## GENERAL ACCOUNTING OFFICE

### DEPARTMENT OF THE TREASURY

#### OFFICE OF MANAGEMENT AND BUDGET

##### Federal Accounting Standards Advisory Board; Approval of Statements of Federal Financial Accounting Concepts and Standards

**AGENCY:** GAO, Treasury, OMB.

**ACTION:** Notice.

**SUMMARY:** The General Accounting Office, the Department of the Treasury, and the Office of Management and Budget (the FASAB principals) are announcing that they have agreed to modify their Memorandum of Understanding of October 1990, which established the Federal Accounting Standards Advisory Board (FASAB), to revise its accounting standard-setting process. The revised procedures provide that a Statement of Federal Financial Accounting Standards or Concepts will become final 90 days after FASAB has transmitted its proposed concept or standard to each of the three FASAB principals, so long as no principal, during that 90-day period, advises FASAB of an objection.

**FOR FURTHER INFORMATION CONTACT:** Mr. Richard Tingley, Federal Accounting Standards Advisory Board, 441 G Street, NW, Washington, DC 20548; 202 512-7350.

**SUPPLEMENTARY INFORMATION:** The Federal Accounting Standards Advisory Board FASAB or the Board) was established by Memorandum of Understanding of the Secretary of the Treasury, the Comptroller General, and the Director of the Office of Management and Budget (the Board's principals) in October 1990 to consider and recommend accounting concepts and standards for the Federal Government. The Memorandum of Understanding directed the Board to determine detailed procedures to implement an accounting standard-setting process. In 1991, the Board issued its Rules of Procedure, which were approved by its three principals.

The Secretary of the Treasury, the Comptroller General, and the Director of the Office of Management and Budget have agreed to modify their Memorandum of Understanding of October, 1990 and the Board has determined to revise its rules of Procedure for implementing an accounting standard-setting process as follows. When the Board has developed a proposed concept or standard, the Board shall submit it to the Comptroller

General, the Secretary of the Treasury, and the Director of OMB for their review. If, within 90 days after its submission, any one of these officials objects to the proposed concept or standard, then it shall be returned to the Board for further consideration. If, within 90 days after its submission, none of these officials objects to the proposed concept or standard, then it shall become a final concept or standard of the Board. The Board will publish notice of final concepts and standards in the **Federal Register**.

The principals agree that standards set and promulgated following the Board's Rules of Procedure are recognized to have substantial authoritative support, and those accounting standards contrary to such promulgation are not. In accepting the revisions to the Memorandum of Understanding and the Board's Rules of Procedure, the principals retain their authorities, separately and jointly, to establish and adopt accounting standards for the Federal Government.
