#### Agency Information Collection Activities; Comment Request

**ACTION:** Request OMB Emergency Approval; Employment Authorization Document.

The Department of Justice, Immigration and Naturalization Service has submitted an emergency information collection request (ICR) utilizing emergency review procedures, to the Office of Management and Budget

(OMB) for review and clearance in accordance with section 1320.13(a)(1)(ii) and (a)(2)(iii) of the Paperwork Reduction Act of 1995. OMB approval has been requested by February 5, 1999. If granted, the emergency approval is only valid for 180 days. All comments and/or questions pertaining to this pending request for emergency approval MUST be directed to OMB, Office of Information and Regulatory Affairs, Attention: Mr. Stuart Shapiro, 202-395-7316, Department of Justice Desk Officer, Washington, DC 20503. Comments regarding the emergency submission of this information may also be submitted via facsimile to Mr. Shapiro at 202-395-6974.

During the first 60 days of this same period, a regular review of this information collection is also being undertaken. During the regular review period, the INS requests written comments and suggestions from the public and affected agencies concerning this information collection. Comments are encouraged and will be accepted for "sixty days" until March 29, 1999. During the 60-day regular review, ALL comments and suggestions, or questions regarding additional information, to include obtaining a copy of the information collection instrument with instructions, should be directed to Mr. Richard A. Sloan, 202-514-3291, Director, Policy Directives and Instructions Branch, Immigration and Naturalization Service, U.S. Department of Justice, Room 5307, 425 I Street, NW, Washington, DC 20536.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agencies estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
