

Commission is formulating its budget request for fiscal year 2001, which begins on October 1, 2000.

Accordingly, the Commission will conduct a public hearing on April 29, 1999 to receive comments from the public concerning its agenda and priorities for fiscal year 2001. The Commissioners desire to obtain the views of a wide range of interested persons including consumers; manufacturers, importers, distributors, and retailers of consumer products; members of the academic community; consumer advocates; and health and safety officers of state and local governments.

The Commission is charged by Congress with protecting the public from unreasonable risks of injury associated with consumer products. The Commission enforces and administers the Consumer Product Safety Act (15 U.S.C. 2051 *et seq.*); the Federal Hazardous Substances Act (15 U.S.C. 1261 *et seq.*); the Flammable Fabric Act (15 U.S.C. 1191 *et seq.*); the Poison Prevention Packaging Act (15 U.S.C. 1471 *et seq.*); and the Refrigerator Safety Act (15 U.S.C. 1211 *et seq.*). Standards and regulations issued under provisions of those statutes are codified in the Code of Federal Regulations, title 16, chapter II.

While the Commission has broad jurisdiction over products used by consumers, its staff and budget are limited. Section 4(j) of the CPSA expresses Congressional direction to the Commission to establish an agenda for action each fiscal year and, if feasible, to select from that agenda some of those projects for priority attention.

Persons who desire to take oral presentations at the hearing on April 29, 1999, should call or write Rockelle Hammon, Office of the Secretary, Consumer Product Safety Commission, Washington, D.C. 20207, telephone (301) 504-0800, telefax (301) 504-0127, or e-mail, cpsc-cpsc-os@copsc.gov, no later than April 15, 1999.

Presentations should be limited to approximately ten minutes. Persons desiring to make oral presentations must submit the written text of their presentations to the Office of the Secretary not later than April 22, 1999. The Commission reserves the right to impose further time limitations on all presentations and further restrictions to avoid duplication of presentations. The hearing will begin at 10 a.m. on April 29, 1999 and will conclude the same day.

Dated: March 26, 1999.

Sadye E. Dunn,

Secretary, Consumer Product Safety Commission.
