

Centreville, Mississippi. The notice was published in the **Federal Register** on December 16, 1998 (63 FR 69313).

At the request of the petitioners, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations will occur at William Carter's Thomaston, Georgia and Mill #10, Sandersville, Georgia facilities when they close in April, 1999. The workers are engaged in the production of infants' basic and designer apparel and children's playwear.

Accordingly, the Department is amending the certification to cover workers at William Carter Company, Thomaston, Georgia and Mill #10, Sandersville, Georgia. The intent of the Department's certification is to include all workers of William Carter Company adversely affected by increased imports.

The amended notice applicable to TA-W-35,077 is hereby issued as follows:

All workers of William Carter Company, Centreville, Mississippi (TA-W-35,077), Thomaston, Georgia (TA-W-35,077A) and Mill #10, Sandersville, Georgia (TA-W-35,077B) who became totally or partially separated from employment on or after September 22, 1997 through November 18, 2000 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, D.C. this 6th day of February, 1999.

Grant D. Beale,

Acting Director, Office of Trade Adjustment Assistance.
