, State and private sector funds.

(b) *Rating standards applicable to individual funding categories.* The three funding categories have different objectives. Accordingly, in addition to the generally applicable rating standard discussed above, different standards will be used to judge the experience and qualifications of the applicants and any partners for each of the three funding categories.

(i) *Capacity Building.* (1) If you, the applicant, are an existing organization, HUD will consider the experience of you and your partners (if any) in housing or economic development programs and the competencies of your core staff to effectively utilize the funds which are being proposed for capacity

building. You must demonstrate experience, including number of units built or economic development activities accomplished. You must describe your basic organization, management structure, and include evidence of internal and external coordination and an adequate accounting system.

(2) If you, the applicant, are a new institution or fund, HUD will consider the experience of a parent or sponsoring organization and its partners (if any) in areas related to the institution or funds and the organizational framework within which they will be established. You must describe the competencies of your core staff to manage the new institution or programs. If your parent or sponsoring organization has a governing board, HUD will consider the experience and relevant background of the board members.

(ii) *Support for Innovative Rural Housing and Economic Development Activities.* HUD will consider the demonstrated experience of you and your partners (if any) in carrying out the type of housing or economic development project or activity for which funding is being sought and the competencies of your staff who will be responsible for carrying it out. Since these funds are for implementation, not capacity building, you must describe the experience, including past achievements, that you and your partners (if any) have in conducting the specific type of activities for which funding is requested. You must also describe the competencies of your core staff to carry out the proposed activities for which you are requesting funding. You must also submit evidence of the experience of you and your partners (if any) in leveraging other Federal, local, State and private sector funds.

(iii) *Seed support.* HUD will consider the demonstrated experience of you and your partners (if any) in carrying out the specific type of program for which the seed support is being requested. You must describe the experience that you and your partners (if any) have in conducting the types of activities for which you are seeking funding, including the competencies of core staff. You must also submit evidence of the experience of you and your partners (if any) in leveraging other Federal, local, State and private sector funds.

Rating Factor 2—Need and Extent of the Problem (up to 25 points).

The Rural Housing and Economic Development program has been designed to address the problems of rural poverty, inadequate housing and lack of economic opportunity. Need will be addressed in two ways—

documentation of the demographics of economic distress (including the special factors discussed below); and demonstrated need for the specific activity or project.

(a) *Demographics of Economic Distress* (up to 10 points). You must provide data documenting economic distress. These data may include poverty rates, unemployment data, out-migration information and other statistics including health problem, crime rates, drug use, wage levels, high school dropout rates, literacy rates, incidence of homelessness, and rates/number of people on public assistance. Because of distances between population centers and low population densities in rural areas, considerable latitude will be allowed in establishing the most appropriate area to which the data apply. If housing shortages in an area are being caused by rapid in-migration, provide information regarding number of new residents and their housing needs. In addition to the data for the area itself, comparative statistics must be provided for the region or State which will document the high level of distress in the area to be served.

(b) *Demographics of Economic Distress—Special Factors* (5 points). Because of the concern of the Department with meeting the needs of certain underserved areas, you will be awarded a total of five points if you are located in or propose to serve the following:

- (i) Areas with very small populations in non-urban areas (2,500 population or less);
- (ii) Migrant and seasonal farmworkers;
- (iii) Indian Tribes; or
- (iv) Colonias

(c) *Demonstrated Need* (up to 10 points).

(i) *For capacity building*. You must document the need for improvement of existing organizations, creation of new institutions, etc. If a new institution or organization is being proposed, you must provide evidence documenting that no existing organization serves the identified need(s) in the area(s) to be served.

(ii) *For support for Innovative Rural Housing and Economic Development Activities*. (1) *General*. HUD will evaluate the importance of the project to the community and the projected outcomes. For both housing and economic development projects, you must describe the importance of the activities to be funded by the grant to the total project. HUD will also consider the degree to which the need for the project or activity has been reflected in

the planning processes of the community.

(2) *For economic development proposals*, you must describe the number of jobs to be created, provisions for job training and linkage to jobs for area residents and the potential for attracting or creating new industry niches, and the extent to which it will build wealth in the community.

(3) *For housing projects*, HUD will evaluate the extent to which the proposed housing satisfies an unmet need. You must provide data which documents the need for increasing the supply of affordable housing in the areas in which housing is to be provided. You must address the issues of the affordability of housing and the cost of housing, as well as the availability of financing. You must use census tracts, political boundaries, neighborhood designations or other delineations to define the area to be served. You must state the source of the information provided. You must provide information on:

- (A) Vacancy rates;
- (B) Substandard housing;
- (C) Shortage of affordable housing (if the shortage of housing has been caused by recent in-migration, provide statistics regarding the number of new residents and describe the problem which this has caused); and
- (D) Rent burden.

(iii) *For Seed Support*. HUD will evaluate the relative importance of the seed support which is being sought to the viability of the project or activity. You must describe the importance of the seed money to be provided to the total project.

Rating Factor 3—Soundness of Approach (up to 30 points).

This factor addresses the quality and anticipated effectiveness of your Statement of Work in meeting the needs you have identified in rating factor 2. HUD will be evaluating your Statement of Work for its proposed activities, reasonableness of costs, and management plan for assuring timely completion of all work. HUD is interested in quickly creating housing and economic development opportunities in rural areas. HUD will consider:

(a) The extent to which your Statement of Work meets the purposes of this NOFA, is logical, feasible, and provides a schedule for the completion of major tasks and deliverables. If your proposed activities will quickly produce demonstrable results and advance the purposes of the Rural Housing and Economic Development program, you will receive a higher score.

(b) The rationale for your proposed activities and methods and why you believe these activities will be most effective in addressing the identified need. If you are proposing new methods for which there is limited knowledge of the effectiveness, you must provide the basis for modifying past practices, and your rationale for why the modified approach will yield more effective results.

(c) The extent to which your management plan identifies the specific actions that you and others responsible for implementing the project will take to complete your proposed activities on time and within budget.

(d) The quality, thoroughness, and reasonableness of the cost estimates provided, including costs broken down by line item for each proposed activity.

Rating Factor 4—Leveraging Resources (up to 10 points).

(a) *Leveraging of Other Funding Commitments (All Funding Categories)* (up to 5 points). HUD will evaluate the extent to which applicants for any of the three funding categories have obtained firm commitments of resources from other Federal, State, local, and private sources. In assigning points for this criterion, HUD will consider the level of outside resources obtained for cash or in kind services that support activities proposed in your application. This criterion is applicable to all three funding categories under this NOFA. The level of outside resources for which commitments are obtained will be evaluated based on their importance to the total program.

(b) *Financial Leverage Projects (Innovative Grants Only)* (up to 5 points). Because HUD fully supports the expansion of lending opportunities to disadvantaged areas of rural America, HUD will award up to 5 points to those applicants which propose—either individually or through coalitions of organizations—to carry out diversified financial leveraging linkages that are designed to mitigate the risk of lending by securing a pool of much larger funds from other funding sources, e.g., private institutions and foundations. In awarding these points, HUD will consider the level of existing leveraging relations with private institutions, foundations, and other entities; and the proposed use of the leveraging funds, e.g., to establish a loan loss reserve; provide gap financing, homeownership assistance, or business loans for firms; to serve as a financial intermediary, etc. This criterion is applicable only to funding for support of innovative rural housing and economic development activities.

Rating Factor 5—Comprehensiveness and Coordination (10 points).

This factor addresses the extent to which your proposed program is coordinated with other ongoing and related activities in the area you propose to serve. The purpose of this factor is to ensure that whenever possible, activities are not operated in isolation, but rather are linked with related activities and organizations to improve the overall effectiveness of all efforts being undertaken as part of your overall effort. In evaluating this factor, HUD will consider the extent to which you have coordinated your activities with other known organizations, participate or promote participation in the state's Consolidated Planning process, and have addressed your described need in a holistic and comprehensive manner through linkages with other activities in the area or approved plans and programs funded by state or local governments.

In evaluating this factor, HUD will consider the extent to which you demonstrate that you have:

(a) Coordinated your proposed plan of activities with those of other groups or organizations in order to best complement and mutually support others' ongoing efforts or programs;

(b) Identified specific actions that have been taken or will be taken to coordinate comprehensive solutions through meetings, information networks, planning processes and other mechanisms with:

(i) Other HUD funded projects/activities; and

(ii) Other Federal, State or locally funded activities, including those proposed or ongoing in the area.

VI. Application Submission Requirements

You must submit a separate application for each funding category you are applying for under this NOFA. The portion of your application consisting of your Statement of Work (see below) must be no more than 25 pages, and must be submitted on 8.5" by 11" paper, with lines double spaced and printed only one side. All pages of the application shall be numbered sequentially. Your application must include the following:

(A) Statement of Work

You must submit a Statement of Work which addresses the rating factors discussed in Section V(C) of this NOFA. The Statement of Work must start with a summary of the proposed program, including your objective, partners (if any), activities, and costs. All of the issues covered in the respective rating

factors must be covered in order to receive full credit in the evaluation of the proposal. Following the summary, the Statement of Work must be organized as follows:

(1) You must describe your organization and the assignment of responsibilities for the work to be carried out under the grant (Rating Factor 1).

(2) You must describe the need and extent of the problem (Rating Factor 2).

(a) If you propose to create a new organization or institution under the capacity building funding category, you must provide evidence documenting that no existing organization or institution exists which serves the need identified in the area.

(b) If you are applying for seed support funding, you must provide evidence documenting that the area has limited capacity for the development of rural housing and economic development.

(3) You must describe the objective of your proposed program (Rating Factor 3). In addressing this submission requirement, you must:

(a) Describe the activities you propose to undertake to address the needs which have been identified, and describe the specific outcomes you expect to achieve.

(b) Include a budget in the format provided which explains the uses of both Federal and non-Federal funds and the period of performance under the grant.

(c) Include a discussion of the process by which the work accomplished with the grant will be evaluated to determine if the objectives of the grant were met. Be specific regarding the qualifications of the evaluator and the process to be used.

(4) You must identify the resources which will be leveraged and explain their importance to the program (Rating Factor 4). To receive the maximum number of points under Rating Factor 4(a), you must provide evidence of firm commitments. The commitment can be contingent upon HUD site approval following environmental review.

(5) You must describe the extent to which your program reflects a coordinated, community based process of identifying needs and building a system to address these needs (Rating Factor 5).

(B) In addition to the Statement of Work, your application must also include an original and two copies of the items listed below:

(1) A transmittal letter;

(2) A table of contents;

(3) A signed SF-424 (application form);

(4) A budget for all funds (Federal and Non-Federal) and a breakdown of all Federal funds requested, in the format provided in the Appendix to this NOFA;

(5) Documentation of funds pledged in support of Rating Factor 4—"Leveraging Resources";

(6) The required certifications (signed, as appropriate, and attached as an Appendix);

(7) Acknowledgment of Application Receipt form (submitted with application and returned to you as verification of timely receipt).

(8) If you are a private nonprofit organization, a copy of your organization's IRS ruling providing tax-exempt status under section 501 of the IRS Code of 1986, as amended.

(9) Documentation demonstrating that the area served meets one of the five definitions of the term "rural area" set forth in section III(A)(2) of this NOFA.

(10) The Environmental Review Assurance.

VII. Corrections to Deficient Applications

After the application due date, HUD may not, consistent with its regulations in 24 CFR part 4, subpart B, consider any unsolicited information you, the applicant, may want to provide. HUD may contact you, however, to clarify an item in your application or to correct technical deficiencies. You should note, however, that HUD may not seek clarification of items or responses that improve the substantive quality of your response to any eligibility or selection factors. *Examples* of curable (correctable) technical deficiencies include your failure to submit the proper certifications or your failure to submit an application that contains an original signature by an authorized official. In each case, HUD will notify you in writing by describing the clarification or technical deficiency. HUD will notify applicants by facsimile or by return receipt requested. Applicants must submit clarifications or corrections of technical deficiencies in accordance with the information provided by HUD within 5 calendar days of the date of receipt of the HUD notification. If your deficiency is not corrected within this time period, HUD will reject your application as incomplete, and it will not be considered for funding.

VIII. Findings and Certifications

Paperwork Reduction Act Statement

The information collection requirements related to this program have been approved by the Office of Management and Budget (OMB) in

accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520). The OMB approval number, once approved, will be published in the **Federal Register**. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection displays a valid control number.

Environmental Impact

A Finding of No Significant Impact with respect to the environment has been made in accordance with HUD regulations at 24 CFR part 50, implementing section 102(2)(C) of the national Environmental Policy Act of 1969 (42 U.S.C. 4332). The Finding of No Significant Impact is available for public inspection during business hours in the Office of the Rules Docket Clerk, Room 10276, Department of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410.

Federalism, Executive Order 12612

The General Counsel, as the Designated Official under section 6(a) of Executive Order 12612, *Federalism*, has determined that the policies contained in this NOFA will not have substantial direct effects on States or their political subdivisions, or on the relationship between the Federal Government and the States, or on the distribution of power and responsibilities among the various levels of government. Specifically, the NOFA solicits applicants to build capacity at the State and local level for rural housing and economic development and to support innovative housing and economic development activities in rural areas, and does not impinge upon the relationships between the Federal government and State and local governments. As a result, the NOFA is not subject to review under the Order.

Prohibition Against Lobbying Activities

You, the applicant, are subject to the provisions of section 319 of the Department of Interior and Related Agencies Appropriation Act for Fiscal Year 1991, 31 U.S.C. 1352 (the Byrd Amendment), which prohibits recipients of Federal contracts, grants, or loans from using appropriated funds for lobbying the executive or legislative branches of the Federal Government in connection with a specific contract, grant, or loan. You are required to certify, using the certification found at Appendix A to 24 CFR part 87, that you will not, and have not, used appropriated funds for any prohibited

lobbying activities. In addition, you must disclose, using Standard Form LLL, "Disclosure of Lobbying Activities," any funds, other than Federally appropriated funds, that will be or have been used to influence Federal employees, members of Congress, and congressional staff regarding specific grants or contracts. Tribes and tribally designated housing entities (TDHEs) established by an Indian tribe as a result of the exercise of the tribe's sovereign power are excluded from coverage of the Byrd Amendment, but tribes and TDHEs established under State law are not excluded from the statute's coverage.

Section 102 of the HUD Reform Act; Documentation and Public Access Requirements

Section 102 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3545) (HUD Reform Act) and the regulations codified in 24 CFR part 4, subpart A, contain a number of provisions that are designed to ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. On January 14, 1992 (57 FR 1942), HUD published a notice that also provides information on the implementation of section 102. The documentation, public access, and disclosure requirements of section 102 apply to assistance awarded under this NOFA as follows:

(1) *Documentation and public access requirements.* HUD will ensure that documentation and other information regarding each application submitted pursuant to this NOFA are sufficient to indicate the basis upon which assistance was provided or denied. This material, including any letters of support, will be made available for public inspection for a 5-year period beginning not less than 30 days after the award of the assistance. Material will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and HUD's implementing regulations in 24 CFR part 15.

(2) *Disclosures.* HUD will make available to the public for 5 years all applicant disclosure reports (HUD Form 2880) submitted in connection with this NOFA. Update reports (also Form 2880) will be made available along with the applicant disclosure reports, but in no case for a period less than 3 years. All reports—both applicant disclosures and updates—will be made available in accordance with the Freedom of Information Act (5 U.S.C. 552) and

HUD's implementing regulations at 24 CFR part 5.

(3) *Publication of Recipients of HUD Funding.* HUD's regulations at 24 CFR 4.7 provide that HUD will publish a notice in the **Federal Register** on at least a quarterly basis to notify the public of all decisions made by the Department to provide:

(i) Assistance subject to section 102(a) of the HUD Reform Act; or

(ii) Assistance that is provided through grants or cooperative agreements on a discretionary (non-formula, non-demand) basis, but that is not provided on the basis of a competition.

Section 103 HUD Reform Act

HUD's regulations implementing section 103 of the Department of Housing and Urban Development Reform Act of 1989 (42 U.S.C. 3537a), codified in 24 CFR part 4, apply to this funding competition. The regulations continue to apply until the announcement of the selection of successful applicants. HUD employees involved in the review of applications and in the making of funding decisions are limited by the regulations from providing advance information to any person (other than an authorized employee of HUD) concerning funding decisions, or from otherwise giving any applicant an unfair competitive advantage. Persons who apply for assistance in this competition must confine their inquiries to the subject areas permitted under 24 CFR part 4.

Applicants or employees who have ethics related questions should contact the HUD Ethics Law Division at (202) 708–3815. (This is not a toll-free number.) For HUD employees who have specific program questions, the employee should contact the appropriate field office counsel, or Headquarters counsel for the program to which the question pertains.

Privacy Act Statement. Except for Social Security Numbers (SSNs) and Employer Identification Numbers (EINs), the Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under section 102 of the Department of Housing and Urban Development Reform Act of 1989, 42 U.S.C. 3531. Disclosure of SSNs and EINs is optional. The SSN or EIN is used as a unique identifier. The information you provide will enable HUD to carry out its responsibilities under Sections 102(b), (c), and (d) of the Department of Housing and Urban Development Reform Act of 1989, Pub. L. 101-235, approved December 15, 1989. These provisions will help ensure greater accountability and integrity in the provision of certain types of assistance administered by HUD. They will also help ensure that HUD assistance for a specific housing project under Section 102(d) is not more than is necessary to make the project feasible after taking account of other government assistance. HUD will make available to the public all applicant disclosure reports for five years in the case of applications for competitive assistance, and for generally three years in the case of other applications. Update reports will be made available along with the disclosure reports, but in no case for a period generally less than three years. All reports, both initial reports and update reports, will be made available in accordance with the Freedom of Information Act (5 U.S.C. §552) and HUD's implementing regulations at 24 CFR Part 15. HUD will use the information in evaluating individual assistance applications and in performing internal administrative analyses to assist in the management of specific HUD programs. The information will also be used in making the determination under Section 102(d) whether HUD assistance for a specific housing project is more than is necessary to make the project feasible after taking account of other government assistance. You must provide all the required information. Failure to provide any required information may delay the processing of your application, and may result in sanctions and penalties, including imposition of the administrative and civil money penalties specified under 24 CFR §12.34.

Note: This form only covers assistance made available by the Department. States and units of general local government that carry out responsibilities under Sections 102(b) and (c) of the Reform Act must develop their own procedures for complying with the Act.

Instructions (See Note 1 on last page.)

I. Overview. Subpart C of 24 CFR Part 12 provides for (1) initial reports from applicants for HUD assistance and (2) update reports from recipients of HUD assistance. An overview of these requirements follows.

A. Applicant disclosure (initial) reports: General. All applicants for assistance from HUD for a specific project or activity must make a number of disclosures, if the applicant meets a dollar threshold for the receipt of covered assistance during the fiscal year in which the application is submitted. The applicant must also make the disclosures if it requests assistance from HUD for a specific housing project that involves assistance from other governmental sources.

Applicants subject to Subpart C must make the following disclosures:

- Assistance from other government sources in connection with the project,
- The financial interests of persons in the project,
- The sources of funds to be made available for the project, and
- The uses to which the funds are to be put.

B. Update reports: General. All recipients of covered assistance must submit update reports to the Department to reflect substantial changes to the initial applicant disclosure reports.

C. Applicant disclosure reports: Specific guidance. The applicant must complete all parts of this disclosure form if **either** of the following **two** circumstances in paragraph 1. or 2., below, applies:

1.a. **Nature of Assistance.** The applicant submits an application for assistance for a specific project or activity (See Note 2) in which:

HUD makes assistance available to a recipient for a specific project or activity; or

HUD makes assistance available to an entity (other than a State or a unit of general local government), such as a public housing agency (PHA), for a specific project or activity, where the application is required by statute or regulation to be submitted to HUD for any purpose; **and**

b. **Dollar Threshold.** The applicant has received, or can reasonably expect to receive, an aggregate amount of all forms of assistance (See Note 3) from HUD, States, and units of general local government, in excess of \$200,000 during the Federal fiscal year (October 1 through September 30) in which the application is submitted. (See Note 4)

2. The applicant submits an application for assistance for a specific housing project that involves other government assistance. (See Note 5) **Note:** There is no dollar threshold for this criterion: **any** other government assistance triggers the requirement. (See Note 6)

If the Application meets **neither** of these two criteria, the applicant need only complete Parts I and II of this report, as well as the certification at the end of the report. If the Application meets **either** of these criteria, the applicant must complete the entire report.

The applicant disclosure report must be submitted with the application for the assistance involved.

D. Update reports: Specific guidance. During the period in which an application for covered assistance is pending, or in which the assistance is being provided (as indicated in the relevant grant or other agreement), the applicant must make the following additional disclosures:

1. Any information that should have been disclosed in connection with the application, but that was omitted.
2. Any information that would have been subject to disclosure in connection with the application, but that arose at a later time, including information concerning an interested party that now meets the applicable disclosure threshold referred to in Part IV, below.
3. For changes in previously disclosed other government assistance:

For programs administered by the Assistant Secretary for Community Planning and Development, any change in other government assistance that exceeds the amount of such assistance that was previously disclosed by \$250,000 or by 10 percent of the assistance (whichever is lower).

For all other programs, any change in other government assistance that exceeds the amount of such assistance that was previously disclosed.

4. For changes in previously disclosed financial interests, any change in the amount of the financial interest of a person that exceeds the amount of the previously disclosed interests by \$50,000 or by 10 percent of such interests (whichever is lower).

5. For changes in previously disclosed sources or uses of funds:

a. For programs administered by the Assistant Secretary for Community Planning and Development:

Any change in a source of funds that exceeds the amount of all previously disclosed sources of funds by \$250,000 or by 10 percent of those sources (whichever is lower); and

Any change in a use of funds under paragraph (b)(1)(iii) that exceeds the amount of all previously disclosed uses of funds by \$250,000 or by 10 percent of those uses (whichever is lower).

b. For all programs, other than those administered by the Assistant Secretary for Community Planning and Development:

For projects receiving a tax credit under Federal, State, or local law, any change in a source of funds that was previously disclosed.

For all other projects, any change in a source of funds that exceeds the lower of:

The amount previously disclosed for that source of funds by \$250,000, or by 10 percent of the amount previously disclosed for that source, whichever is lower; or

The amount previously disclosed for all sources of funds by \$250,000, or by 10 percent of the amount previously disclosed for all sources of funds, whichever is lower.

c. For all programs, other than those administered by the Assistant Secretary for Community Planning and Development:

For projects receiving a tax credit under Federal, State, or local law, any change in a use of funds that was previously disclosed.

For all other projects, any change in a use of funds that exceeds the lower of:

The amount previously disclosed for that use of funds by \$250,000, or by 10 percent of the amount previously disclosed for that use, whichever is lower; or

The amount previously disclosed for all uses of funds by \$250,000, or by 10 percent of the amount previously disclosed for all uses of funds, whichever is lower.

Note: Update reports must be submitted within 30 days of the change requiring the update. The requirement to provide update reports only applies if the application for the underlying assistance was submitted on or after the effective date of Subpart C.

II. Line-by-Line Instructions.

A. Part I. Applicant/Recipient Information.

All applicants for HUD assistance specified in Section I.C.1.a., above, as well as all recipients required to submit an update report under Section I.D., above, must complete the information required by Part I. The applicant/recipient must indicate whether the disclosure is an initial or an update report. Line-by-line guidance for Part I follows:

1. Enter the full name, address, city, State, zip code, and telephone number (including area code) of the applicant/recipient. Where the applicant/recipient is an individual, the last name, first name, and middle initial must be entered. Entry of the applicant/recipient's SSN or EIN, as appropriate, is optional.

2. Applicants enter the name and full address of the project or activity for which the HUD assistance is sought. Recipients enter the name and full address of the HUD-assisted project or activity to which the update report relates. The most appropriate government identifying number must be used (e.g., RFP No.; IFB No.; grant announcement No.; or contract, grant, or loan No.) Include prefixes.

3. Applicants describe the HUD assistance referred to in Section I.C.1.a. that is being requested. Recipients describe the HUD assistance to which the update report relates.

4. Applicants enter the HUD program name under which the assistance is being requested. Recipients enter the HUD program name under which the assistance, that relates to the update report, was provided.

5. Applicants enter the amount of HUD assistance that is being requested. Recipients enter the amount of HUD assistance that has been provided and to which the update report relates. The amounts are those stated in the application or award documentation. NOTE: In the case of assistance that is provided pursuant to contract over a period of time (such as project-based assistance under section 8 of the United States Housing Act of 1937), the amount of assistance to be reported includes all amounts that are to be provided over the term of the contract, irrespective of when they are to be received.

Note: In the case of Mortgage Insurance under 24 CFR Subtitle B, Chapter II, the mortgagor is responsible for making the applicant disclosures, and the mortgagee is responsible for furnishing the mortgagor's disclosures to the Department. Update reports must be submitted directly to HUD by the mortgagor.

Note: In the case of the Project-Based Certificate program under 24 CFR Part 882, Subpart G, the owner is responsible for making the applicant disclosures, and the PHA is responsible for furnishing the owner's disclosures to HUD. Update reports must be submitted through the PHA by the owner.

B. Part II. Threshold Determinations — Applicants Only

Part II contains information to help the applicant determine whether the remainder of the form must be completed. **Recipients filing Update Reports should not complete this Part.**

1. The first question asks whether the applicant meets the Nature of Assistance and Dollar Threshold requirements set forth in Section I.C.1. above.

If the answer is Yes, the applicant must complete the remainder of the form. If the answer is No, the form asks the applicant to certify that its response is correct, and to complete the next question.

2. The second question asks whether the application is for a specific housing project that involves other government assistance, as described in Section I.C.2. above.

If the answer is Yes, the applicant must complete the remainder of the form. If the answer is No, the form asks the applicant to certify that its response is correct.

If the answer to both questions 1 and 2 is No, the applicant need not complete Parts III, IV, or V of the report, but must sign the certification at the end of the form.

C. Part III. Other Government Assistance.

This Part is to be completed by both applicants filing applicant disclosure reports and recipients filing update reports. Applicants must report any other government assistance involved in the project or activity for which assistance is sought. Recipients must report any other government assistance involved in the project or activity, to the extent required under Section I.D.1., 2., or 3., above.

Other government assistance is defined in note 5 on the last page. For purposes of this definition, other government assistance is expected to be made available if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the assistance will be forthcoming.

Both applicant and recipient disclosures must include all other government assistance involved with the HUD assistance, as well as any other government assistance that was made available before the request, but that has continuing vitality at the time of the request. Examples of this latter category include tax credits that provide for a number of years of tax benefits, and grant assistance that continues to benefit the project at the time of the assistance request.

The following information must be provided:

1. Enter the name and address, city, State, and zip code of the government agency making the assistance available. Include at least one organizational level below the agency name. For example, U.S. Department of Transportation, U.S. Coast Guard; Department of Safety, Highway Patrol.
2. Enter the program name and any relevant identifying numbers, or other means of identification, for the other government assistance.
3. State the type of other government assistance (e.g., loan, grant, loan insurance).
4. Enter the dollar amount of the other government assistance that is, or is expected to be, made available with respect to the project or activities for which the HUD assistance is sought (applicants) or has been provided (recipients).

If the applicant has no other government assistance to disclose, it must certify that this assertion is correct.

To avoid duplication, if there is other government assistance under this Part and Part V, the applicant/recipient should check the appropriate box in this Part and list the information in Part V, clearly designating which sources are other government assistance.

D. Part IV. Interested Parties.

This Part is to be completed by both applicants filing applicant disclosure reports and recipients filing update reports.

Applicants must provide information on:

- (1) All developers, contractors, or consultants involved in the application for the assistance or in the planning, development, or implementation of the project or activity and
- (2) any other person who has a financial interest in the project or activity for which the assistance is sought that exceeds \$50,000 or 10 percent of the assistance (whichever is lower).

Recipients must make the additional disclosures referred to in Section I.D.1., 2., or 4, above.

Note: A financial interest means any financial involvement in the project or activity, including (but not limited to) situations in which an individual or entity has an equity interest in the project or activity, shares in any profit on resale or any distribution of surplus cash or other assets of the project or activity, or receives compensation for any goods or services provided in connection with the project or activity. Residency of an individual in housing for which assistance is being sought is not, by itself, considered a covered financial interest.

The information required below must be provided.

1. Enter the full names and addresses of all persons referred to in paragraph (1) or (2) of this Part. If the person is an entity, the listing must include the full name of each officer, director, and principal stockholder of the entity. All names must be listed alphabetically, and the names of individuals must be shown with their last names first.
2. Entry of the Social Security Number (SSN) or Employee Identification Number (EIN), as appropriate, for each person listed is optional.
3. Enter the type of participation in the project or activity for each person listed: i.e., the person's specific role in the project (e.g., contractor, consultant, planner, investor).
4. Enter the financial interest in the project or activity for each person listed. The interest must be expressed both as a dollar amount and as a percentage of the amount of the HUD assistance involved.

If the applicant has no persons with financial interests to disclose, it must certify that this assertion is correct.

5. Part V. Report on Sources and Uses of Funds. This Part is to be completed by both applicants filing applicant disclosure reports and recipients filing update reports.

The applicant disclosure report must specify all expected sources of funds — both from HUD and from any other source — that have been, or are to be, made available for the project or activity. Non-HUD sources of funds typically include (but are not limited to) other government assistance referred to in Part III, equity, and amounts from foundations and private contributions. The report must also specify all expected uses to which funds are to be put. All sources and uses of funds must be listed, if, based on an assessment of all the circumstances involved, there are reasonable grounds to anticipate that the source or use will be forthcoming.

Note that if any of the source/use information required by this report has been provided elsewhere in this application package, the applicant need not repeat the information, but need only refer to the form and location to incorporate it into this report. (It is likely that some of the information required by this report has been provided on SF 424A, and on various budget forms accompanying the application.) If this report requires information beyond that provided elsewhere in the application package, the applicant must include in this report all the additional information required.

Recipients must submit an update report for any change in previously disclosed sources and uses of funds as provided in Section I.D.5., above.

General Instructions — sources of funds

The prospective primary participant further agrees by submitting this proposal that it will include the clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines this eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

10. Except for transactions authorized under paragraph (6) of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification B: Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions

1. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency.

2. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

Instructions for Certification (B)

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.

4. The terms **covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principal, proposal, and voluntarily excluded**, as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this proposal is submitted for assistance in obtaining a copy of these regulations.

5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.

6. The prospective lower tier participant further agrees by submitting this proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph (5) of these instructions, if a participant in a lower tier covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies including suspension and/or debarment.

Environmental Review Assurances

The award of funds under this program is subject to the environmental review requirements of 24 CFR part 50. These requirements only apply to grant-funded projects fully or partially funded by HUD, undertaken by grantees and all tiers of subgrantees and subcontractors.

When a project is limited to activities described in 24 CFR 50.19, it does not require an environmental review. All other activities (for example, acquisition of real property, construction and alteration) are subject to an environmental review. Since the approval of the initial grants in this program must occur prior to the identification of properties to be treated, as is provided for in 24 CFR 50.3(h), the applicant hereby agrees that it will assist HUD to comply with 24 CFR part 50, and that the applicant shall:

1. Advise HUD of all projects requiring a review under 24 CFR part 50 prior to their approval and supply HUD with all available and relevant information necessary for HUD to perform for each property any environmental review required by 24 CFR part 50;
2. Carry out mitigating measures required by HUD or select an alternate property or project;
3. Not acquire, rehabilitate, convert, lease, repair or construct property, nor commit or expend HUD or local funds for these program activities on a HUD-assisted project until HUD has completed an environmental review to the extent required under 24 CFR 50 and has given notification of its approval in accordance with 24 CFR 50.3(h)(3); and
4. Include the above requirements in all subgrants and subcontracts.
