

6(c)(3)(B) of the Act,<sup>5</sup> which provides that the Exchange may bar a natural person from becoming a member or person associated with a member, if such natural person does not meet such standards of training, experience, and competence as are prescribed by the rules of the Exchange. The Commission finds that requiring the FLS Clerks to take the Series 21 examination and to under on-the-job training is consistent with Section 6(c)(3)(B) because it provides the Exchange with a means to measure an FLS Clerk's ability and qualifications and to ensure that the Clerks are trained in an on-the-job setting. The Series 21 Examination covers such topics as preparing for the market opening, operating the display book, preparing for the market close, and generating trade reports, all topics designed to measure the Clerk's ability to perform his or her assigned tasks. Requiring all current and future FLS Clerks to pass the Series 21 Examination will help ensure that they are adequately trained and qualified to perform their duties competently.

#### IV. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,<sup>6</sup> that the proposed rule change (SR-NYSE-99-19) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>7</sup>

Secretary.
