PRESIDIO TRUST

Letterman Complex, The Presidio of San Francisco, CA; Identification of the Preferred Alternative for the Draft Supplemental Environmental Impact Statement and Extension of the Public Comment Period

AGENCY: The Presidio Trust.

ACTION: Identification of the "Digital Arts Center" (Alternative 5) as the Presidio Trust's (Trust) preferred alternative for the purposes of the draft supplemental environmental impact statement (SEIS) for new development and uses within the Letterman Complex, The Presidio of San Francisco (Presidio) (EIS No. 990143). The draft SEIS is a supplement to the 1994 Final General Management Plan Amendment (GMPA) EIS for the Presidio. The Trust is extending the public comment period to 45 days after the publication of this notice to provide full opportunity for the public to make their views known on the action.

SUMMARY: The Trust has prepared and circulated for review a draft SEIS for the development and occupancy of approximately 900,000 square feet of new, low- to mid-rise mixed-use space within 23 acres of the 60-acre Letterman Complex, located in the northeast corner of the Presidio (64 FR 22662-63 (April 27, 1999)). For the purposes of the draft SEIS, six alternatives were evaluated at a comparable level of analysis for development and occupancy of the site: a "Science and Education Center" (the Updated Presidio GMPA Alternative, or Alternative 1); a "Sustainable Urban Village" (Alternative 2); a "Mixed Use Development" (Alternative 3); a "Live/Work Village" (Alternative 4); a "Digital

Arts Center" (Alternative 5) and "Minimum Management" (the No Action Alternative, or Alternative 6). Of the six alternatives discussed in the draft SEIS, the Trust has preliminarily determined that the "Digital Arts Center" (Alternative 5) would best fulfill its statutory mission and responsibilities under the Presidio Trust Act (Pub. L. 104-333), giving consideration to economic, environmental, technical and other factors.

Identification of a preferred alternative at this time does not imply that the Trust has made a final determination regarding the viability of Alternatives 1, 2, 3, 4 and 6. The Trust invites public comment on all of the alternatives described in the draft SEIS, including the Trust's preferred alternative.

Media coverage of the preferred alternative selection process conducted by the Trust may have resulted in public confusion regarding the continuing viability of Alternatives 1, 2, 3, 4 and 6. For this reason, the Trust has chosen to extend the public comment period to April 27-August 2, 1999 to accommodate a full 45-day comment period for the draft SEIS, as updated by this **Federal Register** notice, which will also enable the public to review and comment on the Trust's selection of Alternative 5 as the Trust's preferred alternative.

Public Meeting

The Trust will receive additional oral comment on the draft SEIS at the July 20, 1999 meeting of the Citizens' Advisory Commission of the Golden Gate National Recreation Area. The meeting will be held at Park Headquarters, Building 201, Fort Mason, San Francisco, California at 7:30 p.m.
