### III. Administrative Requirements

#### A. Docket

The docket is an organized and complete file of all the information considered by the EPA in the development of an action. Although this action is not a rulemaking, a docket has been established for the consumer and commercial product study and subsequent product category list and schedule for regulation. The docket number is A-94-65. The docket is a dynamic file, since material is added throughout the development of an action. The docketing system is intended to allow members of the public to readily identify and locate documents so that they can effectively participate in the process.

#### B. Regulatory Requirements

##### 1. General

Today's action is not a rule; it is a notice regarding the EPA's regulatory schedule which does not impose regulatory requirements or costs. Therefore, the EPA has not prepared an assessment of the potential costs and benefits pursuant to Executive Order 12866, an economic impact analysis pursuant to section 317, a regulatory flexibility analysis pursuant to the Regulatory Flexibility Act (5 U.S.C. 601, *et seq.*), or a budgetary impact statement pursuant to the Unfunded Mandates Act of 1995. Also, this **Federal Register** document does not contain any information collection requirements and, therefore, is not subject to the Paperwork Reduction Act (44 U.S.C. 3501, *et seq.*). This action does not establish any technical standards that would require the EPA to consider voluntary consensus standards pursuant to section 12(d) of the National Technology Transfer and Advancement Act of 1995.

##### 2. Executive Order 12866 and Office of Management and Budget Review

Under Executive Order 12866 (58 FR 51735, October 4, 1993), the EPA must determine whether regulatory actions are significant and therefore subject to Office of Management and Budget (OMB) review and the requirements of the Executive Order. The Order defines "significant regulatory action" as one that is likely to lead to a rule that may:

- (1) Have an annual effect on the economy of \$100 million or more, or adversely and materially affect a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities;
- (2) create a serious inconsistency or otherwise interfere with an action taken or planned by another agency;
- (3) materially alter the budgetary impact of entitlements, grants, user fees, or loan programs, or the rights and obligation of recipients thereof; or
- (4) raise novel legal or policy issues arising out of legal mandates, the President's priorities, or the principles set forth in the Executive Order.

Pursuant to the terms of the Executive Order, OMB has notified the EPA that it considers this is not a "significant regulatory action" within the meaning of the Executive Order and OMB review is not required.

(collectively "Inter-Maritime Forwarding"). The complaint was served March 12, 1999.

Complainant alleges that Respondents Inter-Maritime Container Lines, as non-vessel operating common carriers and Respondents Inter-Maritime Forwarding, as freight forwarders, violated sections 10(a)(1) and (d)(1) of Shipping Act of 1984, 46 U.S.C. app. §§ 1709(a)(1) and (d)(1), and moreover, that Respondents Inter-Maritime Forwarding violated 46 CFR 510.21(f) and 46 CFR 510.2(h)(11). Complaint alleges that Respondents Inter-Maritime Container Lines, from 1995 through 1998, contracted for Complainant to provide ocean transportation, knowingly and fraudulently misrepresented to Complainant that they would pay ocean freight and related charges, refused to remit payments, and induced Complainant to lose its lien on cargo by misrepresenting they would collect money from the underlying shippers and then refused to remit payment. Complainant alleges that Respondents Inter-Maritime Forwarding fraudulently received money as freight forwarder for Respondents Inter-Maritime Container Lines, knowingly and fraudulently misrepresented that they would collect money from shippers and then refused to remit payment, induced Complainant to lose its lien by misrepresenting that they would collect money from shippers and refused to remit payment as agreed to in their

capacity as licensed freight forwarders, and prepared false and fraudulent shipping documents.

This proceeding has been assigned to the office of Administrative Law Judges. Hearing in this matter, if any is held, shall commence within the time limitations prescribed in 46 CFR 502.61, and only after consideration has been given by the parties and the presiding officer to the use of alternative forms of dispute resolution. The hearing shall include oral testimony and cross-examination in the discretion of the presiding officer only upon proper showing that there are genuine issues of material fact that cannot be resolved on the basis of sworn statements, affidavits, depositions, or other documents or that the nature of the matter in issue is such that an oral hearing and cross-examination are necessary for the development of an adequate record. Pursuant to the further terms of 46 CFR 502.61, the initial decision of the presiding officer in the proceeding shall be issued by March 13, 2000, and the final decision of the Commission shall be issued by July 11, 2000.
