Nabors Drilling USA, Inc., East Texas/North Louisiana District, Kilgore, Texas; Amended Certification Regarding Eligibility to Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 28, 1998, applicable to workers of Nabors USA, Inc., East Texas/North Louisiana District, headquarters in Kilgore, Texas operating at various locations in Texas and Louisiana. The notice was published in the **Federal Register** on January 25, 1999 (64 FR 3721).

At the request of the State Agency, the Department reviewed the certification for workers of the subject firm. New findings show that the Department incorrectly identified the subject firm title name. The investigation conducted for the subject firm was conducted on behalf of the workers at Nabors USA, Inc., East Texas/North Louisiana District, headquarters in Kilgore, Texas operating at various locations in Texas and Louisiana. "Nabors USA, Inc." is not the subject of the investigation. The

Department is amending the certification determination to correctly identify the subject firm title name to read "Nabors Drilling USA, Inc."

The amended notice applicable to TA-W-35,200 is hereby issued as follows:

All workers of East Texas/North Louisiana District of Nabors Drilling USA, Inc., operating at various locations in Texas and Louisiana, who are engaged in employment related to the exploration and drilling of crude oil and natural gas who became totally or partially separated from employment on or after October 22, 1997 through December 28, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC this 25th day of February 1999.

Paxar Woven Label, Paterson, New Jersey; Notice of Affirmative Determination Regarding Application For Reconsideration

By letter of January 8, 1999 the petitioner requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to petition number TA-W-34,896. The denial notice was signed on December 11, 1998 and published in the **Federal Register** on December 23, 1998 (63 FR 71165).

The petitioner requested administrative reconsideration but did not provide new information which would support a reopening of the case. The Department, however, reviewed the evidence gathered in the course of the initial investigation and concluded that a review of its determination was warranted.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 8th day of March 1999.
