Northern Natural Gas Company; Notice of Request Under Blanket Authorization

April 8, 1999.

Take notice that on April 5, 1999, Northern Natural Gas Company (Northern), 1111 South 103rd Street, Omaha, Nebraska 68124-1000, filed in Docket No. CP99-286-000 a request pursuant to sections 157.205, 157.212 and 157.216 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212 and 157.216) for authorization to upgrade an existing Town Border Station (TBS) located in O'Brien County, Iowa, to provide incremental natural gas deliveries to MidAmerican Energy Company (MidAmerican) under Northern's blanket certificate issued in Docket No. CP82-401-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection. The application may be viewed on the web at www.ferc.fed.us. Call (202) 208–2222 for assistance.

Northern states that it requests authority to upgrade the existing TBS at an estimated cost of \$85,000 to provide incremental natural gas deliveries to MidAmerican under currently effective throughput service agreements. Estimated incremental volumes to MidAmerican at this TBs will be 275 MMBtu on a peak day and 8,250 MMBtu on an annual basis.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 385.214) a motion to intervene or notice of intervention and pursuant to section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.

[Docket No. GT99-16-000]

Northwest Pipeline Corporation; Notice of proposed changes in FERC gas tariff and filing of non-conforming service agreements

April 8, 1999.

Take notice that on April 5, 1999, Northwest Pipeline Corporation (Northwest) tendered for filing and acceptance (1) seven non-conforming service agreements, and (2) Third Revised Sheet No. 364 and First Revised Sheet No. 365 of its FERC Gas Tariff, Third Revised Volume No. 1, to be effective May 6, 1999.

Northwest states that six of the nonconforming service agreements contain either contract-specific operational flow order provisions or provisions imposing subordinate primary corridor rights. The seventh service agreement contains a provision that obligates the shipper to reallocate a portion of its receipt point capacity or pay additional facility charges if Northwest initiates an expansion project to reduce required south flow displacement. The tariff sheets are submitted to add such agreements to the list of non-conforming service agreements contained in Northwest's tariff.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. [Docket No. TM99-1-37-001]

Northwest Pipeline Corporation; Notice of Compliance Filing

April 8, 1999.

Take notice that on April 5, 1999, Northwest Pipeline Corporation (Northwest) tendered for filing as part of its FERC Gas Tariff the following tariff sheets, to be effective May 1, 1999:

Third Revised Volume No. 1 Eleventh Revised Sheet No. 14;

Original Volume No. 2

Twenty-Sixth Revised Sheet No. 2.1

Northwest states that the purpose of this filing is to comply with the Commission's letter order dated March 31, 1999 in Docket No. TM99–1–37–000 which directed Northwest to revise its fuel reimbursement factor (Factor) for Northwest's transportation service Rate Schedules TF–1, TF–2, TI–1 and for all transportation service rate schedules

contained in Original Volume No. 2 of Northwest's FERC Gas Tariff.

Northwest states that the revised Factor of 0.84% is calculated using a two-year average of actual lost and unaccounted-for gas as directed by the Commission. Northwest seeks waiver of any necessary regulations so that the proposed tariff sheets may be effective May 1, 1999.

Northwest states that a copy of this filing has been served upon each person designated on the official service list compiled by the Secretary in this proceeding.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. All such protests must be filed as provided in Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. [Docket No. CP99-288-000]

Texas Gas Transmission Corporation; Notice of Application

April 8, 1999.

Take notice that on April 6, 1999, Texas Gas Transmission Corporation (Texas Gas), 3800 Frederica Street, Owensboro, Kentucky 42301, filed an application with the Commission in Docket No. CP99-288-000 pursuant to Section 7 of the Natural Gas Act (NGA) for permission and approval to abandon an interruptible transportation service performed for Tennessee Gas Pipeline Company (Tennessee) under Texas Gas' FERC Gas Tariff Rate Schedule X-82, all as more fully set forth in the request which is open to the public for inspection. The application may be viewed on the web at www.ferc.fed.us. Call (202) 208-2222 for assistance.

Texas Gas received authority on December 7, 1979, to transport up to 80,000 Mcf of natural gas and associated liquids per day for Tennessee via its capacity in the High Island Offshore System and the Michigan Wisconsin Pipe Line Company from West Cameron Block 167, offshore Louisiana, to an exchange point between Texas Gas and Tennessee at Egan, Acadia Parish, Louisiana. Texas Gas states that Tennessee no longer needs this interruptible transportation service. By mutual agreement, the parties via a letter dated March 8, 1999, terminated the transportation service. No facilities would be abandoned in this proposal.

Any person desiring to be heard or to make any protest with reference to said application should on or before April 29, 1999, file with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the NGA (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the NGA and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be unnecessary for Texas Gas to appear or be represented at the hearing.
