#### Siemens ICN a/k/a Siemens Information Communications Networks, Inc., Cherry Hill, NJ; Notice of Negative Determination Regarding Application for Reconsideration

By application dated May 7, 1999, petitioners requested administrative reconsideration of the Department's negative determination regarding eligibility to apply for Trade Adjustment Assistance (TAA), applicable to workers and former workers of the subject firm. The denial notice was signed on April

20, 1999, and published in the **Federal Register** on May 21, 1999 (64 FR 27810).

Pursuant to 29 CFR 90.18(c) reconsideration may be granted under the following circumstances:

(1) If it appears on the basis of facts not previously considered that the determination complained of was erroneous;

(2) If it appears that the determination complained of was based on a mistake in the determination of facts not previously considered; or

(3) If in the opinion of the Certifying Officer, a misinterpretation of facts or of the law justified reconsideration of the decision.

The investigation findings for the April 20 denial of TAA for workers of Siemens ICN producing communication and voice messaging servers and business telephones in Cherry Hill, New Jersey showed that criterion (3) of the group eligibility requirements of Section

222 of the Trade Act was not met. The work performed in Cherry Hill was transferred to another domestic facility. Sales at the subject plant increased prior to the shift in production.

The petitioners assert that the business phones manufactured in Austin, Texas were to be transferred to Cherry Hill. Siemens ICN, however, opted to import the product from Germany. The Department's investigation revealed that the business phones manufactured and imported from Germany are not like or directly competitive with those which were produced in Cherry Hill, New Jersey.

#### Conclusion

After review of the application and investigative findings, I conclude that there has been no error or misinterpretation of the law or of the facts which would justify reconsideration of the Department of

Labor's prior decision. Accordingly, the application is denied.

Signed at Washington, DC, this 19th day of July 1999.
