Announcement of Open Membership Application Period for the Information Reporting Program Advisory Committee

AGENCY: Internal Revenue Service (IRS), Treasury.

SUMMARY: In 1991 the Internal Revenue Service (IRS) established the Information Reporting Program Advisory Committee (IRPAC) at the request of the United States Congress. The primary purpose of IRPAC is to provide an organized public forum for discussion of relevant information reporting issues between officials of the IRS and representatives of the payer community. IRPAC offers constructive observations about current or proposed policies, programs, and procedures, and when necessary, suggests ways to improve the operation of the Information Reporting Program. IRPAC is currently comprised of 20 representatives from various segments of the private-sector payer community. About half of these appointments to IRPAC will expire at the end of 1999. Additional members will be selected for two-year terms beginning in January 2000. The IRS is interested in representation from different areas of the payer community.

SUPPLEMENTARY INFORMATION: IRPAC reports to the National Director, Office of Specialty Taxes, who is the executive responsible for ensuring and facilitating compliance by payers with information reporting requirements. IRPAC is instrumental in providing advice to enhance the IRP Program. Increasing participation by external stakeholders in the planning and improvement of the tax system will help achieve the goals of increasing voluntary compliance, reducing burden, and improving customer service. IRPAC members are not paid for their time or services, but consistent with Federal regulations, they will be reimbursed for their travel

and lodging expenses to attend two public meetings each year. IRPAC members are expected to attend and pay their own way to four working sessions each year, which are generally held in Washington, DC. Occasionally, a meeting will be held in New York, NY; Martinsburg, WV; Austin, TX; or elsewhere.

Anyone wishing to be considered for membership on IRPAC should so advise the IRS. Please complete the following application questionnaire (or a facsimile thereof prepared on a word processor), and forward it to Ms. Kate LaBuda of the Office Payer Compliance, at the address below.

Renewable Electricity Production Credit, Publication of Inflation Adjustment Factor and Reference Prices for Calendar Year 1999

AGENCY: Internal Revenue Service (IRS), Treasury.

ACTION: Publication of inflation adjustment factor and reference prices for calendar year 1999 as required by section 45(d)(2)(A) (26 U.S.C. 45(d)(2)(A)).

SUMMARY: The 1999 inflation adjustment factor and reference prices are used in determining the availability of the renewable electricity production credit under section 45(a).

DATES: The 1999 inflation adjustment factor and reference prices apply to calendar year 1999 sales of kilowatt hours of electricity produced in the United States or a possession thereof from qualified energy resources.

Inflation Adjustment Factor

The inflation adjustment factor for calendar year 1999 is 1.1269.

Reference Prices

The reference prices for calendar year 1999 are 4.836¢ per kilowatt hour for facilities producing electricity from wind and 0¢ per kilowatt hour for facilities producing electricity from closed-loop biomass. The reference price for electricity produced from closed-loop biomass, as defined in section 45(c)(2), is based on a determination under section 45(d)(2)(C) that in calendar year 1998 there were no sales of electricity generated from closed-loop biomass energy resources under contracts entered into after December 31, 1989.

Because the 1999 reference prices for electricity produced from wind and closed-loop biomass energy resources do not exceed 8¢ multiplied by the inflation adjustment factor, the phaseout of the credit provided in section 45(b)(1) does not apply to electricity sold during calendar year 1999.

Credit Amount

As required by section 45(b)(2), the 1.5¢ amount in section 45(a)(1) is adjusted by multiplying such amount by the inflation adjustment factor for the calendar year in which the sale occurs. If any amount as increased under the
