Request for Public Comments on Proposed Information Collection Submitted to the Office of Management and Budget for Review Under the Paperwork Reduction Act

The proposal for the collection of information described below has been submitted to the Office of Management and Budget for approval under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35). Copies of the proposed collection of information and related forms may be obtained by contacting the Bureau's clearance officer at the phone number listed below. OMB has up to 60 days to approve or disapprove the information collection, but may respond after 30 days; therefore public comments should be submitted to OMB within 30 days in order to assure their maximum consideration. Comments and suggestions on the requirement should be made directly to the Desk Officer for the Interior Department, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503, and to the Bureau Clearance officer, U.S. Geological Survey, 807 National Center, 12201 Sunrise Valley Drive., Reston, Virginia, 20192.

Specific public comments are requested as to:

1. Whether the collection of information is necessary for the proper performance of the functions of the bureaus, including whether the information will have practical utility;
2. The accuracy of the bureau's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
3. The quality, utility, and clarity of the information to be collected; and
4. How to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other forms of information technology.

[AZ-930-1430-01; AZA 31024]

Notice of Proposed Withdrawal; Arizona

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Department of the Interior, Bureau of Land Management proposes to withdraw approximately 112,790 acres of Federal lands and minerals to protect prehistoric archeological sites and other valuable resources of the Perry Mesa area in central Arizona. This notice segregates the lands described below for up to 2 years from location and entry under the general land laws, including the mining laws. The lands will remain open to mineral leasing.

FOR FURTHER INFORMATION CONTACT: Gene Dahlem, BLM Phoenix Field Office, 623-580-5500.

SUPPLEMENTARY INFORMATION: The purpose of the proposed withdrawal is to temporarily protect the prehistoric archeological sites and other valuable resources of the Perry Mesa area while various studies and analyses are completed to support a final decision on withdrawing the lands. The mineralization of the area is known to contain gold. The proposal, if finalized, would withdraw the following described Federal lands from location and entry under the general land laws, and the Federal minerals from location and entry under the mining laws, but not the mineral leasing laws, subject to valid existing rights:
