SUPPLEMENTARY INFORMATION:

Background

We are announcing a Town Hall meeting to provide an opportunity for nursing homes, beneficiary advocates, and other interested parties to ask questions and raise issues regarding the skilled nursing facility (SNF) prospective payment system (PPS) and the quality of care in nursing homes. On May 12, 1998, we published an interim final rule with comment period to implement SNF PPS (63 FR 26252). Initially, we provided a 60-day period for public comment. In response to requests from the industry, we extended the comment period twice (see 63 FR 37498 (July 13, 1998) and 63 FR 65561 (November 27, 1998)). The comment period for the SNF PPS interim final rule ended on December 28, 1998. We are currently developing the final rule and we expect to publish it soon. In developing the final rule, we are considering all public comments properly submitted during the public comment period. We will not accept any further comments on the interim final rule at this Town Hall meeting; that is, this meeting does not mean we are extending the public comment period.

In addition to the implementation of SNF PPS, we have embarked on an ambitious program to improve the quality of care in all nursing facilities. These two major initiatives have had wide-ranging effects on nursing facilities. The public has raised questions about how we propose to implement various aspects of these initiatives; how they interrelate; and how, and to what extent, we currently anticipate acting on current research and experience as a means of initiating future improvements in our quality assurance and payment systems.

This Town Hall meeting provides a forum for addressing these issues. We anticipate participation by nursing homes, nursing home organizations, hospital organizations, professional medical and allied health organizations, therapy and other nursing home supplier organization groups, national nursing home advocacy organizations, the press, and other members of the public with an interest in future SNF PPS and quality of care nursing home issues.

We intend that the meeting will provide a forum for the aforementioned

groups to ask questions and raise issues about SNF PPS and quality of care in nursing homes. We intend to discuss our research efforts and the general direction that we are moving toward concerning these topics.

The format of the meeting will include an overview of the SNF PPS and quality of care topics. There will be a panel for each of the following topics:

- An update and future refinements to the skilled nursing facility/prospective payment system including a discussion of nontherapy ancillary services and consolidated billing.
- Outpatient therapy caps and other Part B issues.
- Skilled nursing facility coverage and medical review.
- Nursing home enforcement and quality issues.

We will allow short (10-20 minutes) presentations by the public and our staff on these topics. The meeting will conclude with a question-and-answer session during which the public may raise issues related to the topics discussed.

Individuals who wish to make a presentation or be panelists at the meeting must contact Jackie Gordon at (410) 786-4517 or via e-mail at JGordon2@hcfa.gov or Martha Kuespert at (410) 786-4605 or via e-mail MKuespert@hcfa.gov no later than April 16, 1999. It is important that parties wishing to participate at the meeting include the topic for the panel on which they wish to participate. Also, because of time constraints, only a limited number of parties will be able to make presentations. We will notify participants who have been selected to make a presentation. We will not assign presentation times until the end of the public notice period established by this notice.

While the meeting is open to the public, attendance is limited to space available. Individuals must register in advance as described below.

Office of Inspector General

Program Exclusions: March 1999

AGENCY: Office of Inspector General, HHS.

ACTION: Notice of program exclusions. During the month of March 1999, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.
