

provide to OMB a description of the extent of EPA's prior consultation with representatives of affected State, local, and Tribal governments, the nature of their concerns, copies of any written communications from the governments, and a statement supporting the need to issue the regulation. In addition, Executive Order 12875 requires EPA to develop an effective process permitting elected officials and other representatives of State, local, and Tribal governments "to provide meaningful and timely input in the development of regulatory proposals containing significant unfunded mandates." Today's action does not create an unfunded Federal mandate on State, local, or Tribal governments. This action does not impose any enforceable duties on these entities. Accordingly, the requirements of section 1(a) of Executive Order 12875 do not apply to this action.

#### *C. Executive Order 13084*

Under Executive Order 13084, entitled "Consultation and Coordination with Indian Tribal Governments" (63 FR 27655, May 19, 1998), EPA may not issue a regulation that is not required by statute, that significantly or uniquely affects the communities of Indian tribal governments, and that imposes substantial direct compliance costs on those communities, unless the Federal government provides the funds necessary to pay the direct compliance costs incurred by the Tribal governments. If the mandate is unfunded, EPA must provide OMB, in a separately identified section of the preamble to the rule, a description of the extent of EPA's prior consultation with representatives of affected Tribal governments, a summary of the nature of their concerns, and a statement supporting the need to issue the regulation. In addition, Executive Order 13084 requires EPA to develop an effective process permitting elected and other representatives of Indian tribal governments "to provide meaningful and timely input in the development of regulatory policies on matters that significantly or uniquely affect their communities." Today's action does not significantly or uniquely affect the communities of Indian tribal governments. This action does not involve or impose any requirements that affect Indian Tribes. Accordingly, the requirements of section 3(b) of Executive Order 13084 do not apply to this action.

#### **Next Meeting of the North American Numbering Council**

**AGENCY:** Federal Communications Commission.

**ACTION:** Notice.

**SUMMARY:** On June 30, 1999, the Commission released a public notice announcing the July 20, 1999, meeting and agenda of the North American Numbering Council (NANC). The intended effect of this action is to make the public aware of the NANC's next meeting and its agenda.

**FOR FURTHER INFORMATION CONTACT:** Jeannie Grimes at (202) 418-2320 or jgrimes@fcc.gov. The address is: Network Services Division, Common Carrier Bureau, Federal Communications Commission, The Portals, 445 Twelfth Street, S.W., Suite 6-A320, Washington, D.C. 20554. The fax number is: (202) 418-2345. The TTY number is: (202) 418-0484.

**SUPPLEMENTARY INFORMATION:** Released: July 2, 1999.

The meeting to be held on Tuesday, July 20, 1999, from 8:30 a.m. until 5:00 p.m., and on Wednesday, July 21, 1999, from 8:30 a.m. until 10:00 a.m. is open to the members of the general public. The FCC will attempt to accommodate as many participants as possible. The public may submit written statements to the NANC, which must be received two business days before the meeting. In addition, oral statements at the meeting by parties or entities not represented on the NANC will be permitted to the extent time permits. Such statements will be limited to five minutes in length by any one party or entity, and requests to make an oral statement must be received two business days before the meeting. Requests to make an oral statement or provide written comments to the NANC should be sent to Jeannie Grimes at the address under **FOR FURTHER INFORMATION CONTACT**, stated above.

It has been determined that the portion of the meeting to be held on Wednesday, July 21, 1999, from 10:00 a.m. until 12:00 p.m. will be closed to the general public. In response to NANC Chairman Alan Hasselwander's request, FCC Chairman William E. Kennard determined, after review by the General Counsel, that this portion of the July 21, 1999, meeting of the NANC may be closed to the public." In making this determination, Chairman Kennard stated:

Given that the NANC's review, at the meeting, of the proposal by Lockheed Martin to provide number pooling administration is likely to involve disclosure of "trade secrets and commercial or financial information obtained from a person and privileged or confidential," that portion of the NANC meeting is subject to the Government in the Sunshine Act's (GISA) allowance for closure of meetings otherwise required to be open to the public. See GISA Section 552b(c)(4). Under the Federal Advisory Committee Act, 5 U.S.C., App. 2 (1988) (FACA), the requirement that Federal Advisory Committee meetings be open to the public is, therefore, not applicable to the above-specified portion of the July 21, 1999, meeting of the NANC.
