**FEDERAL EMERGENCY
MANAGEMENT AGENCY**

**Agency Information Collection
Activities: Submission for OMB
Review; Comment Request**

ACTION: Notice and request for comments.

SUMMARY: The Federal Emergency Management Agency is submitting a request for review and approval of an expired information collection. The request is submitted under the emergency processing procedures in Office of Management and Budget (OMB) regulation 5 CFR 1320.13. FEMA is requesting that this information collection be approved by August 25, 1999, for use through February 2000.

FEMA plans to follow this emergency request with a request for a 3-year approval. The request will be processed under OMB's normal clearance procedures in accordance with the provisions of OMB regulation 5 CFR 1320.10. To help us with the timely processing of the emergency and normal

clearance submissions to OMB, FEMA invites the general public to comment on the proposed collection of information. This notice and request for comments is in accordance with the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. 3506(c)(2)(A)). It also seeks comments concerning the Federal Insurance Administration's Cover America II Advertising campaign to conduct market research.

SUPPLEMENTARY INFORMATION: The National Flood Insurance Program (NFIP) was created by Congress in 1968 and is administered by the Federal Emergency Management Agency (FEMA). The Federal Insurance Administration (FIA) is specifically responsible for, among other things, the marketing of the NFIP. In response to the FEMA Director's goal that the FIA increase the number of people covered with flood insurance by 20 percent in two years, the FIA initiated "Cover America" a major, multi-year, multi-million dollar marketing and advertising campaign designed to increase the number of homes and businesses covered by flood insurance. The NFIP does not actually "sell" flood insurance to consumers. Under an arrangement with the FIA, private insurance companies and their agents sell and service the vast majority of the NFIP policies. Agents write the remainder directly with the Government through a servicing agent.

Collection of Information

Title. The Federal Emergency Management Agency/Federal Insurance Administration's Cover America II Project.

Type of Information Collection. Reinstatement with changes.

OMB Number: 3067-0267.

Form Numbers. Not Applicable.

Abstract. FEMA/FIA will conduct research with consumers, business-owners and insurance agents to plan, implement and evaluate a nationwide campaign to increase awareness of the NFIP and flood insurance, improve attitudes about the NFIP and flood insurance, and increase flood insurance sales.

Affected Public: Individuals or households, Business or other for-profit and not for-profit institutions.
