

preliminary permit application must conform with 18 CFR 4.30(b) and 4.36.

Preliminary Permit—Any qualified development applicant desiring to file a competing development application must submit to the Commission, on or before a specified comment date for the particular application, either a competing development application or a notice of intent to file such an application. Submission of a timely notice of intent to file a development application allows an interested person to file the competing application no later than 120 days after the specified comment date for the particular application. A competing license application must conform with 18 CFR 4.30(b) and 4.36.

Notice of intent—A notice of intent must specify the exact name, business address, and telephone number of the prospective applicant, and must include an unequivocal statement of intent to submit, if such an application may be filed, either a preliminary permit application or a development application (specify which type of application). A notice of intent must be served on the applicant(s) named in this public notice.

Proposed Scope of Studies under Permit—A preliminary permit, if issued, does not authorize construction. The term of the proposed preliminary permit would be 36 months. The work proposed under the preliminary permit would include economic analysis, preparation of preliminary engineering plans, and a study of environmental impacts. Based on these studies, the Applicant would decide whether to proceed with the preparation of a development application to construct and operate the project.

Comments, Protests, or Motions to Intervene—Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Filing and Service of Responsive Documents—Any filings must bear in all capital letters the title "COMMENTS", "NOTICE OF INTENT TO FILE COMPETING APPLICATION", "COMPETING APPLICATION", "PROTEST", "MOTION TO

INTERVENE", as applicable, and the Project Number of the particular application to which the filing refers. Any of the above-named document must be filed by providing the original and the number of copies provided by the Commission's regulations to: The Secretary, Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426. An additional copy must be sent to Director, Division of Project Review, Federal Energy Regulatory Commission, at the above-mentioned address. A copy of any notice of intent, competing application or motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

Agency Comments—Federal, state, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the Applicant. If any agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Maximum Residue Limit Petitions for Pesticides on Food/Feed and New Inert Ingredients; Renewal of Pesticide Information Collection Activities and Request for Comments

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: In compliance with the Paperwork Reduction Act (PRA) (44 U.S.C. 3501 *et seq.*), this notice announces that the EPA is seeking public comment on the following Information Collection Request (ICR): "Maximum Residue Limit Petitions for Pesticides on Food/Feed and New Inert Ingredients," (EPA ICR No. 0597.07, OMB No. 2070-0024). This ICR involves a collection activity that is currently approved. The ICR describes the nature of the information collection activity and its expected burden and costs. Before submitting this ICR to the Office of Management and Budget (OMB) for review and approval under the PRA, EPA is soliciting comments on specific aspects of the collection.

DATES: Written comments must be received on or before August 9, 1999.

ADDRESSES: Comments may be submitted by mail, electronically, or in person. Please follow the detailed instructions for each method as provided in Unit III. of the "SUPPLEMENTARY INFORMATION" section of this notice.

FOR FURTHER INFORMATION CONTACT: Cameo Smoot, Office of Pesticide Programs, Mail Code 7506C, Environmental Protection Agency, 401 M St., SW., Washington, DC 20460, telephone: 703-305-5454, fax: 703-305-5884, e-mail: smoot.cameo@epa.gov.

SUPPLEMENTARY INFORMATION:

I. Does this Notice Apply to Me?

You may be potentially affected by this notice if you have submitted a petition for a Maximum Residue Limit (MRL) or an exemption to the requirement for a MRL for an active or inert ingredient used in pesticides. By law, to protect the public health from unsafe pesticide residues, EPA is authorized to set MRLs on the nature and level of residues permitted to remain on food or feed (see sections 408(a)(1)(A) and (a)(1)(B) and section 408(b)(1) of the Federal Food, Drug and Cosmetic Act (FFDCA)). This ICR covers all requests for MRLs, or exemptions from the requirement of a MRL and the type of data that is required to be submitted.

Potentially affected categories and entities may include, but are not limited to the following:
